

Faith Centered...  
Future Focused

# 5 Year Old Kindergarten

## St. Joseph School Wauwatosa

At St. Joseph Catholic School, our K5 class integrates faith, academics, social/emotional skills, and service for others for a comprehensive program.

Our program's guiding principles align with the Milwaukee Archdiocese curriculum. The children learn to read, write, count, solve mathematical problems, and communicate with others.

Our students learn to work in groups and independently.

We provide specialty classes in Music, Guidance, Physical Education, Library, Technology and Spanish.

## K5 IS A FULL DAY PROGRAM
