- You should not under any circumstances engage with the students before or after the competition until the Awards Ceremony has concluded.
- You must provide honest constructive feedback for each contestant that you are judging.
- Scoring Rubric:
 - 95-100 - Qualifies as a Gold Medalist
 - 90+Up - Qualifies as a Silver Medalist
 - 85+Up - Qualifies as a Bronze Medalist
 - Please take heed that the identifying word here is “Qualifies”. There can be multiple contestants that can qualify as gold medalist and if that’s the case the highest score will receive the gold, and silver and bronze will be allocated to the next two highest scores.

In the event the highest score is a 90 then there is no gold medalist and there’s only a possibility for a silver and bronze medalist as long as the remaining scores land within the 85+Up region.
