

## Safeguarding All of God's Family

We appreciate all the volunteers who help at our school! St. Joseph School is committed to maintaining safe environments for children to learn, pray, and grow. In accordance with archdiocesan guidelines, **all volunteers** who spend time with the children of our community must complete following elements of the Safeguarding All of God's Family program.

***This includes coaches and help outs on field trips.***

1. **Attending a Safe Environment Education Session.** (Only required once.)

2. **Complete the online Safe Environment Training and pass a Criminal Background Check.** (Renewal done every five (5) years subsequently.)

***The Archdiocese has updated the Five Year Renewal – it now includes a series of videos and questions which takes about an hour and a half to complete.***

3. **Sign the Code of Ethical Standards for Church Leaders Link to Code of Ethical Standards.** (Done every five (5) years subsequently.)

All Safe Environment records are maintained by Catholic Mutual through the CMG connect Website <https://milwaukee.cmgconnect.org>

**We ask that all parents log onto the CMG Connect website to either register for the first time or check the status of their Safe Environment Training. Please be sure your email is current to receive updates and alerts.**

If you have any questions or issues with your CMG login, please contact Lisa Marynik at 414-771-4626 or [marynikl@stjoetosa.com](mailto:marynikl@stjoetosa.com).

**Thank you for all you do for the children at St. Joseph Catholic School!**
