GENERAL PRICE LIST

These prices are effective as of February 1, 2026 but are subject to change without notice.

These goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you select.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Basic Services of Funeral Director and Staff and Overhead \$900.00

Our services include: personnel available 24 hours a day, 365 days a year to respond to initial call; conducting the arrangements conference; planning the funeral, consulting with family and clergy; shelter of remains; preparing and filing of necessary notices, obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs, such as facility maintenance, equipment and inventory costs, insurance and administration expenses and government compliance.

This fee for our basic services and overhead will be added to the total cost of funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.)

PREPARATION OF THE BODY

Except in certain special cases, embalming is not required by law. Embalming may be necessary however, if you select certain funeral arrangements, such as funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial.

Refrigeration (California Code of Regulations, Title 16 Sec. 1223(c) requires refrigeration of an unembalmed body after 24 hours)

Refrigeration \$400.00
