Little Acorns Inclement Weather Policy

We understand the challenges it creates when we have to open late or close due to inclement weather. However, to do what is best for the safety of everyone involved, we have created a guide that coincides with Montgomery County Administrative Offices which open at 8:00am. We will follow the administrative offices as closely as possible although we reserve the right to make our own decision with the regards to the safety of our staff and families.

1. Little Acorns is **closed** if:

** MCPS administrative offices are closed.

2. Little Acorns is **open at 10:00 AM** if:

** MCPS administrative offices are delayed (making them open at 10am)

**Little Acorns will send out a text/email to anyone on tadpoles.

**Little Acorns will always have a recording of the closing or delayed opening on our main line by 6:00AM:
301-983-4372.
