

A scenic photograph of a red train, likely a Swiss Red train, crossing a large, multi-arched stone bridge. The bridge spans a deep, rocky valley. The background features a dense forest of tall evergreen trees and a small town with houses nestled in a valley. The overall scene is a classic representation of Swiss alpine beauty.

SAMPLE TOURS

WHY WORK WITH ME

Hi, I'm Laura! I specialize in private rail journeys designed for overseas travelers. My tours offer a deeper, more personal way to experience Switzerland's landscapes, history, and culture. From quiet alpine towns to breathtaking train routes through the Swiss Alps, you'll enjoy a day that feels authentic, relaxed, and full of beauty.

WHAT MAKES MY TOURS DIFFERENT?

- Designed for high standards: great service, flexibility, and clear communication
- Led personally by me, a local expert with a foot in both cultures
- Fully private, customizable rail-based day tours
- Insider routes that highlight hidden gems
- Feels like exploring Switzerland with a knowledgeable friend
- Focus on sustainability: scenic rail, local partners, and low-impact experiences

SUSTAINABILITY AT THE HEART OF EVERY TOUR

Rail-First Travel

Scenic, low-impact journeys using Switzerland's world-class train network.

Local Partnerships

I support independent restaurants and shops, keeping tourism income in the communities we visit.

Low-Footprint Design

Walkable routes and mindful pacing reduce environmental impact without compromising comfort.

A red Swiss train, likely a Re 4/4 II, is shown crossing a large, multi-arched stone bridge. The bridge spans a deep, rocky valley. The train is moving from left to right. In the background, a dense forest of tall evergreen trees is visible, and a small town with houses and buildings can be seen in the distance. The overall scene is a classic representation of Swiss alpine rail travel.
