**KEEPING THE MITZVOT OF THE SEVEN WEEK COUNT**

**2026 – THE COUNT OF THE OMER - SEFIRAT HAOMER**

**Vayikra (Leviticus) 23:9-21 From Bikkurim to Shavu'ot**

This period of fifty days is an opportunity to reflect on all YHVH has done for us in preparing us for the task he has set before us. During these next fifty days, let's read through the narrative in the four Gospels on how Yeshua walked with talmidim before his final ascent. Then we reflect on the words Psalm 119 twice over, letting the psalmist help us find our place before YHVH, as the God of the universe. Then, on the fiftieth day at the end of the Count comes Shavu'ot, a day set aside for praise and worship, as we once again celebrate both the receiving of God's Torah and our freedom in Yeshua HaMashiach, who gave us individually a portion of his Ruach HaKodesh.
