How to Use This Catalog

Academy catalog (sometimes called a record, bulletin or calendar) is an official publication providing a comprehensive, detailed listing of programs, services, rules, requirements, courses, administrators and faculty for one academic year. A catalog is an authoritative document yet may not be taken as a contract between Shear Excellence Hair Academy and a student. As a rule, the catalog for the academic year during which you are first enrolled will determine the requirements for your program completion and graduation.

Students sometimes simply use this Academy catalog solely as a reference—a much-needed guide to course requirements and deadlines. This catalog also has other far-reaching uses as well.

The many hours you spend earning a diploma at Shear Excellence Hair Academy make the catalog your academic hometown. Browsing through this catalog may yield information as varied as the following:

1. Part-time evening classes.
2. Information about Shear Excellence Hair Academy and its programs.
3. Services for students range from academic advisement to placement.

The catalog is organized into the following sections: an overview of Shear Excellence Hair Academy and its programs, admissions, financial assistance, student services, academic information, course descriptions and lastly, faculty and administration listings.

A table of contents is available to help you locate information quickly. The current academic calendar is located in the catalog to help you plan your year and “Where to Write or Call”, to help you find the fastest way to get your questions answered accurately. This catalog can be an invaluable tool in planning your time at Shear Excellence Hair Academy. Keep it handy and use it often.

Right To Change: Shear Excellence Hair Academy reserves the right to modify its rules and regulations, curriculum, dress code, or any other policies at its discretion.

The time schedule in which this can be completed will vary depending on Shear Excellence Hair Academy's schedule.

Student Lockers

A locker is available to each student during academy hours. No deposit is required. (Should a locker shortage occur, no more than two students will share a locker). Each student will be required to maintain his or her locker in good repair while enrolled at Shear Excellence Hair Academy. Should damage occur, the student will receive an itemized statement of costs to repair. No graduation or licensing paperwork will be completed until any locker damage charges have been paid in full. Shear Excellence Hair Academy reserves the right to enter any student's locker with or without the student's permission should Shear Excellence Hair Academy deem it necessary. Students are discouraged from sharing or trading lockers. To do so means the students run the risk of having their locker cleaned out by accident when one of

the sharing/trading students drops or graduates.

Academy Policy on the Handicapped

It is the policy of Shear Excellence Hair Academy to respond to request for reasonable accommodation in accordance with Section 504 of the Rehabilitation Act of 1973 as amended (29 U.S.C 794) or section 202 of the Americans with Disabilities Act of 1990 (2 U.S.C 12132), which states in part, no qualified individual with disability, be excluded from participation in or be denied the benefits of the services, program, or activities of a public entity, or be subjected to discrimination by any such entity.”

Reasonable accommodation shall refer to modification or adjustment to a job, academic program, or work or learning environment to enable a qualified individual with a disability to enjoy an employment or educational opportunity. An equal employment or educational opportunity means an opportunity to attain the same level of performance or to enjoy equal benefits and privileges of employment or education available to similarly situated staff, faculty, or students without a disability.

The Americans with Disabilities Act requires reasonable accommodations in three (3) aspects of employment and education:

1. To ensure equal opportunity in the application process
2. To enable a qualified individual with a disability to perform the essential functions of a job or to benefit from an educational program
3. To enable staff, faculty, or students with disabilities the opportunity to enjoy equal benefits and privileges of employment and education.
- 4.

Shear Excellence Hair Academy obligated to provide reasonable accommodations, adjustments, and/or auxiliary services only to the known limitations of an otherwise qualified individual with a disability. It is the responsibility of the individual with a disability to inform school staff and to provide documentation (from an appropriate professional) of a disability and demonstrate or document how the disability limits participation in employment programs, services, or activities at the time of admission.

When a qualified individual with a disability requests an accommodation, Shear Excellence Hair Academy will make a reasonable effort to provide an accommodation, adjustment, and /or auxiliary service that is effective for the individual. Appropriate accommodations or modifications will be provided to ensure that the evaluation of performance represents achievement rather than reflecting the impact of disability.

Shear Excellence Hair Academy defines *accommodation* as “measures taken to supplement or modify instruction during the student’s tenure at Shear Excellence Hair Academy.

Any qualified individual with a disability requesting an accommodation or auxiliary aid or service should follow this procedure:

1. Notify Shear Excellence Hair Academy Director in writing of the type of

accommodation needed, documentation of the nature and extent of the disability, and need for the accommodation or auxiliary aid. The request should be made at least four (4) weeks in advance of the date needed. You may contact the Compliance Coordinator if you have any questions.

2. The Compliance Coordinator will respond within two (2) weeks of receiving the request.

School Policy on Rehabilitation Services

In order for Shear Excellence Hair Academy to offer a quality educational program and for the student to be successful in their chosen career we find it necessary to develop a strong relationship with the rehabilitation counselor. It is necessary for Shear Excellence Hair Academy to obtain the history of the applicant in order to fulfill our objective. Therefore, it is our policy for the applicant to sign a waiver releasing such information from the rehabilitation agency to Shear Excellence Hair Academy.

Admission/Entrance Requirements

Shear Excellence Hair Academy welcomes students who wish to pursue a Post-Secondary-level program of study. The office of admissions works hard to make the admissions process, an easy one. Service to students is our priority and academic achievement is expected, nurtured, and rewarded. If you have any questions about admissions policies, please call us at 813-933-2468. We look forward to hearing from you and wish you well in your Hair Academy studies.

Shear Excellence Hair Academy has the following admissions policy:

Shear Excellence Hair Academy admits students who hold a high school diploma or G.E.D. and must also be beyond the age of compulsory education (16 years of age). This is in line with the Florida State Board of Cosmetology & Barbering. Proof of education is required BEFORE start of class. A copy of high school diploma, GED Certificate, or official transcript (high school, college, or GED) showing graduation date is acceptable.

ABILITY TO BENEFIT POLICY

(The ATB test option ended effective 7/1/2012, per U.S. Department of Education for those students who are seeking Title IV funding to pay for their program. However, the ATB test option can be used for enrollment if the student passed an ATB test prior to 7/12/12 and received Title IV Funding).

If an applicant requesting admission does not have proof of a high school diploma or G.E.D. the applicant must take an entrance examination to attest to tenth grade reading and math ability. The test is called Wonderlic ATB (Ability of Benefit) test. A student must achieve a verbal score of no less than 200 and a quantitative score of no less than 210 in the same test administration to pass. Both tests are 20 minutes timed tests. The exam is given at Shear Excellence Hair Academy at least once per month by an Independent Tester, who is certified by Wonderlic. The

entire, entrance test is designed to evaluate those traits and aptitudes required for a successful career in Cosmetology, Restricted Barber, Barber Hair Design, Nail Technician, Facial Specialist and Full Specialist.

If an individual fails either part of the tests or fails to meet the minimum 10th grade level standard, they must re-take the entire test again, after five (5) business days. If any part of the test is failed a second time, the candidate must wait 60 days to re-test. The cost of each entrance exam is \$50.00, paid in advance. The fee is forfeited if applicant fails to appear on their scheduled date of exam.

- ❖ Students with ATB admittance are not eligible to qualify for federal aid. ATB students must pay for their education out of their personal funds and cannot receive any title IV federal funding.

Admissions Requirements

To be admitted, an applicant must have a personal interview with an admissions representative to evaluate the applicant's qualifications and aptitude to pursue a career in cosmetology, restricted barber, nail technician, facial specialist, full specialist or barber hair design.

The general admissions policy is as follows:

- Prospective students must be the minimum age of 16 years old.
- Official high school transcript showing date of graduation or diploma, or
- Official passing GED scores or Certificate.
- Picture ID and Social Security card with number or other documentations.
- Alien Registration card/INS Proof (if required).

When Shear Excellence Hair Academy has reason to believe that a High School Diploma or GED is not valid, it reserves the right to reject that credential for admission and may require additional information, transcripts, or denial of admission.

Documents must be official and have a date of completion for the student it is regarding. Furthermore, any high school diploma that Shear Excellence Hair Academy deems questionable of from a "Diploma Mill", or any transcripts and GED's do not show proper integrity, or appears to have been altered or is questionable, will be subject to the Admission Department policy on "Determining" the Validity of a High School Diploma". The Admission Director and school Director/President will make the final decision after considering the results of the search. Should the diploma or GED certificate be deemed invalid or not verifiable, the student will not be admitted, or if already attending, will be terminated immediately. If the transcript is not in English it must be translated and accompanying translated copy in the student's file.

Below are some examples of why a High School Diploma or GED may be rejected:

- ✓ The document has been issued by a school known to Shear Excellence Hair Academy as a “Diploma Mill”. Shear Excellence Hair Academy will cross check from a list of Diploma Mill Institutions.
- ✓ Documents given for a fee or essay with very little course work or life experience.
- ✓ Programs that can be completed in a short time period not consistent with traditional education.
- ✓ The document’s time and place is inconsistent with other student information.
- ✓ Verification for all GED’s with reasonable doubt will be verified by State of issue.
- ✓ For the State of Florida there is a request form “Request for Diploma Verification” that will be completed in the admission office and faxed or e-mailed at 850-245-0990 or verifyflged@fldoe.org. Main office number is 1-877-352-4331.

Note: Completing a course or program in languages other than English may reduce employability where English is required. All our programs are taught in English and Spanish, in both location except for Barber Hair Design, Facial Specialist and Full Specialist programs.

I understand that the Program is taught in English: and I represent that I am fully able to participate in the Program in English.

Credit for Previous Education/Training (Transfer)

A transfer student will be enrolled for the full contracted hours of the program of their interest. The granting of credit hours for previous training or experience will be determined after being evaluated in both theoretical and practical abilities by a designated school official. The transfer student will receive credit for previous training from an accredited cosmetology/barber/nail/facial specialist school with proper documentation (official transcript, diploma, active license) showing hours, services and tests. The maximum hours a student can receive credit for is 500 hours for cosmetology, 500 hours for barber hair design, and 200 hours for the restricted barber and 200 for the full specialist and 100 hours for the nail technician and facial specialist program and are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution. The contracted program will then be modified proportionately, not to exceed 500 hours for cosmetology and barber hair design program, 200 hours for the restricted barber and full specialist and 100 hours for the nail technician and the facial specialist program required hours of completion as previously stated, and the contracted hours and educational costs adjusted on the student’s tuition/ledger card. The acceptance of any and/or all of the transferring hours and services is at the discretion of Shear Excellence Hair Academy. But will not exceed 500 hours of their contracted program hours with at least 700 hours of the cosmetology and barber hair design program hours being completed and at least 400 hours for the restricted barber and full specialist and 200 hours for the nail technician and 210 hours for the facial specialist program being completed at Shear Excellence Hair Academy. A student wishing to apply for enrollment is permitted to attend one class session prior to enrollment. Students are encouraged to attend the class session to determine his/her true interest, financial obligation and level of commitment.

Transferring hours, services and grades within our school.

To receive credit for courses previously completed within our school, students must follow the same policy stated above. However, submission of an academic transcript is not required. Some of our programs contain educational components that are equivalent to one another. Those components may be transferable partially or in its entirety. The final decision resides with the Director. In most cases, there are no prerequisites to the order in which the student takes each phase of the program.

NOTE: The transferability of credit to another institution is at the discretion of the accepting institution, and it is the student's responsibility to confirm whether credits will be accepted by another institution of the student's choice.

Verification Procedures for Federal Financial Aid

Shear Excellence Hair Academy has developed the following policies & procedures regarding the verification of information provided by applicants for federal aid under Title IV Programs.

At that time the student will be informed of the time parameters and the consequences of not completing the verification cycle. Shear Excellence Hair Academy gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. Shear Excellence Hair Academy will notify the student of the result of the verification process and any other documentation needed. Shear Excellence Hair Academy will use as its reference the most recent verification guide supplied by the U.S. Department of Education.
4. If the student receives an overpayment due to inaccurate or conflicting information on any application and refuses to correct the information or repay the Federal funds after being counseled by Shear Excellence Hair Academy, Shear Excellence Hair Academy will refer the case to the U.S. Department of Education for resolution. Unless required by the U.S. Department of Education, no Federal financial aid will be disbursed to the student.
5. The financial aid file must be documented with the date that verification is completed. Subsidized Stafford Loan checks are not to be released prior to this date.

Stafford Loans

The program that Shear Excellence Hair Academy, offers is the Direct Lending Program. This program enables students to borrow money from the U.S. Department of Education to meet their educational expenses. A student cannot borrow more than the estimated cost of attendance, less any other financial aid you may receive and your expected family contribution. To be eligible, the student's financial need must be evaluated. Students who do not qualify for this program should speak to the Financial Aid office about alternative funding. These loans are at a higher interest rate and repayment may begin within thirty (30) days of receiving the loan. Repayment varies with each lender.

To apply for a loan, you must first be accepted by Shear Excellence Hair Academy, have processed a FAFSA, signed a master promissory note and completed an entrance interview. Thirty (30) days after starting classes, Shear Excellence Hair Academy will certify the loan to the lender. Once the guarantee agency approval is obtained, the lender will electronically transfer funds to Shear Excellence Hair Academy account for disbursement to the student's tuition account.

Undergraduate first year students may borrow up to \$9,500 year. There are no application deadlines for these programs.

Federal Stafford Loans - The following loans allow for repayment after graduation. These loans include Subsidized and Unsubsidized.

Repayment begins six (6) months after the student leaves Shear Excellence Hair Academy or drops below half-time attendance. The student is allowed at least ten (10) years to repay his/her loan. When students leave Shear Excellence Hair Academy, they must contact their lender to establish a repayment schedule. The amount of payment depends on how much the student has borrowed. The greater the amount borrowed, the higher the payments. If a student does not repay his/her loan, they will go into default, and either the guarantee agency or the Federal Government can sue to collect.

Subsidized Stafford Loan:

Available to students who demonstrate financial need

Eligible students can borrow a subsidized Stafford Loan to cover some or all of their need.

For a subsidized loan, the U.S. Department of Education pays the interest:

- While you are in school at least half-time.
- For the first six months after you leave school (referenced as a "grace period").
- During a period of deferment (a postponement of loan payments).

The amount of your subsidized loan cannot exceed your financial need.

Unsubsidized Stafford Loan: Does not require students to demonstrate financial need.

The U.S. Department of Education does not pay interest on unsubsidized loans.

To determine the amount of your unsubsidized loan, your school will use this equation:

Cost of Attendance

- Federal Pell Grant (if eligible)
- Subsidized Stafford Loan amount (if eligible)
- Any other financial aid you receive
- = Amount of unsubsidized loan you receive (up to the annual maximum loan amount)

Depending on your financial need, you may receive both subsidized and unsubsidized loans for the same enrollment period, but the total amount of these loans may not exceed the annual loan limit.

For an unsubsidized loan:

- You are responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it's paid in full.
- You can pay the interest while you are in school or during a period of deferment or forbearance.
- You can allow the interest to accrue (accumulate) and have the interest added to the principal amount of your loan. This is called capitalization. If you choose not to pay the interest as it accrues and allow it to capitalize, this will increase the total amount that you must repay.

Cost of Attendance Budgets

Cost of Attendance is an overall look at tuition, fees, books, kit and what it will cost a student to live, room, board, transportation, etc., while attending Shear Excellence Hair Academy.

The following is the localized COA Budget for the Standard 1200 Cosmetology Program. A copy of the Localized COA Budget for the Barber Hair Design Program or 240 Nail Technician Program, 310 Facial Specialist or 600 Restricted Barber or 600 Full Specialist Program can be obtained from Shear Excellence Hair Academy's Financial Aid Office.

Misc/Personal	180	633
Other Costs	0	0

Pell Grants

Unlike loans, grants do not have to be repaid. To determine if you are eligible, the Department of Education uses a standard formula, revised, and approved every year by Congress, to evaluate the information you report when you apply for a Pell Grant.

Using a formula guarantees equal treatment for all applicants. Students may receive a federal grant from \$659 to \$6,495 for the first year and 1/3 of a Pell for the second award year. Eligibility depends upon family income and ability to pay.

The Free Application for Federal Student Aid (FAFSA) is used to determine your eligibility and amount of grant available. When a student qualifies for the Pell grant, the grant does not guarantee full payment of classes. If the student has a balance after receiving their grant, they are responsible for paying the balance. If the grant does not pay full tuition, the student may apply for student loans. Students must have a zero balance prior to receiving any credit balance monies.

How much you actually receive depends on the following factors:

1. Your student aid index number.
2. The cost of education at your academy, whether you are a full-time or half-time student.
3. How long you will be enrolled in the academic year.

Shear Excellence Hair Academy will input your application and go over your award letter. Shear Excellence Hair Academy will then receive and credit your award to your account, until Shear Excellence Hair Academy is paid in full, and the student receipted accordingly. Shear Excellence Hair Academy receives the student's award in two payments, one at the beginning of the program, and the second after one-half of the academic year has been completed. Shear Excellence Hair Academy's academic year consists of 900 clock hours, but the student must complete all of their program clock hours to graduate from this Hair Academy.

Federal Supplemental Educational Opportunity Grant (FSEOG)

Federal Supplemental Educational Opportunity Grants (FSEOG) will be awarded to Pell- eligible students of Shear Excellence Hair Academy, who also demonstrate financial need, with the lowest family contribution. Unlike the Pell Grant Program, SEOG is not an entitlement. Shear Excellence Hair Academy has a specific amount of funds for SEOG and cannot award more funds once the allocation is used up. Shear Excellence Hair Academy has an SEOG Disbursement policy and will select students for their award based on this policy.

See as following: Students eligible for the FSEOG will be awarded in the amount of \$100.00 with a school scholarship in the amount \$33.33. Funding will be disbursed after the student's 1st and 451st hour, if the student is maintaining satisfactory academic progress. Shear Excellence Hair Academy will credit the FSEOG funding directly to eligible student's account with an additional campus aid-based scholarship. NOTE: All financial aid will be applied first against Shear Excellence Hair Academy charges and any excess will subsequently be paid to the student. See our Financial Aid Department for further information.

Students Who Do Not Want Title IV Assistance: (Paying their own way)

Non-Title IV students will still be able to enroll under a form of the ATB policy as long as they are paying their own way.) Students who do not have a High School diploma or GED may request to be admitted under the Ability to Benefit provisions. Students with ATB admittance are not eligible to qualify for federal aid. ATB students must pay for their education out of their personal funds and cannot receive any title IV federal funding.

Student who seeks to enter Shear Excellence Hair Academy and **who do not want Title IV assistance** are subject to the same Admission & Enrollment Requirements as those students who request Title IV assistance with the exception that should they fail to have a high school diploma or GED, or their diploma is not verifiable, they may meet the Department of Education requirements of "Last Resort Option to Ability To Benefit." See an Admission Representative for further details.

Special Circumstances

Dependency Override- Students who do not meet the federal definition of independent status but have extenuating circumstances beyond their control can appeal their dependency status. Students must provide written documentation explaining their situation and must provide three letters from professional persons other than family substantiating the appeal. The final determination of Dependency Override is made by the Financial Aid Director.

Professional Judgment- Circumstances beyond the student's control that have affected their (or their family's) income during the academic year could result in a reduced EFC. Successful appeals may result in an increase in the student's eligibility for aid. Students with special situations should contact the financial aid office. Those determined eligible will be required to fill out a Professional Judgment form.

UNUSUAL ENROLLMENT HISTORY (UEH)

Effective with the 2013-2014 school year, the U.S. Department of Education has established

new regulations to prevent fraud and abuse in the Federal Pell Grant Program by identifying students with unusual enrollment histories.

What this means for you: If you received the Federal Pell Grant at multiple institutions in recent academic years (2010-2011, 2011-2012, & 2012-2013), your 2013-2014 Free Application for Federal Student Aid (FAFSA) will be flagged (see next bullet for flag indicators) for unusual enrollment history (UEH).

The flags “2” and “3” will be indicated on your Student Aid Report (SAR) and our Financial Aid Department will be required to review your enrollment history to determine whether or not you are enrolling only long enough to receive cash refunds of Federal student aid. If you received the Federal Pell Grant and credit hours (passing grades: A-D) were not earned at each institution attended during these award years, you may be determined ineligible for Federal financial aid. The Financial Aid Department will determine if you had a legitimate (valid) reason for having unusual enrollment at multiple institutions.

You may be asked to provide valid documentation explaining the reason behind your unusual enrollment history. If documentation is needed, the Financial Aid Department will contact you by email or letter detailing the appropriate documentation needed.

Student Financial Aid Release

The undersigned agrees that Shear Excellence Hair Academy does not guarantee the student loan process in any respect. A Federal Parent Plus Loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus Loan does not guarantee that the parent will receive a Federal Parent Plus Loan. It is critical that the parent be able to pass a credit check when the loan is certified. Shear Excellence Hair Academy has no control over the approval or decline of a parent's credit history. Nor does Shear Excellence Hair Academy assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Financial aid is available to those who qualify but is not guaranteed. The Student's inability to secure financial aid does not relieve the Student of any of the terms and conditions of this Agreement.

I authorize the School to obtain consumer reports on me during my enrollment and while federal student aid I obtained in connection with the enrollment is tracked for purposes of 34 CFR Part 668.

Federal Return of Title IV Funds Policy

Shear Excellence Hair Academy participates in federal financial aid. Please refer to the following

refund policy for specific consumer information pursuant to the Federal Financial Aid program.

1. Students who receive loans are responsible for repaying the loan amount, plus any interest, less the amount of any refunds, and if the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid for federal students, financial aid program funds.
2. For students who have received Title IV financial assistance, the Federal Return of Title IV Funds calculation will be completed first and applicable funds returned. Returned funds will be reduced from the payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a refund or if a balance is owed to the institution.
3. If a student has received less aid than that student earned, he/she may be eligible for a post-withdrawal disbursement.
4. If a student is eligible for this disbursement, Shear Excellence Hair Academy will notify the student in writing of the amount he/she is eligible. The student will have 14 days to accept or decline the disbursement. If an acceptance is not received within this timeframe, the institution will not make the post-withdrawal disbursement to the student.
5. The Federal Return of Title IV Funds formula dictates the amount of federal Title IV aid that must be returned to the Federal Government or the lending institution by Shear Excellence Hair Academy and/or the student. The Federal formula is applicable to an eligible student receiving Federal aid when that student withdraws on or before the 60% point in time in the payment period.
6. The federal formula requires a return of Title IV aid if the student received federal financial assistance in the form of Stafford Loans, Pell Grants, or Plus loans and withdraws on or before completing 60% of the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. The percentage that has not been earned is calculated by determining the complement of the percentage earned (e.g., if 40% was earned, 60% was unearned.)
7. The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date. The percentage of the payment period scheduled

to complete is calculated by dividing the total number of clock hours scheduled to complete by the payment period as of the last date of attendance.

8. If a student unofficially withdraws and has received federal loans, the loans will go into repayment.

A student who withdraws prior to completing 60% of the charging period may be required to repay some of the funds released to the student because of credit balance on the student's account.

Note: All non-Title IV student refunds will be made within 30 days of a determination that a student has withdrawn, whether officially or unofficially.

Refunds to the Title IV programs and others will be disbursed in the following order:

1. Federal Direct Unsubsidized Stafford Loan\
2. Federal Direct Subsidized Stafford Loan
3. Federal Direct Plus Loan
4. Federal Pell Grant
5. Federal SEOG
6. Other Title IV aid

If applicable, the Student will receive the proportional share of any remaining refunds (after Title IV distribution) from non-title IV programs (e.g., state grants, scholarships, other agency grants)

Consumer Information for: Treatment of Title IV Aid when a Student Withdraws (R2T4)

For students who are participating in Title IV programs such as: Federal Pell Grants, Stafford Loans, and PLUS Loans, the Financial Aid Department administers the Return to Title IV Funds Calculation (R2T4) calculation is completed by a financial aid administrator. This policy applies to students who withdraw from Shear Excellence Hair Academy and have received federal financial aid. The circumstances of withdrawal can include those students who officially or unofficially withdraw.

When you withdraw during your payment period or period of enrollment (your Hair Academy can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your Hair Academy or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by Shear Excellence Hair Academy and/or you.

Examples that will cause R2T4:

- If a student who did not return from an approved or unapproved Leave of Absence
- If a student was dismissed from enrollment
- If a student chose to withdraw from the program and notified Shear Excellence Hair Academy

- If Shear Excellence Hair Academy is notified by a second party of circumstances beyond student's control.

Shear Excellence Hair Academy tracks all students' attendance. R2T4 calculations are based on the student's last date of attendance as provided by the student's attendance records. The R2T4 determines the amount of aid that was earned and is based on the most recent payment period. After the student has completed 60% of the payment period, no refund is due. R2T4 is completed for all withdrawals to determine if the student is approved for a post withdrawal disbursement.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period. If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, your Academy must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt.

The calculation for the percent of completion of the payment period is as follows:

Shear Excellence Hair Academy will determine the actual date the student started the payment period and the last date of attendance and will figure the scheduled clock hours within that period of time.

The number of clock hours the student was scheduled to complete within that payment period is divided by the total number of clock hours in that payment period to determine percent completed. Days a student was on a Leave of Absence are excluded from this calculation.

Shear Excellence Hair Academy may automatically use all or a portion of your post-withdrawal disbursement (including loan funds that you give permission to accept them) for tuition, fees, and room and board charges (as contracted with Shear Excellence Hair Academy). For all other academy charges, Shear Excellence Hair Academy needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some academy's, ask for when you enroll). You will be offered the funds. However, it may be in your best interest to allow Shear Excellence Hair Academy to keep the funds to reduce your debt at Shear Excellence Hair Academy. Your Hair Academy must also get your permission before it can disburse directly to you any Title IV grant funds that are part of a post-withdrawal disbursement.

If Shear Excellence Hair Academy is allowed a post withdrawal disbursement, Shear Excellence Hair Academy will advise the student or parent they have 14 calendar days from the date Shear Excellence Hair Academy sent notification to accept a post withdrawal disbursement. Any student who qualifies for a post withdrawal disbursement must meet the current award year requirement and time frames for late disbursement. A post withdrawal disbursement for Pell Grants of which the student is awarded will be disbursed within 45 days of the date Shear Excellence Hair Academy determined the student withdrew.

If Shear Excellence Hair Academy is required to return federal funds, it will return Federal Aid

disbursed that was credited to the student's account for the payment period in which the student withdrew. Shear Excellence Hair Academy will refund any unearned Title IV aid due within 30 days of the date of determination of withdrawal. The date of determination will be no later than 14 days from the last date of attendance.

Post withdrawal loan funds a student accepts will be made within 180 days from the date Shear Excellence Hair Academy determined the student withdrew.

The Title IV funding that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your academy or parent receive on your behalf) excess Title IV program funds that must be returned, your academy must return a portion of the excess equal to the lesser of yours:

1. Hair Academy charges multiplied by the unearned percentage of your funds or
2. The entire amount of excess funds.

Shear Excellence Hair Academy must return this amount even if it didn't keep this amount of your Title IV program funds. If your academy is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your academy or the Department of Education to return the unearned grant funds within 45 days. The requirements for Title IV program funds when you withdraw are separate from any refund policy that your Hair Academy may have. This policy is separate from the Institution Refund Policy.

All students who have utilized Title IV funding will have the R2T4 Calculation completed prior to calculating the Institutional Refund Policy. Therefore, you may still owe funds to Shear Excellence Hair Academy to cover unpaid educational charges. Shear Excellence Hair Academy will take the returned funds into account when calculating the Institutional Refund Policy. Entrance & Exit Counseling

Before the school disburses Direct Loans (subsidized, unsubsidized, or Parent PLUS), regulations require that you complete an entrance counseling session. The counseling session provides information about how to manage your student loans, both during and after college, sample repayment terms, payment schedules, and personal budgeting.

This part of the process can be done with your Financial Aid Director or online at www.studentloans.gov.

Important: Before you drop, withdraw, stop attending classes, or graduate, you must complete an Exit Counseling session. You should meet with the Financial Aid Director to review the effect that dropping or withdrawing will have on your eligibility for financial aid or any balances due as well as to complete the Exit Counseling session. This part of the process will be done with your Financial Aid Director.

In order for a student to meet the monthly start date deadline, all completed and signed FAFSA are submitted by the 15th of every month. Students who miss this deadline must be prepared to pay their own fees. Students must apply for financial aid every year. Awards are made only

for the current year.

Arbitration Agreement and Waiver of Jury Trial

1. Any dispute I may bring against Shear Excellence Hair Academy, or any of its parents, subsidiaries, officers, directors, or employees, without limitation, or which Shear Excellence Hair Academy may bring against me, no matter how characterized, pleaded, or styled, shall be resolved by binding arbitration. Conducted by the American Arbitration Association (AAA), under its Consumer Rules, and decided by a single arbitrator. The arbitrator will decide the case pursuant to the Federal Arbitration Act, and under the laws of the State of Florida. Any dispute over the interpretation, enforceability, or scope of this Arbitration Agreement shall be decided by the arbitrator, and not by a court. I explicitly waive any right I may have to a jury trial. I understand that the decision of the arbitrator is binding, not merely advisory.

2. Neither Shear Excellence Hair Academy nor I shall file any lawsuit against the other in any court and agree that any suit filed in violation of this provision shall be promptly dismissed by the court in favor of arbitration. Both Shear Excellence Hair Academy and I agree that the party enforcing arbitration shall be awarded costs and fees of compelling arbitration.

3. The costs of the arbitration filing fee, arbitrator's compensation, and facilities fees that exceed the applicable court filing fee will be paid by Shear Excellence Hair Academy.

4. I agree that any dispute or claim I may bring shall be brought solely in my individual capacity, and not as a plaintiff or class member in any purported class action, representative proceeding, mass action, or consolidate action.

5. Any remedy available from a court under law shall be available in the arbitration.

6. Location of Arbitration: The Parties agree that any arbitration under this Agreement will take place at a location within the same county in which I am enrolled or was most recently enrolled as a student at the School.

7. To the extent I have outstanding federal student loan obligations incurred in connection with my enrollment at Shear Excellence Hair Academy, any arbitration award providing monetary damages shall direct that those damages be first paid toward my student loan

obligations.

8. I may, but need not, be represented by an attorney at arbitration.

9. Except as specifically required by the laws of the state of Florida, the fact of and all aspects of this arbitration and the underlying dispute shall remain strictly confidential by the parties, their representatives, and AAA. I agree that any actual and threatened violation of this provision would result in irreparable harm and will be subject to being immediately enjoined.

10. If I desire to initiate arbitration, information about the AAA arbitration process and the Consumer Rules can also be obtained at www.adr.org or 1-800-778-7879. I shall disclose this document to the AAA.

11. Severability: In case any or more of the provisions contained in this Agreement, shall, for any reason, be held to be invalid, illegal or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Notwithstanding the foregoing, in the event the Class Action Waiver in Section 4 is determined to be invalid, unenforceable, or void with respect to any legal claim underlying any Dispute, that claim and only that claim, shall proceed in court and the provisions in section 4 shall remain effective and enforceable with respect to all other legal claims underlying any Dispute. Insofar as any legal claim underlying any dispute is permitted to proceed on a class action, collective action, or representative action basis, it may do so only in a court of competent jurisdiction and not in arbitration.

Academic Progress Evaluations

The following factors will be used to measure and determine academic progress:

- Theory work (test grades, workbooks, homework, etc.)

- Practical work (hands on mannequin, clinic/live models) (At least 2 comprehensive practical skills evaluations will be considered during the course of study)

Theory and Practical numerical grades are considered according to the following scale:

A = 95-100 Excellent

B = 85-94 Good

C=75-84 Satisfactory

D= 60-74 Unsatisfactory

F= 0-59 Failing

Student must maintain a “C” grade average (in the above listed areas), in order to be considered making progress. Any tests missed or failed, must be made up. All theory exams and practical exams must be passed with a minimum 75% or the exam must be retaken.

Note: The maximum time allowable for “Satisfactory Progress” in order to receive a diploma from Shear Excellence Hair Academy and to be eligible for Title IV is 1 ½ the length of all programs offered. A program of 10 months could have a maximum time frame of 150%, or 15 months. For a program of 13 months could have a maximum time frame of 150%, or 19 months. Any student not completing the program within maximum time allowable, will be charged, by contract, a per hour additional charge times the hours of instruction needed to complete the program, unless the time missed is excused by the Administrator.

Note: Students who exceed the maximum time frame and have not completed the course within the maximum timeframe shall be terminated from the program, and thereafter may be permitted to re-enter on a cash-pay basis.

Note: Satisfactory progress in attendance and academic work is a requirement for all students enrolled at Shear Excellence Hair Academy. Students receiving funds under any Federal Title IV Financial Aid Program must maintain satisfactory progress in order to continue eligibility for such funds. A student who does not achieve the minimum standards is no longer eligible for Title IV, HEA program funds, unless the student is on warning or has prevailed upon complaint of the determination that has resulted in the status of probation. The administrative office will notify the students of any evaluation that impacts the student's eligibility for financial aid. The policy complies with guidelines established by the federal regulations established by the US Dept. of Education and is applied consistently to all students enrolled (full or part-time) in their specific program. Satisfactory Progress is established on a formal Evaluation of Progress Report when a student meets the minimum of 75% average in academic work and a minimum of 67% attendance.

HOW DETERMINATION OF PROGRESS IS ASSESSED

In order to be considered making satisfactory progress toward a diploma, a student must maintain a specified grade average as well as proceed through the program at a pace leading to completion in the specified time frame. For purpose of determining Satisfactory Progress, each program is broken down into segments. Each student's attendance and academic grade average is evaluated at the end of each segment. Formal evaluations of progress will be conducted by Shear Excellence Hair Academy's Administrative Staff when a student reaches their programs pre-set evaluation periods. For cosmetology, barber hair design students are at 450 and 900 scheduled hours. Nail Technicians are evaluated every 120 clock hours. Facial

Specialist are evaluated every 155 clock hours. Restricted Barber and Full Specialists are evaluated every 300 clock hours.

Each student is provided with a minimum of two written Satisfactory Academic Progress Evaluations Reports during their program period. The Satisfactory Evaluation of Progress Report will measure performance in academics based on grades received and will show their attendance progress based on their percentage of cumulative actual hours to schedule hours. NOTE: Students may receive an informal report card on a quarterly basis that shows academic and attendance progress (every three months). An informal report card is not a formal satisfactory academic progress report.

ESTABLISHING SATISFACTORY PROGRESS

Satisfactory Progress is established on a formal Satisfactory Academic Progress Evaluation Report when student reaches their evaluation points. Each student receives a numerical grade in both theory and practical work. Student must achieve a 75% average on work attempted in theory and practical to be making satisfactory progress. Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining satisfactory academic progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Cosmetology Minimum Hours Required (67% of Scheduled Hours)	450 Clock Hours and 15 weeks 302 Clock Hours	900 Clock Hours and 30 weeks 603 Clock Hours
Barber Hair Design Minimum Hours Required (67% of Scheduled Hours)	450 Clock Hours and 15 weeks 302 Clock Hours	900 Clock Hours and 30 weeks 603 Clock Hours

Facial Specialist Minimum Hours Required (67% of Scheduled Hours)	155 Clock Hours and 5 weeks 104 Clock Hours	310 Clock Hours and 10 weeks 208 Clock Hours
Full Specialist Minimum Hours Required (67% of Scheduled Hours)	300 Clock Hours and 10 weeks 201 Clock Hours	600 Clock Hours and 20 weeks 402 Clock Hours
Restricted Barber Minimum Hours Required (67% of Scheduled Hours)	300 Clock Hours and 10 weeks 201 Clock Hours	600 Clock Hours and 20 weeks 402 Clock Hours

DETERMINATION OF PROGRESS STATUS

In order for a student to be considered making satisfactory progress as of program mid-point, and/or the end of the payment period/evaluation period, the student must meet both attendance and academic minimum requirements and will be considered making satisfactory progress until the next scheduled evaluation. **PROGRAMS ELIGIBLE FOR TITLE IV FUNDING:**

Cosmetology, Restricted Barber, Barber Hair Design and Full Specialist, students failing to meet minimum progress requirements at an evaluation period may be placed on Warning (see below) with the opportunity to meet minimum requirements at their next scheduled evaluation period. **PROGRAMS NOT ELIGIBLE FOR TITLE IV FUNDING AND STUDENTS PAYING THEIR OWN WAY:** Nail Technician and Facial Specialist students or any student paying their own way in any program who fail to meet minimum progress requirements at an evaluation period may have their education interrupted and be placed on warning with the opportunity to meet minimum requirements at their next scheduled evaluation period after making a written plan on how to improve their academic progress and be able to complete their program within the maximum timeframe.

WARNING

During Warning, students are considered to be making satisfactory progress and financial aid funds will be disbursed to eligible students. At the end of the Warning period the student's progress will be re-evaluated. If the student is meeting minimum requirements, he/she will be removed from Warning status. Any student failing to meet minimum satisfactory progress for the second consecutive evaluation period will be given the opportunity to appeal the negative progress determination. (See Appeal Process below) If a student loses his/her appeal and they are a Title IV eligible student, it will result in a loss of their aid. These steps apply to both Title IV or Pay Your Own Way students: To continue with their program, 1] other financial arrangements will need to be made if there is an outstanding account balance; 2] If no arrangements can be made then the student may need to terminate from their program, or 3] in the case of a zero account balance, then the school develops an academic plan for the student that, if followed, will ensure that the student is able to complete the institution's requirements by a specific point within the maximum timeframe established for the individual student.

APPEAL PROCESS (as it pertains to academic and attendance progress)

Students who have been placed on Warning and have failed to achieve minimum requirements, may appeal this negative progress determination, requesting the decision to terminate the students Title IV funding should be reversed. The student must submit a written appeal to the Administrative Offices, along with any supporting documentation as to why they failed to make satisfactory academic progress (i.e.; death of a relative; an injury, illness of the student or other allowable circumstances) and what has changed in the student's situation that will allow the achievement of satisfactory progress at the next evaluation. The student needs to provide sufficient evidence as to why the attendance was below satisfactory level and how it has changed and will stay changed in order to finish within the 150%-time frame of the program or how they will improve their academic GPA. This appeal must be received in the Administrative Offices within five (5) business days of the end of the Warning evaluation period. Should a student fail to appeal this decision, the student's loss of funding will stand.

(See how to continue their program listed above under "Warning".

An appeal hearing will take place within five (5) business days of receipt of the written appeal. This hearing will be attended by the student, parents/guardian (if student is a dependent minor), the student's instructor, and a school Administrative Staff Member. A decision on the student's

appeal will be made within three (3) business days by the attending Administrative Staff Member and will be communicated to the student in writing. This decision will be final. All results, communications, etc., regarding this Appeal will become a permanent part of the students file. Should a student prevail upon his/her appeal, the student Title IV funding will be automatically re-instated.

Please note that the student will only be granted a probation if the institution has determined that SAP can be met in both academic and attendance by the next evaluation period.

PROBATION

A student who prevails on the Appeal process is placed on Probation status, their Title IV funding is re-established, and the student may re-establish satisfactory academic progress, by meeting minimum attendance and academic requirements by the end of their next scheduled evaluation point. Each warning and probation period is the length of that student's program's pre-set evaluation period. Programs of 1200 hours have a maximum of two (2) evaluation periods, and all other programs have only one (1) evaluation period.

Leave Of Absence (Effective 8/1/2011)

Shear Excellence Hair Academy recognizes the need of a Leaves of absence when a medical condition, military commitment, or when Shear Excellence Hair Academy administration deems that the student is unable to benefit from his/her education. ONLY DOCUMENTED LEAVES OF ABSENCE WILL BE APPROVED, ALL LEAVE OF ABSENCE MUST BE SUBMITTED IN ADVANCE IN WRITING IN PERSON, INCLUDING THE REASON FOR THE STUDENT'S REQUEST, AND INCLUDE THE STUDENT'S SIGNATURE AND DATED, OR VIA-FAX OR E-MAIL, SIGNED AND DATED. ANY OTHER TYPE OF LEAVE WILL NOT BE ACCEPTED AND WILL RESULT IN A SCHEDULE SHIFT, OR TERMINATION FROM SCHOOL. SHOULD TERMINATION BE THE RESULT OF THE LEAVE REQUEST, THEN A STUDENT WOULD BE REQUIRED TO RE-ENROLL. STUDENT WOULD RE- ENTER IN THE SAME PROGRESS STATUS AS WHEN THEY LEFT.

UNFORESEEN CIRCUMSTANCES

(Example: If a student were injured in a car accident and needed a few weeks to recover before returning to Shear Excellence Hair Academy, the student would not have been able to request the LOA in advance. This would be considered an unforeseen circumstances and Shear Excellence Hair Academy may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. The Hair Academy will collect the request from the student at a later date). The beginning date of the approved LOA would be determined by Shear Excellence Hair Academy to be the first date the student was unable to attend the Hair Academy because of the accident.

Any and all students receiving Title IV HEA program funds and self-paying students who has been granted an approved Leave of Absence: is not considered to be withdrawn from school; will not be accessed any additional institutional charges and no refund calculation is required at that time as a result of the LOA. Title IV funds will not be credited to their account, or any loan proceeds released to them during their LOA. The maximum time limit for any and all student taking a leave of absence must not exceed a total of 180 days in any 12-month period. Changes to the contract period on the enrollment agreement must be initiated by all parties or an addendum must be signed and dated by all parties.

Only a leave of absence that has been documented through a documented note/letter and clearly stating reason for leave and length of leave will be granted. To extend the leave of absent requires new documented note/letter with reason for extension and length of time required. Student's contract period and maximum time frame will be extended by the same number of days in the leave of absence. Students returning after this interruption will enter in the same progress status as when they left. Should a student fail to return from their leave and are a loan recipient, the time frame of the leave may have an adverse effect on the student's loan repayment terms and may affect the student's grace period. For any and all student's enrolled in Shear Excellence Hair Academy, since the Hair Academy is required to take attendance, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance. Any student receiving VA Benefits who takes an approved Leave of Absence is now considered to be withdrawn from school in the eyes of the VA requirements, their VA benefits will be stopped, and VA notified. Upon return from leave VA will be notified of their return.

If a student has not completed the proper LOA procedures, all time missed will count as absences from school and will affect overtime charges and Satisfactory Progress. If a student misses over 14 calendar days without an official Leave of Absence, his/her contract will be terminated.

The transfer student will receive credit for previous training from an accredited cosmetology/barber/nail/facial specialist school with proper documentation (official transcript, diploma, active license) showing hours, services, and tests. The maximum hours a student can receive credit for is 500 hours for cosmetology, 500 hours for barber hair design program and 200 hours for the restricted barber program and 200 hours for the full specialist and 100 hours for the nail technician and facial specialist program and are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution. **(Note: Full Specialist Program is only offered at Waters campus.)**

Formal withdrawal from Shear Excellence Hair Academy is required to ensure that the student is eligible to return to Shear Excellence Hair Academy at a future date. Any refund to which a student is entitled will be considered on the basis of the date and clock hours earned at the time of withdrawal. In the event that a student withdraws and later re-enrolls, he/she will again be required to meet the minimum requirements in each evaluation period.

Withdrawals - Interruptions

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Any student who withdraws from his/her contracted course or fails to complete his/her training will have a notice placed in his/her student file as to progress at the point of withdrawal.

When the student has reached full recovery with written release from their physician, the student will be allowed to resume their contracted course. Upon return of the student, a meeting will be held to consider the best course of action for re-entry to their program.

VA Attendance Policy

Standards of Academic Progress

Veteran's Attendance Policy

Early departures, class cuts, tardiness, etc., for any portion of a class period will be counted as a half a day absence. Students exceeding (67%) absences of the **total** scheduled hours for the length of the program **will be** terminated from their VA education benefits for unsatisfactory attendance. The student's attendance record will be retained in the veterans file for USDA and SAA audit purpose. In order to be considered making satisfactory progress toward a diploma, a student must maintain a specified grade average as well as proceed through the program at a pace leading to completion in the specified time frame. For purpose of determining Satisfactory Progress, each program is broken down into segments. Each student's attendance and academic grade average is evaluated at the end of each segment. Formal evaluations of progress will be conducted by Shear Excellence Hair Academy's Administrative Staff when a student reaches their programs pre-set evaluation periods. For cosmetology, barber hair design students are at 450 and 900 scheduled hours. Nail Technicians are evaluated every 120 clock hours. Facial Specialist are evaluated every 155 clock hours. Restricted Barber and Full Specialists are evaluated every 300 clock hours.

Standards of Academic Progress for VA Students

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 75% each evaluation period. The length of an evaluation period varies with each program. A VA student, whose CGPA falls below 75% at the end of any evaluation period will be placed on academic probation for a maximum of two consecutive terms of enrollment. If the VA student's CGPA is still below 75% at the end of the second consecutive term of probation, the student's VA educational benefits will be terminated. All the major personal appearance occupations are projected to post job growth stronger than the overall economy between 2012 and 2022. Most of these workers are employed in personal care services establishments, such as beauty salons, barber shops, nail salons, day and resort spas. Many of these workers own their own salon, but a growing number of the self-employed lease booth space or a chair from the salon owner. In this case, workers provide their own supplies, and are responsible for paying their own taxes and benefits. They may pay a monthly or weekly fee to the salon owner, who is responsible for utilities and maintenance of the building. Of that 44% percentage 770,000 Hairdressers, Hairstylists and Cosmetologists, 35 percent (or 267,000) are self-employed. Barbers have the highest proportion of self-employed individuals, at 54 percent.

1. Assess the situation. Ensure that all parties are safe, and gauge whether the situation requires calling the authorities. When deciding to intervene, your personal safety should be the #1 priority.
2. Decide whether to use direct or indirect action to resolve the problem.
3. Know your options. Once you've decided whether you want to handle the situation directly or indirectly, think of all the possible options for doing so. For instance, if you've decided to speak directly to the person displaying problematic behavior, do you want to do it right there in the moment, or take them aside later; if you want to deal with it indirectly, what resources can you access to help you handle the problem.
4. Intervene – with reinforcements. If safe to intervene, you're likely to have a greater influence on the parties involved when you work together with someone or several people. Your safety is increased when you stay with a group of friends that you know well.

There are ways to reduce your risk of being a victim of dating violence, domestic violence, sexual assault, or stalking. Below are some ways to help reduce your risk from the "Rape, Abuse & Incest National Network."

- Become familiar with safe places.
- Stay safe at home.
- Keep computer safety in mind.
- Create a code word with your family and friends to let them know that you need help.
- Trust your gut.
- Think of an escape route.

Also, there are ways to prevent a sexual assault for you or someone you know. Rape, Abuse & Incest National Network website posted a good friend knows how to C.A.R.E.

- C-create a distraction: do what you can to interrupt the situation. A distraction can give the person at risk a chance to get to a safe place.
- A-ask directly: talk directly to the person who might be in trouble.
- R-refer to an authority: Sometimes the safest way to intervene is to refer to a neutral party with the authority to change the situation.
- E-enlist others: it can be intimidating to approach a situation alone, enlist another

person to support you.

Shear Excellence Hair Academy will continue to ensure all students and staff are aware of this information. This information is presented to students and staff during orientation and is available on the website.

Within 48 hours of receiving the complaint the Title IX Coordinator will meet with the complainant and receive all the necessary information from their statement as well as any evidence the complainant may have. The next step is meeting with the accused and getting a written statement regarding the situation. If there are any witnesses to this event the Title IX Coordinator will meet with them to obtain written statements regarding the alleged event.

Once the Title IX Coordinator has all the necessary information a written notice will be sent

to the complainant, respondent, and any witness regarding the investigation and the process going forward. The Title IX Coordinator will create a detailed report detailing the information received during the initial interviews. In the report the names and any identifying information of any witnesses will be removed for privacy purposes.

Once this detailed report is complete the respondent and complainant will have the opportunity to review the report and any corresponding evidence. This review will take place in front of the Title IX Coordinator to ensure a reasonable review by each has been completed.

Hearing Procedures

After both parties have reviewed the detailed report the Title IX Coordinator will host a meeting with the Title IX Coordinator from the other campus as well as one additional administrative member of the campus. The Title IX Coordinator will inform the complainant, the respondent, and any necessary witnesses of the hearing five business days prior to the scheduled hearing. Each person on the panel will receive annual training to ensure they are properly prepared to deal with the nature of these crimes.

During the hearing the panel will be given the opportunity to hear the sides of all parties at the hearing. The Title IX Coordinator will monitor to ensure proper time is allotted for each party to speak. The hearing will be recorded, and the recording will be maintained at the Corporate Office as evidence regarding the hearing and as proof for any decisions made.

Upon completion of the hearing the panel will have ten business days to render a decision. The panel must be convinced, based on the information received, the respondent was more likely than not to have engaged in the conduct at issue to find the respondent responsible – based on a majority vote.

- Providing an escort for the complainant
- Offer a leave of absence to allow for counseling or other necessary measures
- Allow the complainant to withdraw and re-enroll at a later time without penalty.

Appeal Process

After receiving the written notification of the final decision of the panel either the respondent or the complainant, or both, may appeal the decision. The following is the process for an appeal.

Crime Statistics Reporting Table

Grounds for appeal are as follows:

- A procedural error affecting the determination or sanction;
- Excessiveness or insufficiency of the sanction; and
- New information that was not available at the time of the original investigation or hearing that may change the outcome..

In order to initiate an appeal it must be submitted in writing to the President, Rosita Donaldson. The written notice must be submitted within five days of receiving the written notice of the final decision.

Once the President has received the written notice he will notify the Title IX Coordinator who will notify the other student in writing that an appeal has been requested.

The non-appealing student is able to submit a written response to the President within five days of receiving notice of the appeal. After five days have passed, the President will review the information to determine if a change or re-hearing is warranted based on the new information.

Emergency Response/Evacuation Policy:

In the event of an emergency or dangerous situation involving an immediate threat to the health and/or safety of the students and employees the Emergency Notification System will be activated immediately. This system is the same for both campuses and will consist of immediate notification on the PA system of the emergency, using the Emergency Code System. In the announcement all students and employees will be given specific instructions to ensure their protection. Should the emergency require additional information to be provided to the students and employees the Director at the campus will direct the appropriate staff personnel to provide the additional information in a written document.

If the threat should result in closure of the school a notice will be posted on the campus door, a message will be placed on the campus school voicemail system, and a message will be placed on Facebook. The school voicemail system will be the primary method of notification of any threat resulting in the closing of the campus and for information regarding the re-opening of the school. The school Facebook page will be utilized in addition to the voicemail system for providing information on emergency procedures.

Emergency Code System:

In the event of an emergency or required evacuation the following Emergency Code System has been developed to assist in the orderly response to situations that may arise during the school business hours. The code will be announced over the PA system, students and employees are all required to follow the appropriate response to the code being announced. All codes will be announced using the code name and the specific location in the building.

Code Name	Code Meaning
Code Red	Medical emergency that requires the assistance of Emergency Medical Services
Code Yellow	Fire or smoke emergency that requires immediate evacuation of the building
Code Blue	Firearm threat or burglary emergency that requires evacuation or lock down of the current location

Code Green	Hazardous weather emergency that requires either school lock down or early dismissal depending on the weather hazard.
------------	---

In the event of an emergency happening on campus the instructor/employee responsible for that area must call campus administration immediately. The campus administration will then report the emergency code over the PA system and all staff and students will respond accordingly.

Once an emergency code has been called all staff/students/clients/witnesses/etc. must complete an incident report as applicable once the code has been lifted. These incident reports will be submitted to the Campus Director.

Security Policies and Security Procedures

If I see a crime happening or I'm a victim of a crime what do I do?

1. Shear Excellence Hair Academy encourages students and/or employees to promptly report any criminal activity or actions on campus with regards to murder, manslaughter, sexual offenses (forcible or non-forcible), robbery, aggravated assault, burglary, unlawful entry, motor vehicle theft, arson, hate crimes, stalking, domestic violence, dating violence, liquor law violations, drug law violations and illegal weapons possession, to the designated individual mentioned above. Mrs. Rivera will assist the student and/or employee in reporting the incident to state or local police authorities and keep an internal report log.
2. Since the institution does not have private campus-based security personnel, Shear Excellence Hair Academy, refers all campus law enforcement issues to state (Florida Highway Patrol-1-800-226-5350) or local police authorities, (Hillsborough County Sheriff 813-247-8200 or City of Tampa Police Dept.-non-emergency 813-276-3200 or emergency #911), whichever is appropriate.

How can I learn about campus safety?

1. Always be aware of what is going on around you. Your eyes and ears are your best prevention. Shear Excellence Hair Academy staff encourages students attending on the nighttime schedule to leave the building in groups and to not linger in the parking lot alone after dark. It's Shear Excellence Hair Academy's policy that no staff member closes and leaves the school at night while students are still on the premises (i.e.; in the classrooms or parking area).
2. Shear Excellence Hair Academy has Police Department representatives visit our school, upon request, to address the student and employee assembly in safety and security procedures and crime watch programs for both themselves, and our institution.
3. Shear Excellence Hair Academy, has formally requested that Department notify this institution of criminal activity that may have been engaged in by this institution's students at off- campus locations. Should notification of this type be received, and the criminal activity is perceived to be an immediate threat to the student body, notification will be made through our Emergency Response Notification via and website. The Emergency Response Notification

Procedure is tested at least once annually.

4. For the safety of the campus both leased spaces have phone systems with availability to call 911 should an ambulance or the police be needed. Both buildings have complete fire, sprinkler and burglary alarm systems in place in the event of an emergency. Should one of these types of emergencies take place please follow your instructor's directions in a calm and orderly manner. If the emergency requires you to exit the building do so quickly and calmly. If the emergency is weather related, please remain inside, and if necessary, seek immediate shelter in interior space away from glass windows, doors and mirrors. If prior weather alerts are available notification will come via the school's intercom system.

What do I do if a hostile intruder situation occurs on campus?

When hostile person(s) is actively causing deadly harm or the imminent threat of deadly harm is on the campus, we recommend the following: 1] All classrooms can be locked down from the inside, lock yourself in the room you are in at the time of the threat. 2] If communication is available, call 911, and then call the schools front reception (933-2468) if it can be done safely. 3] Do not stay in open space. 4] Do not sound the fire alarm. A fire alarm would signal the occupants in the rooms to evacuate the building and thus place them in potential harm as they attempted to exit. 5) Barricade yourself in the room with furniture or anything you can push against the door. 6) Close the blinds or curtains if available. Stay away from windows. 7) Turn all lights and audio equipment off. 8) Try to stay calm and be as quiet as possible. 9] If you are caught in an open area such as a open space or breakroom-type area, you must decide what course of action to take; a] You can try to hide, but make sure it is a well-hidden, space or you may be found as the intruder moves through the building looking for victims. b] If you decide to run, do not run in a straight line. Keep as many objects as possible between you and the hostile person(s). (i.e.; doors, columns, trees, cars etc.), c] If the person(s) is causing death or serious physical injury to others and you are unable to run or hide, you may choose to play dead if other victims are around you. d] The last option you have if caught in an open area may be to fight back. This will be a dangerous choice, but it may be your best option. e] If you are caught by the intruder, and make the decision not to fight back, then follow their directions as calmly as possible and do not look them directly in the eyes. f] Once police arrive, follow all of their commands. This may involve being handcuffed until the police have the situation completely under control.

Does Shear Excellence Hair Academy have a Drug and Alcohol Abuse Policy?

1. Shear Excellence Hair Academy has a written "Drug and Alcohol Abuse Policy" that states the following: "Shear Excellence Hair Academy has a zero tolerance for drug and alcohol abuse on campus. Campus is defined as buildings or parking lot. Any student or staff caught under the influence, or with drug paraphernalia will be subject to termination. Shear Excellence Hair Academy has Drug and Alcohol Abuse Prevention Program information and organizations available for any student and/or staff member who should have a need. Administration is available to any student/staff member if a problem exists, and all conferences will be kept confidential. See Admissions or Administration for complete Drug and Alcohol Abuse Policy and agency information'. This policy applies equally to all students and employees of Shear Excellence Hair Academy. All students read and sign the policy during their enrollment period and the policy is covered again during Orientation, prior to starting classes. As stated in the

written policy it is against school regulations for any student or employee (including a minor) to possess or sell alcoholic beverages or illegal drugs on the school campus. (Campus is defined as all buildings and adjacent parking areas.) Violation of the drug and alcohol abuse policy will result in a student's and/or employee's immediate determination and federal, state or local police authorities being notified to properly handle the situation.

2. The Alcohol and Drug Abuse Crisis Intervention number is 800-234-0246 and the Alcohol and Drug Abuse 24-hour Hotline & Treatment number is 800-378-4435. Should a student or employee require additional related materials, information or need educational programs regarding alcohol and drug abuse you are encouraged to contact the administrative offices for assistance. Pamphlets are available with treatment facility information.

What if I am a victim of sexual assault?

1. If a rape does occur on campus, it is important for you to preserve evidence for proof of a criminal offense. The individual should not bath or wash or discard any items of clothing that the assailant came in contact with until the authorities have been notified.

2. In the event that a sexual assault (rape), acquaintance rape, dating violence and/or other forcible and non-forcible sex offenses should occur on campus, the individual should report it immediately to Ms. Rivera, either by contacting her in the administrative offices (813-933-2468 ext. 105) or by asking a staff member to contact her at home. She will take immediate steps to see that the offense is reported to the correct authorities, if requested by the student and/or employee, and since the school does not have available on-campus counseling, mental health or other student services for victims of sex offenses, they will be encouraged to contact the Rape Crisis and Sexual Abuse Hotline at, or 800-940-7273 if needed.

What are my options if the sexual offense is student on student, or student and/or employee?

1. Any sexual offense occurring between students and/or employees or both, will result in: 1] discussing the options available for changing a victim's academic situation after the alleged sex offense, if charges are requested by the victim, and 2] the school will implement disciplinary actions in cases of an alleged sex offense after a disciplinary proceeding. Both the accuser and the accused will be entitled to the same opportunities to have others present during a disciplinary proceeding and both will be informed of the school's final determination in any school disciplinary proceeding with respect to the alleged sex offense and any sanction that is imposed against the accused.

What if I am a victim of Domestic Violence?

1. Domestic Violence or Domestic Abuse is more than just an occurrence of a physical offense. The Domestic Abuse Council states: if your partner... Isolates You, Calls you Names, Humiliates or embarrasses you, Hits, slaps, shoves, kicks or bites you, Threatens to hurt you, your family, pets or friends, Behaves in ways that feel abusive to you.... Then you are not alone! Anyone (married or not) involved in a domestically abusive situation should contact the 24-hour Crisis Hotline (386) 255-2102, (386) 738-4080 or (800) 500-1119 and seek help immediately. If it occurs on campus, the individual should report it immediately to Mrs. Rivera, by contacting her in the administrative offices (813-933-2468 ext. 105) or if it occurs off campus, then it should be reported to the nearest law enforcement authority. State (Florida Highway Patrol-1-800-226-

5350) or local police authorities, (Hillsborough County Sheriff 813- 247-8200or City of Tampa Police Dept.-non-emergency 813-276-3200) or by dialing emergency #911, whichever is appropriate.
