NOW NOW NOW NOW NOW NOW

This week, our AP were making cardboard creations. This involved using patterns, craft knives and much skill. The activity captivated the group for the entire session. Making dragon wings is not only fun and a STEAM activity but also helps with fine and gross motor skills.

NEXT NEXT NEXT NEXT NEXT NEXT N

Nicki is trying to create an Appeer World in her Minecraft Sessions. This week we she had some amazing creations including this dinosaur made by one of the Teens. It's great to watch the girls connect as they build together.
