

UNACCEPTABLE

Flammables

Free liquids

Tires

Car parts

Gas cans

Oil cans

Batteries. These are a very dangerous fire hazard and should be recycled at a designated battery recycling center or store that accepts them, such as Lowes or Home Depot.

Refrigerators

ACCEPTABLE

Small numbers of paint cans, if any paint in the can has been solidified with sawdust or other specific paint hardener. Also, lids must be secured and the can sealed.

Water heaters

Water softeners

Sump pumps

Washers

Dryers

Dishwashers

Metal fencing

Furniture

Mattresses

Box Springs (Curbside pickup; must be wrapped in plastic for our driver's safety and health.)

Tree debris must be 4' long or less

Construction material if for a small project. Large pieces must be 4' or less. (A complete room or home remodel requires rental of a roll off.)

Wooden fencing

Windows 4' or less

Televisions

Computers
