Dear Parents, Guardians and Families of the St. Joseph Catholic School Community,

I hope this message finds you and your families well. As we embark on a new school year, I am honored and excited to introduce myself as the new principal of St. Joseph Catholic School.

Many of you know me from my years as a teacher within our school community, having taught fifth grade and Middle School. It has been one of the greatest blessings of my professional life to teach and grow alongside your children. Now, as I step into this new role, I do so with deep gratitude, a servant's heart, and an unwavering commitment to the mission of Catholic education.

This year, our school-wide theme is: **"We Are One."** It is a simple but powerful reminder that we are united—one body in Christ, one school family, one community walking together in faith, learning, and love.

We Are One in our shared commitment to nurturing the minds and hearts of every student.

We Are One in our belief that Christ is at the center of all we do.

We Are One in our dedication to creating a safe, joyful, and enriching environment where each child is known, valued, and loved.

I look forward to working closely with our devoted faculty and staff, our parish community, and, most importantly, with you—the parents and guardians who are the first and most important teachers in your children's lives. Together, we will continue to build on the strong foundation that makes St. Joseph Catholic School such a special place.

As we move forward, I invite you to be active participants in the life of our school. Your voice matters, your presence matters, and your support makes all the difference.

Let us keep one another in prayer as we begin this journey together. I am confident that, guided by faith and strengthened by unity, this will be a year of growth, joy, and abundant blessings.

I look forward to a great year!
