

How to Rainbow Fish.

Equipment

Card

String

Tin Foil

Markers

Googly Eyes

Method

- 1) Using a template cut your fish shape out.
- 2) Snip small slots around your fish.
- 3) Wrap string around your fish.
- 4) Cover with tin foil.
- 5) Gently squash the foil to the fish to create scales.
- 6) Colour in the scales with markers.
- 7) Add eyes and fins if you want to.
