

The Holley Institute

Creating New Worlds for Children and Adults with Deafness, Hearing and Vision Loss

Job Description

Job Title:	Deaf Mentor
Location:	Various locations, including via Zoom and areas around Michigan
Duration:	Hourly, as needed, 10 months (September – June)
Pay Range:	\$18.95 per hour
Job Summary:	The Community Health and Literacy Program Mentor provides in-home educational services to families and individuals who are Deaf, Deaf-Blind, or Hard of Hearing. Mentors work under the supervision of the Community Health and Literacy Program Director. This is a 10-month position, with services delivered once per week for two hours per family. Work hours are assigned based on program needs and may vary week to week.
Key Responsibilities:	• Teaches ASL to family members using specialized research-and evidence-based curriculum and resources. • Able to respect the needs, values, and perspectives of families and to support families as they communicate and interact with their children. • Demonstrates to families and caretakers of Deaf, Deaf-Blind, and Hard-of-Hearing children how to read various children's books using ASL. • Host event(s). • Refer to additional services as needed/requested.
Qualifications:	• Native or near-native fluency in American Sign Language (ASL) and thorough knowledge of Deaf culture. • Experience working with children is highly preferred. • Strong communication and organizational skills.
Apply:	If interested, please send your resume to theholleyinstitute@gmail.com with the subject line Deaf Mentor.
