Thank you for your interest in applying to Bethel Baptist School as an International Student. Bethel is a Christian **college-prep school** in which all subjects are taught in English (except foreign languages). AP (Advanced Placement) classes are available for qualified students. While English Enhancement courses are offered, students must have English proficiency to be accepted due to our demanding curriculum. English must be spoken on campus and at school events.

Bethel seeks to maintain an orderly **Christian atmosphere** to promote student learning and campus unity. All students will experience Bible classes and learn how the teachings of Jesus have helped shape the history and development of the United States.

Students may participate in **sports and extracurricular activities**, including: CIF sports (including basketball, volleyball, badminton, & soccer), ASB (student government), Red Cross Club, educational trips, competitions, and regular on-campus social activities.

To apply, simply download the appropriate forms, complete the **Application Checklist**, and email to i20@bethelwarriors.org.
