Credit Policy

It is our purpose to provide quality service and merchandise to those families that we serve and to be fair in conducting all business transactions. Our standard policy is to request payment in full at the arrangement conference. The following credit guidelines have been established in order that there be no misunderstandings. If you or your family have a special need or situation, please let us know in advance and we will be glad to discuss alternative arrangements.

1. **Acceptable payment methods are: Cash, Check, Money Order, Insurance Assignment, Credit Card, or a combination of these methods.** An insurance assignment will be acceptable only upon verification that the insurance policy or policies are in force and must be signed by the listed beneficiary or beneficiaries.
2. **Stanley Funeral Home and Crematory uses Cincinnati Equitable Life Insurance Company a third-party company to pay all insurance claims.** There will be a charge of 3% of the total funeral bill added to the funeral bill to collect the terms of the contract. Cincinnati Equitable Life Insurance will file your family's insurance and pay the funeral home within 24 Hours.
3. **Any account showing a balance after 30 days from the date of the contract and in which there are no assigned insurance funds pending will be considered past due.**
4. **Each past due account will begin accruing interest on the thirty first (31st) day past the date of the contract.** Interest will accrue at the rate of one- and one-half percent (1.5%) per month, eighteen percent (18%) annually, on the unpaid balance. Any legal and/or collection fees incurred by Stanley Funeral Home and Crematory will be added to the account balance
5. **Credit Card:** There will be a 3.5% Processing fee for using a credit card. There is no fee for using a debit card.

*** * * NOTE * * ***

If you have a special situation or a financial hardship, please discuss this with the funeral director so that alternative arrangements may be made prior to the arrangement conference. If you wish to avoid interest and/ or know that you cannot make full payment within thirty (30) days, it is recommended that an alternative financing source such as a bank or credit union be considered so that a loan may be obtained, and monthly payments may be made to that Financial Institution.
