## CEO Report ~ JULY 2025

*"The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance."* ~ 2 Peter 3:9

We are thrilled to share some exciting news with all of you—Eben Ezer has received a \$1.6 million gift to support the purchase of the Fort Morgan Harmony Home assisted living building! This incredibly generous contribution reflects the deep trust and confidence Alan and Polli Dahms have in the Eben Ezer community and the work that is done each day to serve and care for the neighbors.

This gift is designated specifically for a major asset or project—in this case, the acquisition of the new building.

Eben Ezer hosted an open house to show the new kitchen that has been remodeled at the Fort Morgan building and recognize and announce this very generous gift from Alan and Polli. This will also be the unveiling of the new name, Dahms-Talton Legacy Living, for the Fort Morgan community.

Please join me in celebrating this remarkable moment for our organization. This gift is a powerful reminder of the value we all see in our mission—and the trust others have placed in the Eben Ezer organization and the team.

Eben Ezer is also beginning an important process to review and refresh our mission, vision, values, and purpose statement. It has been quite a few years since this has been done, and with the many changes, it warrants our time to ensure these guiding principles are still relevant.

These guiding principles shape who we are as an organization, what we do, and how we serve—and your voice is a vital part of this effort. Please take a few minutes to complete this brief survey and share your perspective:

Your valuable input will help ensure our organization truly reflects our shared commitment and direction.  
Thank you

~ Shelly
