+Expenses: All fees are subject to additional charges when unusual conditions or unique circumstances arise that necessitate additional staff time or other expenses. Fees are based on reasonable and customary charges for each service. Additional expenses may include outside consultants, LCRC labor and equipment above and beyond customary charges for a service. A list of hourly charges for LCRC personnel and equipment will be furnished upon request. Such charges are subject to change without prior notice and reflect necessary and actual costs for services.

+Oxcart fees: Fees levied on Oxcart applicants for Michigan county road commission permits.

\*\*During times of seasonal weight restrictions (Michigan Motor Vehicle Code Act 300, 257.722) and at any time when conditions are unfavorable, a permit will not be issued for oversize and/or overweight loads. Transportation permits issued on an annual basis will not be valid when seasonal restrictions are in place. LCRC reserves the right to refuse to issue transportation permits when conditions exist that the vehicle or load may damage the roadway.
