Commonly Asked Questions

If I have a wedding at The Beaumont, when will I have access?

Your main ballroom rental will include access to the property from 8:00am until midnight. Your ceremony and reception can take place at any time, but must be approved by the event manager.

How big is The Beaumont reception space?

The ballroom space is over 6,000 square foot, with a covered patio running the entire length of the building overlooking an open field & a beautiful 18-hole golf course. Floor plans are versatile, with guest seating for up to 500 guests.

If I have a ceremony at The Beaumont, where will it be held?

Our back patio is a great ceremony location! If you have your ceremony with us, the full setup and cleanup of seating is done by our staff. We ask that artificial flowers are not thrown for the ceremony.

What is included in the rental price?

Setup and cleanup of the layout of your choice, including chairs, tables & linens. You will also have use of the bridal dressing suite, the children's room with private restroom, and the entire outdoor patio & green space...and so much more! We strive to make your day as stress-free as possible so you and your loved ones can enjoy every bit of the celebration without the headache of setup and cleanup!

Do you have a full service bar?

Yes! We have a fully stocked bar with a large variety of beer, liquor & wine. Bartenders are included in your venue rental.

Can I bring in my own decorations?

Yes, you can get as creative as you like! However, tape, staples, or other damaging adhesives may NOT be used on the walls, ceiling or floor. We do not provide any additional decor other than linen tablecloths, linen napkins, and place settings. For anything that will require using a ladder, we require a decorator that has their own workers comp insurance in place.

Can I hire any DJ service for my event?

We allow any DJ service that has a general business license and is insured. We strongly recommend using our partner, Edifying Entertainment, because they have use of our extensive, high-end sound and lighting system that is installed in the event space. You can check them out on instagram @edifyingentertainment or via email at davis@edifyingentertainment.com.

Can an outside caterer be used for our meal?

No. All meal catering must be done with our in-house catering services. However, for cakes and dessert, you are welcome to use a bakery of your choice. We do not provide cake-cutting service or cake/dessert plates, so make sure to have those plans in place.

THANK YOU SO MUCH

We consider ourselves the luckiest people in the world to be a part of our clients love stories. We would love to connect and learn all about you and your event and help build a custom event package, perfectly tailored to your wants and needs. We can't wait to start working with you!
