This 2026-2027 Benefits at a Glance is an overview of benefits effective from 7/1/26 through 6/30/27 and does not provide a complete description of all benefit provisions. For more detailed information, please refer to your plan documents or summary plan descriptions (SPDs). The plan documents and SPDs determine how all benefits are paid.

YOUR BENEFIT COSTS

The total amount that you pay for your benefits coverage depends on the plans you choose, how many dependents you cover, and for medical coverage, your wellness rate eligibility. Your healthcare costs are deducted from your pay on a pre-tax basis — before federal, state, and social security taxes are calculated — so you pay less in taxes.
