- **Public Hearing Call to Order:** 7:00 PM
- **Public Hearing Regarding 101 Willow Ridge Rezoning:** Request to change zoning from R-I to R-III. Mennonite Home property south of Augsburgers road at 101 Willow Ridge Drive, where “Green House Development” currently sits. This is land that should have been zoned as R-III, based on it’s intended use. Passing the rezoning will allow for further development of 15 acre lot.

Motion: Edwards moved, Agner seconded, to recommend to Council to pass the zoning change from R-I to R-III, on the the 15 acre lot situated in the SW ¼ of Section 2, T2S, R8E, Richland Township, Allen County, also known as 101 Willow Ridge.

Roll Call: Ayes – Edward, Agner, Downey, Essinger. Nays – None.

Motion carried.

- **Public Hearing Adjourned:** 7:10 PM

-
- **Regular Meeting Call to Order:** 7:10 PM

- **Discussion of Proposed Willow Ridge Expansion:** Jesse opened the meeting by stating that the scale of this project would be considered a “Major Subdivision”, thus requiring more in depth submission of plans for approval rather than jus a site plan.

The proposed expansion of 24 duplexes providing 48 dwelling units on the 15 acre lot was presented by RCM Architects and Mennonite Home Communities. The existing “Green House Development” would remain. Not all units would be constructed at once, they would begin with (5) structures, then expand as need determined. The current detention basin would be changed to a wet detention pond. They would like to start development of the land and detention pond along with construction of the first five units in 2026, finishing in 2027. See attached for the proposed plan.

Village would require easements for access to utilities. Jesse presented an outline for the “... Plan

Bluffton Planning Commission

Review Process" (attached). This plan was discussed as well as timeline. Some topics of discussion were:

- Timing, the need to get the zoning passed as quickly as possible (Emergency)
- Connectivity (Required/Not)
- Private Drive, will it be built to proper street design? Assured will not be sub-standard.

Parks & Rec - Minutes
Village of Bluffton
Town Hall
August 17th, 2026

Present: Council - Ben Stahl, Tom Downey
Admin - Jesse Blackburn
Public - Bluffton Pickleball Community Rep Larry Hoffman

Start: 7:00 End: 8:10
Topics: Pickleball Update

Minutes:

- Funding
 - The committee and pickleball rep discussed funding options and the details of how NatureWorks grants work. The maximum award amount we had discussed previously is per county and determined by population, not per request. That leaves a funding gap that will need to be closed through grants with other entities, sponsorships, and community fundraising through SeeMyLegacy.
 - Action items: Jesse to authorize Larry as a SeeMyLegacy partner, Ben to provide Larry with historical sponsorship agreements on similar P&R projects.
- Land transfer
 - The Bluffton YMCA has completed their portion of the agreement. The Village needs an update from ChoiceOne on land survey work to proceed with the transfer.
 - We might need to pay for an appraisal to recognize the donation value if we want to use it as a fundraising match.

Discussion Items:

- **Neighboring Economic Development Teams:** A meeting was set up to discuss opportunities for funding and growth of Bluffton in partnership with Findlay-Hancock County Economic Development (FHC-ED), Allen Economic Development Group (AEDG), and the Greater Lima Region (GLR).

The goal was to see what resources or tools we have available to us through the partnership with these entities. Items discussed included:

- TIF – Tax Increment Financing, used to fund projects like roadways. Has pros and cons, but most directly, school system would be affected.
- CRA – Community Reinvestment ???
- US Economic Development – Challenging and competitive, competing with all 50 states for funding.
- PILOT – Payment In Lieu of Taxes
- RED – Residential Economic Development Grant
- ODOD – Ohio Department of Development Revolving Loans
- Tax Abatements - Have been given a bad name, but a very useful tool for reducing up-front costs of projects.

Question for the Village:

- What type of residential/housing expansion (Single, Apartments, Townhouse, Loft, Condo)?
 - What would be the desired price-point for residential?
 - What type of industry or commercial development would we like to see?
 - Where would we like to see residential development? Show on map (Blue).
 - Where would we like to see industrial development? Show on map (Red).

ORDINANCE NO. 04-2026

AN ORDINANCE AMENDING ORDINANCE NO. 03-2023 ESTABLISHING A PROCEDURE FOR THE RIGHT OF RE-ENTRY AND RECLAMATION OF UNUSED CEMETERY LOTS AND INTERMENT RIGHTS AT MAPLE GROVE CEMETERY IN BLUFFTON, OHIO

WHEREAS, the Village of Bluffton owns and maintains Maple Grove Cemetery and is responsible for the administration, maintenance, and orderly use of cemetery lots and interment rights within the Cemetery; and

WHEREAS, records of Maple Grove Cemetery indicate that certain cemetery lots and interment rights were conveyed many years ago, remain unused, and may be associated with owners or heirs who can no longer readily be located; and

WHEREAS, Ohio Revised Code Section 517.073 establishes procedures applicable to township cemeteries for the reentry and reclamation of certain unused cemetery lots and interment rights, including notice to owners and heirs and opportunities for owners to retain their interests or receive compensation; and

WHEREAS, Village Council desires to establish a procedure for the Village-owned Maple Grove Cemetery consistent with the notice, due process, and compensation protections established by Ohio Revised Code Section 517.073, to the extent applicable to a municipal cemetery; and

WHEREAS, Council finds that establishing such a procedure will assist the Village in maintaining accurate cemetery records, identifying available burial space, and providing for the orderly administration and long-term operation of Maple Grove Cemetery.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF BLUFFTON, OHIO:

Section 1: The Village of Bluffton hereby establishes a procedure for the right of reentry and reclamation of unused cemetery lots and interment rights within Maple Grove Cemetery consistent with the procedures and protections established under Ohio Revised Code Section 517.073, to the extent applicable.

Section 2: For purposes of this Ordinance, the Village may initiate the reentry procedure for an unused cemetery lot for which the terms of sale or deed were executed before July 24, 1986, or an unused entombment, mausoleum, columbarium, or other interment right for which the terms of sale or deed were executed before September 29, 2015.

Before initiating the reentry procedure, the Village Administrator or the Administrator's designee shall determine from available cemetery records that the lot or interment right is unused and shall make reasonable efforts to identify the last known owner, the owner's last known address, and, when reasonably ascertainable, the owner's heirs or successors in interest.

Section 3: At least one hundred eighty (180) days before the Village exercises a right of reentry, the Village shall provide notice of its intent to reclaim the unused lot or interment right.

Notice shall be published on the Village's official website and shall be sent by certified mail to the last known owner at the owner's last known address. The notice shall identify the cemetery lot or interment right and advise the owner that the owner's interest may cease unless the owner or an heir responds by the date specified in the notice.

If the owner's address is unknown and cannot reasonably be obtained, the Village shall provide public notice in a manner authorized by applicable Ohio law, including publication in the print or digital edition of a newspaper of general circulation in the county or through another legally authorized public-notice method.

Section 4: If the owner or an owner's heir responds within the required notice period and establishes an ownership interest in the unused lot or interment right, the Village shall offer the owner the following options:

1. Continue the owner's existing interest in the cemetery lot or interment right;
2. Receive compensation equal to eighty percent (80%) of the original purchase price of the lot or interment right;
3. Receive another available cemetery lot or interment right, as applicable, at no additional cost.

Nothing contained herein shall prohibit the Village and an owner from mutually agreeing at any time to the repurchase of an unused cemetery lot or interment right at a mutually agreed-upon price.

Section 5: Upon expiration of the required one hundred eighty (180) day notice period, no cemetery lot or interment right shall automatically revert to the Village.

For each lot or interment right proposed for reclamation, Village Council shall adopt a separate resolution determining that:

- (a) the cemetery lot or interment right is unused;
- (b) the notice requirements established by this Ordinance and applicable Ohio law have been satisfied;
- (c) the owner or owner's heir failed to respond within the required period, or the owner elected to receive compensation or another available lot or interment right; and
- (d) the Village hereby exercises its right of reentry and reclaims its interest in the identified cemetery lot or interment right.

Upon adoption of such resolution, the Village shall update the official records of Maple Grove Cemetery to reflect the reclaimed status of the lot or interment right.

Section 6: The Village Administrator, Cemetery Sexton, Fiscal Officer, and other appropriate Village officials are hereby authorized and directed to establish administrative forms, notices, records, and procedures necessary to implement this Ordinance and to maintain documentation demonstrating compliance with the required notice and reentry procedures.

Section 7: Any cemetery lot or interment right reclaimed pursuant to this Ordinance may thereafter be made available by the Village for future cemetery use in accordance with the rules, regulations, and fee schedules applicable to Maple Grove Cemetery.

Section 8: Nothing in this Ordinance shall authorize the disturbance, disinterment, relocation, or reclamation of any cemetery lot or portion thereof containing human remains. Nothing herein shall impair any legally established burial or interment right except in accordance with applicable Ohio law.

Section 9: That it is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were conducted in meetings open to the public, in compliance with Section 121.22 of the Ohio Revised Code.

Attorney General Andy Wilson's Statement on Storm-Related Scams

(COLUMBUS, Ohio) — Ohio Attorney General Andy Wilson issued the following statement cautioning consumers to be on the lookout for storm-related scams:

“In times of disaster, Ohioans have plenty to worry about. They don’t need fraudsters trying to capitalize on their misfortune. Those who do will be held accountable.”

Storms across Ohio in recent days have brought high winds and several inches of rain, causing flooding and damage to residences and property. These storms may create a vulnerable time for Ohioans in need of home-repair contractors.

The Attorney General’s Consumer Protection Section publishes [this guide](#) to help Ohioans avoid storm-related scams.
