

One Supplier. Everything Your Building Runs On.

Cleaning and maintenance products for facilities across Northern Ontario- stocked locally, delivered on schedule, and backed by people who actually answer the phone.

Most facilities order paper from one supplier, chemicals from another, and equipment parts from whoever's fastest. That's three invoices, three delivery schedules, and three chances to run short. **Reliable Maintenance Products consolidates all of it into one relationship-** with a company that has served this region since the early 1950s.

WHY FACILITIES BUY FROM US

LOCAL

Stock held here, not three provinces away.

Our inventory sits in Northern Ontario, which means short lead times and a real answer when something is urgent. You are not waiting on a national distribution centre to decide your region is worth a truck.

RELIABLE

Seventy years under the same family.

The Reliable Group has been family-owned and operated since the early 1950s. Same company, same region, same standards- consistency you can build a supply schedule and a budget around.

MADE IN CANADA

We don't just source it. We make it.

We manufacture our own line of cleaning products right here in Northern Ontario. What we don't make, we source Canadian wherever we can- which means less exposure to border delays, currency swings, and the pricing surprises that come with them.

KNOWLEDGEABLE

Advice, not just order-taking.

Our sister division cleans facilities every day. So when you ask which finish suits your floor or why a coat is lifting, you get an answer from people who have done the work- not a catalogue number.

WHAT WE SUPPLY

- ✓ Washroom paper, soap, and dispensers
- ✓ Cleaning chemicals for floors, surfaces, and washrooms
- ✓ Floor care: finish, stripper, neutralizer, pads
- ✓ Gloves, safety, and personal protective equipment
- ✓ Liners and everyday consumables
- ✓ Entrance matting and walk-off systems
- ✓ Ice melt and winter maintenance products
- ✓ Equipment, parts, and service support

DELIVERING ACROSS

Greater Sudbury · Timmins · Sault Ste. Marie · North Bay · Barrie

Send us your current order list.

We'll tell you exactly what we can cover, where we can consolidate, and what it would cost. No obligation, and no pressure to switch everything at once- most customers start with one category and expand from there.
