WELCOME & THANK YOU

Welcome to Capital City Comic Con in Lansing, Michigan! Please join us in thanking this year's title sponsor, LAFCU, for helping bring this event to the community. We are thrilled to have you along for an exciting weekend celebrating the best in comics, cosplay, gaming, sci-fi, fantasy, anime and pop culture. Whether you're a longtime fan or a first-time visitor, you're part of a vibrant community that brings imagination to life and makes this event truly special.

Like every year, our convention is packed with incredible guests, artists, vendors, panels, and fan experiences. From cosplay contests to exclusive merchandise and creator meet-and-greets, there's something here for everyone. We encourage you to explore Artist Alley, connect with fellow fans, and take part in the fun activities scheduled throughout the weekend. Don't forget to stop by our gaming zones and after parties - you never know who you might run into!

Lansing is proud to host Capital City Comic Con, and we're especially excited to spotlight the amazing local clubs, charities and businesses that make our community unique. Be sure to visit booths hosted by fan groups, nonprofit organizations and business sponsors that work year-round to support creativity, education, and outreach throughout the region. From local cosplay groups raising funds for children's hospitals to comic book clubs promoting literacy, your participation helps support causes that matter — and gives you a chance to connect with fellow fans who are making a real difference.

When the exhibit hall closes, the fun doesn't stop! Join us for our VIP ticket after-hours events, our open Game Room Friday and Saturday until midnight, or evening panel programming. These evening gatherings are a great way to unwind, celebrate your fandom, and participate within the community.

We hope you'll make great memories, support independent creators, discover something new, and most of all, have fun! Be kind to one another, respect your fellow fans, and help us continue building a convention and community where everyone feels welcome.

COMMUNITY & CHARITY

Capital City Comic Con is proud to support and highlight various charities and community organizations that make a positive impact. This year, we are hosting booths and events featuring local and national charities that promote literacy, support children's hospitals, and provide resources for underprivileged communities. Attendees will have the opportunity to learn about these causes, participate in charity auctions, and donate to make a difference. We believe in the power of our community to come together, not just for the love of comics and pop culture, but also to support and uplift those in need. Your participation helps make this event not just a celebration of fandom, but also a force for good in the community.

Here are a few of the great charities and non-profit groups we are hosting that could use your support:

- 501st Star Wars Midwest Garrison (Make-a-wish)

ART SCHOLARSHIP

Capital City Comic Con established this scholarship in 2016 to encourage the study of comic art. It is currently offered exclusively to current students at Michigan State University enrolled in the Comic Art Minor. One scholarship is awarded based on artistic merit of original artwork submissions as determined by a comprehensive jury. The scholarship is now being funded by our Drink & Draw event, where artist guests and exhibitors create unique pieces that are put up for auction. This year's auction will be on Sunday at the convention in the vendor hall, which means the scholarship comes directly from YOU, the comic art fans!

The winner of the scholarship receives \$1,000 and a commission to create a piece of artwork to be used for promotions and our program book cover.

Prints of previous winners' artwork are available for purchase at our convention merch booth, while supplies last (Each print is a limited edition). This year's poster print is also available at winner Toby Morton's booth, #1803 in Artist Alley.

- 2016 Winner: Grace Fish
- 2017 Winner: Christy Hans
- 2018 Winner: Mary Mitchell
- 2019 Winner: Lora Root
- 2020 Winner: Toni Davis (Cover of 2022 Program Book)
- 2023 Winner: Shreya Balla (Cover of 2024 Program Book)
- 2024 Winner: Caitlin Houting (Cover of 2025 Program Book)
- 2025 Winner: Toby Morton (Cover of this year's 2026 Program Book)

Toby Morton is a student at Michigan State University majoring in environmental biology/zoology with a minor in comic art and graphic novels. He's passionate about drawing, cartoons, comics, animals, and ecology. University work usually takes up most of his time, but at the next given chance he's hunched over his drawing tablet furiously scribbling away. There are entire worlds living inside of that head of his, which he's still on a quest to fully explore. He primarily makes comics and illustrations with a focus on high stakes fantasy stories, although comedic slice of life is not without its charms.

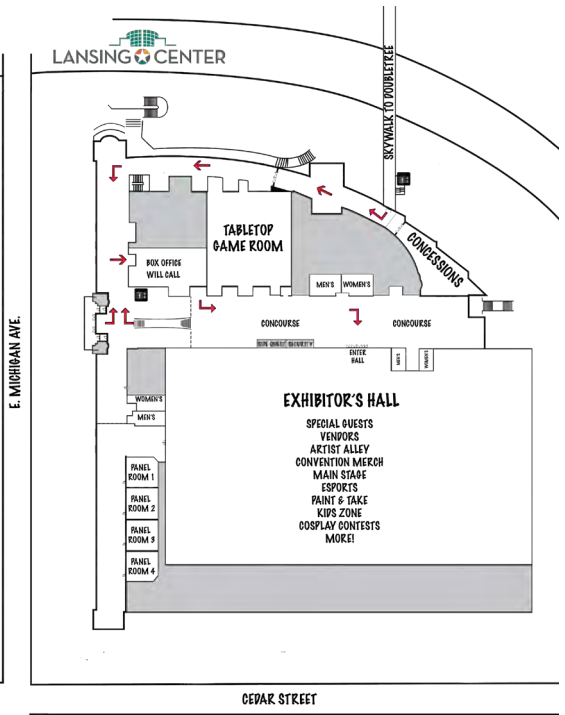

Visit Toby at booth #1803 to get your limited edition art print! (Also available at our merchandise booth.)

Behavior

- Respect others' personal space, i.e., no touching of any kind or aggressive behavior

Competition Break Downs

Friday's competition is open to all costumes regardless of handcrafted status, and is open to any age. For Friday, you will select the categories that you best fit into on the registration form, with categories as follows - engineering, sewing/needlework, stage presence, novice (18+ age range or 17 & under age range - must have not won at a cosplay contest previously), eco-conscious (must be at least 65% upcycled, recycled, or thrifted), wig styling, or SFX makeup and/or painting/finishing.

Saturday's Craftsmanship Competition is open to two age ranges - 13-17 years old (teens), and 18+ (adults). Kids 12 and under will have an opportunity to parade on stage during the judging intermission. Ages eligibility is determined by the age of the contestant on the day of the competition. For the adults, three categories are offered - Novice (has won 0-1 times at a cosplay competition), Journeyman's (has won 2-4 times at a cosplay competition), and Masters (has won 5+ times at a cosplay competition, has served as a cosplay guest at other events, or works at a mastery level in a related field). Each category has the following requirements - Novice must be at least 50% handmade, heavily altered, or kit bashed, Journeyman must be at least 60% handmade, heavily altered, or kit bashed, and masters must be at least 70% handmade, heavily altered, or kit bashed. Judges retain the right to move a contestant up a category if they feel it is necessary. Inaccurately reporting skills status (novice, journeyman, and masters), and degree of handmade will result in disqualification from the competition, and may affect the contestant's ability to enter in future competitions at Capital City Comic Con.

Sunday's Kids Cosplay Competition is open to kids 12 and under. There are three age ranges - 0-5, 6-9, and 10-12. Age category is determined by the age of the contestant on the day of the competition.

We thank you in advance for following our cosplay guidelines, and ensuring a fun event for all! Please feel free to ask staff or volunteers for clarification and allowability of your costume if you feel you may be breaking one of the rules.
