

LEAD EXPERTS

A Lead Hazard Training Provider

GRANT ELIGIBILITY INSTRUCTIONS

You have requested training using State of Ohio Lead Grant funds. Signed into law by Governor Mike DeWine on Jan. 6, 2023, House Bill 45 provides \$150 million to be used in coordination with the Ohio Department of Health (ODH) for an American Rescue Plan Act (ARPA) Lead Poisoning Prevention and Mitigation Program. The purpose of the Training Grant Program for Lead Accreditation is to expand the lead workforce in Ohio by offering frequent, accessible, and affordable training opportunities. To receive this offer, you must be associated with, affiliated with, or willing to work with State and Federally funded grant programs addressing lead hazard mitigation as a participating Contractor, **and you must attend the entire class session(s)**.

To reserve a seat in a class under this grant, we are **requiring a 30% deposit**. If the student attends the entire class session, a refund will be issued and the State of Ohio will cover the training fee. Deposits paid via credit card will be refunded via credit card, if by check, a refund check will be mailed. Currently it is taking about four weeks to process the refunds.

THIS FORM MUST BE RETURNED BY THE DATE MARKED ON THE PAPERWORK OR WE WILL RELEASE YOUR GRANT FUNDS. DEPOSIT MUST BE MADE WITHIN THREE (3) DAYS OF CONFIRMATION OF RECEIPT OF YOUR PAPERWORK OR YOUR GRANT FUNDS WILL BE RELEASED.

Students are not confirmed to attend a training session *until you receive a training confirmation email from Lead Experts. Confirmations will be sent out after we receive your paperwork. If you do not get correspondence from us, please contact the office.*

Name(s) of Student(s) being Trained:

Training Date(s): _____ Phone #: _____

Company Name: _____ Contact: _____

I acknowledge that I have read and understand the terms specified above regarding the refundable deposit:

Name: _____

Signature: _____
