Trustees' Annual Report

Year ended 30 November 2024

Objectives and Activities

The principle objective of the Trust is providing opportunities for young people, through the "Excelsior Experience", to achieve personal development. In order to achieve this the Trust maintains and manages the Lowestoft Smack Excelsior, LT 472, a vessel of National Maritime Heritage significance. Since 1990, Excelsior has taken approximately 11,000 young people to sea. The Trust also owns the Excelsior Yard which provides income through tenancies and serves as a base for Excelsior. The Trust continues to review its objectives to ensure it makes a valid contribution to society. Through necessity, fundraising is always a key activity.

Public benefit

The Trustees have taken due regard to the guidance published by the Charity Commissioners on Public Benefit and consider that Excelsior's sail training activities fulfilled the Public Benefit test.

Achievements and performance

Excelsior was proud to be invited to be the first vessel to sail under Lowestoft's new Gull Wing Bridge at its official opening by our Patron, Her Royal Highness The Princess Anne. A resounding three cheers for HRH could be heard up on the bridge as the boat passed through and was seen by hundred of spectators gathered for the occasion. Her Royal Highness remains an enthusiastic and interested supporter of the work of our Trust since she commissioned Excelsior in 1988 and becoming our Royal Patron in 2020.

In a groundbreaking moment for UK maritime heritage, the Excelsior Trust was awarded the prestigious Sultan Qaboos Trophy for Outstanding Services to Sail Training for Young People—the first time a UK sail training charity has earned this accolade. The award was presented at the Sail Training International (STI) awards ceremony held in Northern Spain in November and was proudly accepted by the Trust's skipper, Charlotte Hathaway.

Excelsior also had award winners at the East Anglian Maritime Awards for Norfolk. Debbie Carter (Young at Heart category), Gabriel Thornton (Proficiency Afloat), Louis Broughton (Proficiency Afloat) and Harry Morfitt (Proficiency Ashore). These awards were well deserved after a fantastic summer at sea. EAMA was launched with the aim of encouraging more young people into the industry across Suffolk, Essex and Norfolk.

Excelsior had an outstanding year with a full and varied season including an Artists Residency in the North Atlantic Islands sponsored by Mark Cator and The Ranworth Trust and participation in all the legs of this year's International Tall Ships Races in the Baltic.

During the year a substantial investment was made in raising the MCA rating of Excelsior to a Category 0, as a result we are now be able to sail without any area restrictions.

2024 has also been a great success for the Excelsior yard following its repossession in 2023. All three workshops were leased, the classroom has been completely refurbished and is awaiting a new tenant, and building up the skillset within Excelsior Yard has allowed the start of replacing the cradles of Slip No.1 to increase the number of customers whose boats can be slipped for repairs and surveys.

Additionally, we started a successful relationship with a new local charity Barge No9. Their goal is to rebuild an historical steel barge, providing meeting and volunteering places for local disadvantaged adults. Our Trust provided facilities to repair, repaint and certify the hull last summer and moorings to refit the interiors to the required standard in their plans. All the works are planned to be finished by the end of 2005.

Our small marina got a new decking, electrical upgrade and extra lighting, providing improved facilities to boat owners who moor their vessels there. Since the beginning of the summer, our pontoons have been fully occupied which gave us the opportunity to create a small, family-friendly community of happy boat owners.

Trustees' Annual Report

Year ended 30 November 2024

Financial review

The Trust had net income for the year of £11,525 (2023: net expenditure £55,782) as shown on page 6 of the

Reserves policy

As at 30 November 2024 the charity had no free reserves. Unrestricted net current liabilities exceeded current assets by £42,412 (2023: unrestricted current liabilities exceeded current assets by £39,726). As at 30 November 2024 restricted funds of £53,673 (2023: £53,785) were held. The trustees are working to improve the current net liabilities position by maximizing the income potential of the yard plus working on various grant applications to both assist in improving the yard and our financial resilience following the impact of the pandemic and other global economic factors. The Trust continues to be indebted to the overwhelming generosity of many charitable donors, without which the Trust could not survive.

Plans for the future

The Trust and its employees' have worked extremely hard on putting in place and delivering a full and successful 2024 sailing season. We look to continue this into 2025 and will be taking part in the Tall Ships Races again (sailing from Le Havre to Dunkirk, to Aberdeen, to Kristiansand, to Esbjerg). Plus some exciting adventures also open to adults and looking to extend activities at Excelsior's Yard.

The Trust has worked hard to correct the trading position, the difficult financial situation of prior years, both macro and micro, has cost our financial reserves and fundraising continues to be an essential component. The Trust are extremely grateful to the ccontinued generosity of our donors and volunteers who so willingly continue to go the extra mile for the Trust.

Going concern

The accounts have been prepared on a going concern basis as although the trustees recognise that the Trust is reliant on grant income to help meet their operational costs, they are confident that planned fundraising activities together with investment in sales and marketing activities will be sufficient to generate funds to meet those needs in the next 12 months.

Structure, Governance and Management

Governing Documents

The Excelsior Trust is a company limited by guarantee governed by its Memorandum and Articles of Association. The company operates as a charitable trust registered with the Charity Commission.

Recruitment, Appointment and Training of Trustees

The number of trustees shall be not less than three nor more than twelve in number. The trustees, in accordance with the Articles of Association, may appoint any member of the trust as a trustee provided that the prescribed maximum is not exceeded.

Trustees shall be persons who through occupation, employment or otherwise have special knowledge of the area of benefit or who are otherwise able, by virtue of their personal or professional qualifications, to make a contribution to the pursuit of the objects of the charity.

All new trustees will be provided with:

- · The governing document of the charity
- · The latest financial statements of the charity
- Details of Charity Commission guidance: "The Essential Trustee: What you need to know, what you need to do."

The Trustees during the year are listed on page 1. In accordance with the Articles of Association J Campbell, J D H Irving and G Skews will retire by rotation and, being eligible, will offer themselves for re-election.

The trustees are directors within the meaning of the Companies Act 2006.

Risk Management

The major risks to which the Trust is exposed, as identified by the Trustees, have been reviewed and actions have been taken to mitigate these risks.

Organisational Structure

The Council of Management is responsible for the management of the Trust's activities and holds regular meetings. The Trustees form the Council of Management, together with additional members who are not trustees.

Related Parties

The Trust owns the whole of the share capital in Excelsior Trading Limited which was formed to carry out the trading operation of the slip at Prior's Yard. The company has been dormant for many years.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent examiner

A resolution to reappoint Mark Proctor FCA DChA as independent examiner for the ensuing year, will be proposed at the Annual General Meeting.

Signed on behalf of the Trustees on 22 August 2025.

Independent Examiner's Report

Year ended 30 November 2024

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 November 2024 which are set out on pages 5 to 15.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

During my examination I have considered the adequacy of the disclosure in note 2(m) to the financial statements concerning the charity's ability to continue as a going concern. The results for the year ended 30 November 2024 indicate a need for the charity to continue to receive financial support through grants, which the Trustees are actively applying for.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ended 30 November 2024 the charitable company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Trustees' responsibilities:

- The members have not required the charitable company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

These financial statements were approved by the board of trustees and authorised for issue on 22 August 2025 and are signed on behalf of the board by:

Janic Campbell

Notes to the Accounts

Year ended 30 November 2024

1 General information

The Charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales.

The address of the registered office is Excelsior Yard, Harbour Road, Oulton Broad, Lowestoft, Suffolk, NR32 3LY.

2 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding period.

(a) Basis of accounting

The accounts have been prepared on a going concern basis under historical cost convention, as modified to include investment assets at fair value, in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and the Companies Act 2006.

The charity constitutes a public benefit entity as defined by FRS 102.

(b) Fund accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- Restricted funds are subject to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Income

All income is included in the Statement of Financial Activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular sources of income:

- Income received by way of grants, donations, legacies and gifts is included in full in the Statement
 of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery
 of a specific performance by the charity, are recognised when the charity becomes unconditionally
 entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified.
 The value of services provided by volunteers has not been included in these accounts.
- Income from charitable activities is accounted for when earned.
- Investment income is included when receivable.
- Charter income is included in the year in which the charter is undertaken.
- Income from grants, where related to performance and specific deliverables, is accounted for as the charity earns the right to consideration by its performance.

Notes to the Accounts

Year ended 30 November 2024

2 Accounting policies continued

(d) Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT which cannot be recovered, and is reported as part of the expenditure to which it relates:

- Raising funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements
 of the Charity and include the independent examination fees and costs linked to the strategic management of
 the Charity.
- All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis
 designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others
 are apportioned on an appropriate basis.

(e) Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

(f) Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life. The annual depreciation rates are:

Yard r

Equipment 25% reducing balance
 Vessel Straight line over 25 years

(g) Heritage assets

The trust holds heritage assets, which are tangible fixed assets of historical, artistic or scientific importance held to advance preservation and conservation objectives of the trust.

Depreciation on heritage assets is calculated to write off the cost or valuation, less estimated residual value, of each asset by equal annual instalments over its expected useful economic life as follows:

Vessel - Estralita Book value reduced to £1
 Vessel - City of Edinboro Book value reduced to £1

Shrimper Horace and Hannah Nil
 Restored vessel - Excelsior Nil

(h) Consolidation

As the trust's wholly owned subsidiary was dormant throughout the year consolidated accounts have not been prepared and note 12 provides adequate details relating to the nature of the subsidiary.

(i) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

(j) Debtors and creditors payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(k) Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less.

Notes to the Accounts

Year ended 30 November 2024

2 Accounting policies continued

(I) Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowances for obsolete and slow moving items.

(m) Going concern

The accounts have been prepared on a going concern basis as although the trustees recognise that the Trust is reliant on grant income to help meet their operational costs, they are confident that planned fundraising activities together with investment in sales and marketing activities will be sufficient to generate funds to meet those needs in the next 12 months.

Revaluation reserve

Relates to the valuation of the sail training vessel "Excelsior" by naval architects Crawford Maritime (Projects) Limited in November 1991.

A further revaluation of the vessel conducted by E Hugh Lamb C.Eng., M.I.MarE, M.R.I.N.A in April 2000 attached a value to the vessel of £185,000. The trustees considered it prudent therefore to restate the vessel at the original valuation of £175,000 with the accumulated depreciation to date returned to the general funds. This was carried out in the financial statements for the year ended 30 November 1999.

The trustees consider that the economic cost of utilising the asset is already reflected in the Statement of Financial Activities and see no reason to provide for depreciation. The trustee intend to maintain a policy of five year revaluation with regular consideration given to the value of the vessel and the need for impairment reviews. As at 30 November 2024 the valuation was considered to be unchanged.
