POLICY STATEMENT

Appeer CIC recognises the right of every individual to stay safe and believes that children and vulnerable adults should never experience abuse or neglect of any kind. It understands that disabled children and adults are at a particular risk of abuse and neglect. Appeer CIC is committed to safeguarding and promoting the welfare of children and vulnerable adults, to keeping them safe and to working in a way that protects them. We expect all directors, staff, volunteers, visitors, partners, contractors and beneficiaries involved, including parents/carers, to share this commitment.

Further, we recognise that effective safeguarding and child protection is the responsibility of all directors and staff, whether paid or unpaid, at Appeer CIC, and not just the Designated Safeguarding Lead (DSL), Deputy Designated Safeguarding Leads (DDSLs) and Director responsible for Safeguarding. It is also the responsibility of everyone involved in Appeer's services to prevent the physical, emotional and sexual abuse and neglect of children and vulnerable adults in our sessions and to report any abuse or neglect discovered or suspected.

We have put in place safeguards and measures to promote the welfare of Appeer staff and beneficiaries and to reduce the likelihood of abuse and neglect taking place within Appeer activities.

The purpose of the policy is to:

- To protect children, adults at risk and others who access Appeer sessions and programmes from harm
- To provide directors, staff, volunteers, visitors, partners, contractors and beneficiaries involved with the key principles that guide our approach to safeguarding (this policy should be read by staff alongside our Safeguarding and Child Protection Guidance and Procedures document, which includes more detailed information including on how staff can recognise, report and deal with safeguarding concerns, including self-reporting personal difficulties which they know to be impinging on their professional competence whilst caring for children or adults at risk).
