This commitment to safeguarding is at the core of our operations and will continue to guide our actions in the future.

Our commitment to safeguarding adults is firmly rooted in the essential principles established by The Care Act 2014 and the Making Safeguarding Personal (MSP) framework. These guidelines ensure that the individual's needs and wishes are at the forefront of all safeguarding efforts. At APPEER CIC, we strive to make this vision a reality by ensuring:

Commitments

APPEER CIC is committed to best safeguarding practice and to uphold the rights of all adults to live a life free from harm from abuse, exploitation and neglect.

We are committed to creating a culture of zero-tolerance of harm to adults which necessitates:

- the recognition of adults at risk and the circumstances which may increase risk
- knowing how adult abuse, exploitation or neglect manifests itself;
- being willing and able to report safeguarding concerns
- ensuring that activities are delivered in a way which keeps all adults safe

Recognising the signs of abuse:

Employees, trustees, and volunteers are well-placed to identify abuse. An adult may say or do things that let you know something is wrong. This may come as a disclosure, complaint, or expression of concern. Everyone within the organisation should understand what to do and where to go to get help, support, and advice.

Types of Abuse:

The Care Act 2014 defines the following ten areas of abuse. These are not exhaustive but are a guide to behaviour that may lead to a safeguarding enquiry. This includes:

- **Physical abuse** - Including assault, hitting, slapping, pushing, misuse of medication, restraint or inappropriate physical sanctions.
- **Domestic violence/ Domestic abuse** - This could be any of the indicators of abuse relating to physical, psychological/emotional, sexual or financial but by a person with whom you have a close family or intimate relationship such as a partner, child, parent.
- **Sexual abuse** - Including rape, indecent exposure, sexual harassment, inappropriate looking or touching, sexual teasing or innuendo, sexual photography, subjection to pornography. Witnessing sexual acts, indecent exposure and sexual assault or sexual acts to which the adult has not consented or was pressured into consenting.
- **Psychological or emotional abuse** - Including threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, cyber bullying, isolation or unreasonable and unjustified withdrawal of services or supportive networks.
- **Financial or material abuse** - Including theft, fraud, internet scamming, coercion in relation to an adult's financial affairs or arrangements, including in connection with wills, property, inheritance or financial transactions, or the misuse or misappropriation of property, possessions or benefits.
- **Modern slavery** - Encompasses slavery, human trafficking, forced labour and domestic servitude. Traffickers and those who coerce, deceive and force individuals into a life of abuse, servitude and inhumane treatment.
- **Discriminatory abuse** - Including forms of harassment, slurs or similar treatment because you are, or are perceived to be different due to race, gender and gender identity, age, disability, sexual orientation or religion.
- **Organisational or institutional abuse** - Including neglect and poor care practice within an institution or specific care setting such as a hospital or care home, for example or in relation to care provided in one's own home. This may range from one off incidents to long-term ill treatment. It can be through neglect or poor professional practice as a result of the structure, policies, processes or practices within an organisation.

Neglect or acts of omission - Including ignoring medical, emotional or physical care needs, failure to provide access to appropriate health, care and support or educational services, the withholding of the necessities of life, such as medication, adequate nutrition and heating.

Self-neglect - This covers a wide range of behavior, neglecting to care for one's personal hygiene, health or surroundings and includes behaviour such as hoarding. There is a difference between what constitutes a safeguarding incident that requires a statutory response and an incident that is rooted in concern for someone's general wellbeing.

Radicalisation to Terrorism:

The Government through its PREVENT programme has highlighted how some adults may be vulnerable to exploitation and radicalisation and involvement in terrorism. Signs and indicators of radicalisation may include:

- Being in contact with extremist recruiters.
- Articulating support for violent extremist causes or leaders.
- Accessing violent extremist websites, especially those with a social networking element.
- Possessing violent extremist literature.
- Using extremist narratives to explain personal disadvantage.
- Justifying the use of violence to solve societal issues.
- Joining extremist organisations.
- Significant changes to appearance and/or behaviour.

Reporting Concerns:

Any employee, director or volunteer who becomes aware that an adult is or is at risk of, being abused or radicalised must raise the matter immediately with their line manager/or with the organisation's designated safeguarding lead (DSL).

Early sharing of information is the key to providing an effective response where there are emerging concerns. To ensure effective safeguarding arrangements no one should assume that someone else will do it.

You will find full guidance on the procedures for reporting and managing concerns in our **Safeguarding adults procedures and guidance**.

Where a report has been made:

APPEER CIC will:

- Inform the adult of the action we propose to take.
- Seek their agreement for any referral.
- Ensure that they are kept informed about what will happen next, so they can be reassured about what to expect.
- Endeavour to ensure that they are safe and supported before proceeding with any other action.
- Inform the adult if (APPEER CIC) are planning to seek advice from or report concerns to an external agency.

In most situations there will not be an immediate threat and the decision about protecting the person with safeguarding needs will be taken in consultation with themselves and through referral to Adult Social Care.

If the adult requires immediate protection from harm, contact the emergency services.

Safe Recruitment & Selection:

APPEER CIC is committed to safe employment and safe recruitment practices, that reduce the risk of harm to adults with care and support needs from people unsuitable to work with them. APPEER CIC has policies and procedures that cover the recruitment of all employees and volunteers which you can find in your employee handbook and our **Safer Recruitment Policy**.

Social Media:

All employees and volunteers should be aware of internal **ICT, E Safety, Social Media & Virtual Support Policy** procedures and the code of conduct for behaviour towards the adults we support.

Training and Awareness:

APPEER CIC will ensure an appropriate level of safeguarding training is available to its directors, employees, volunteers and any relevant persons linked to the organisation who requires it (e.g. contractors) For employees and volunteers, this will include a comprehensive induction plan and subsequent refresher training throughout the year. APPEER will provide managers with regular group supervision with the DSL and ad-hoc opportunities to advance their knowledge and practice for example; self-harm, prevent training, mental health first aid. Information about our supervision and performance management guidance can be found in our supervision policy and

For all employees who are working or volunteering with adults at risk this requires them as a minimum to have awareness training that enables them to:

- Understand what safeguarding is and their role in Safeguarding Adults.
- Recognise an adult potentially in need of safeguarding and take action.
- Understand how to report a safeguarding alert.
- Understand dignity and respect when working with individuals.
- Have thorough knowledge of the safeguarding adults policy.

Each individual employee and volunteer will find specific information about their role and responsibilities, induction and training information within their employment contract and employee handbook.

Mental Capacity:

The Mental Capacity Act Mental is about whether an individual has the capacity to make a specific decision at a specific time and if they are unable, because they lack capacity under the defined terms.

This includes not being able to:

- Understand information given to them about a particular decision
- Retain that information long enough to be able to make the decision
- Weigh up the information available to make the decision
- Communicate their decision.

Employees or volunteers should refer to the Mental Capacity Act Code of Practice, for further guidance and information.

<https://www.gov.uk/government/publications/mental-capacity-act-code-of-practice>.

Where appropriate APPEER will involve an advocate if the person lacks capacity to make decisions about a safeguarding concern.

Confidentiality and Information Sharing:

- APPEER CIC expects all employees, volunteers and trustees to maintain confidentiality. Information will only be shared in line with the General Data Protection Regulations (UK GDPR) and Data Protection 2018. Employees and volunteers will find further guidance with their employee handbook and internal GDPR and Data Privacy Policy.

However, information should always be shared with the relevant Local Authority if an adult is deemed to be at risk of harm or they pose a risk of harm to another. You should contact the police if they are in immediate danger, or a crime has been committed.

Recording information regarding safeguarding concerns:

A written record must be kept for any concern regarding an adult with safeguarding needs by using our internal safeguarding concern record.

Each record must include;

- details of the person/s involved
- the nature of the concern
- the actions taken
- decision made and why they were made
- signed and dated

All records must be securely and confidentially stored in line with General Data Protection Regulations (GDPR).

Whistleblowing:

APPEER CIC is committed to ensuring that employees and volunteers who in good faith whistle-blow in the public interest, and will be protected from reprisals and victimisation. Employees should refer to the **Whistleblowing policy** for full guidance on how the policy is implemented and guidance on raising concern in our **Safeguarding adults procedures and guidance**.

APPEER CIC will further ensure that:

- Everyone involved with APPEER CIC is aware of the safeguarding adult procedures and knows what to do and who to contact if they have a concern relating to the welfare or wellbeing of an adult.
- Any concern that an adult is not safe is taken seriously, responded to promptly, and followed up in line with APPEER CIC Safeguarding Adults Policy and Procedures.
- The well-being of those at risk of harm will be put first and the adult actively supported to communicate their views and the outcomes they want to achieve. Those views and wishes will be respected and supported unless there are overriding reasons not to (see the Safeguarding adults procedures).
- Any actions taken will respect the rights and dignity of all those involved and be proportionate to the risk of harm.
- Confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored in line with our Data Protection Policy and Procedures.
- APPEER CIC acts in accordance with best practice advice, for example National Governing Bodies.
- APPEER CIC will cooperate with the Police and the relevant Local Authorities in taking action to safeguard an adult.

- All Board members, staff, officials and volunteers understand their role and responsibility for safeguarding adults and have completed and are up to date with safeguarding adult training and learning opportunities appropriate for their role.
- APPEER CIC uses safe recruitment practices and continually assesses the suitability of volunteers and staff to prevent the employment/deployment of unsuitable individuals in this organisation and within the sporting community.
- APPEER CIC shares information about anyone found to be a risk to adults with the appropriate bodies. For example: Disclosure and Barring Service, Services, Police, Local Authority/Social Services.
- When planning activities and events APPEER CIC includes an assessment of, and risk to, the safety of all adults from abuse and neglect and designates a person who will be in attendance as a safeguarding lead for that event.
- Actions taken under this policy are reviewed by the Board and senior management team on an annual basis.
- This policy, related policies (see below) and the Safeguarding Adults Procedures are reviewed no less than on a yearly basis and whenever there are changes in relevant legislation and/or government guidance as required by the Local Safeguarding Board, and/or National Governing Bodies and or as a result of any other significant change or event.
