We're Almost There – Thank You for Supporting Comfort & Cozy

We launched our Comfort & Cozy Appeal in the fall of 2025 with a simple goal: to refresh the common area furniture in all the Eben Ezer communities so our neighbors can enjoy spaces that truly feel like home.

Thanks to the incredible generosity of friends of Eben Ezer like you, the response over the past six months has been inspiring. Because of your support, we have raised enough to purchase living room recliners;

dining tables with chairs and sofas.

We are so close to reaching our overall goal – just a little more will carry us across the finish line and allow us to complete this important update for our residents.

Thank you for standing with Eben Ezer, whether through a gift in 2025 or your faithful support in years past. Your generosity makes a meaningful difference, and we are deeply grateful for you.

THANKS FOR YOUR SUPPORT

Eben Ezer is deeply grateful for the generous and ongoing support of the ***Joslin-Needham Family Foundation and the Jack Petteys Memorial Foundation***, administered by the ***Farmers State Bank of Brush***. As a not-for-profit organization, Eben Ezer regularly looks beyond its own resources to meet critical capital needs. The support of these Foundations helps turn those needs into reality and ensures a high quality of life for the individuals who call the Eben Ezer communities home.

This year, the Foundations provided funding to support new carpeting and kitchen renovations at Dahm-Talton Legacy Living in Fort Morgan. Funds were also used to replace the outdated and inadequate paging system on the Brush campus, as well as to purchase new equipment for the main kitchen in Brush. Eben Ezer is grateful for the Foundations' continued and generous support.

Alan & Polli Dahms

THANK YOU

A GENERATIONALLY TRANSFORMATIVE GIFT TO PURCHASE THE DAHMS-TALTON LEGACY LIVING

A generous and transformative gift from Alan & Pollard Dahms, has ensured the future of assisted living care in Fort Morgan. The couple's significant contribution supported the acquisition of The Harmony Home in Ft. Morgan, now called the Dahms-Talton Legacy Living.

"Alan and Polli's support not only preserves a vital service for families in this area—it honors a legacy of giving that will be felt for generations to come, stated Shelly Griffith, CEO of Eben Ezer."

Alan and Polli, along with their foundation, The Dahms-Talton Foundation, has been a longstanding supporter of senior services, education and other social supportive organizations throughout Morgan County. The Dahms-Talton family set up the foundation to honor both of their families. This latest gift aligns with the foundation's focus to strengthen rural communities and ensure dignity and quality of life for older adults.
