

TROUTDALE CAR LINE 2026/2027

Please review these guidelines with the accompanying Troutdale car line map.

MORNING DROP OFF

8:30-8:45 AM

HALF DAY PICK UP

12:30 PM

FULL DAY PICK UP

3:15-3:30 PM

PRIMARY FAMILIES

Enter campus from Troutdale Scenic Drive and immediately turn right, following the RED car line route around the parking lot.

Keep to the right of the tree island as you approach the building.

Continue to the Primary Entrance (green arrow).

During drop off, please remain in your vehicle. Staff will greet your child and help them safely exit the car.

At pick up: Staff are not permitted to place children in car seats or buckle them into their seats. Please be prepared to exit your vehicle and buckle your child into their car seat, and return to your vehicle before leaving. Please be patient and do not pull out ahead of the car in front of you. Continue along the marked route to exit campus.

IMPORTANT SAFETY REMINDERS

Drive slowly and cautiously at all times.

Stay within the designated car line route.

Keep to the right of the tree island when approaching the building.

Watch carefully for children, families, and staff.

Yield to vehicles backed out of Toddler parking spaces.

Children must remain properly seated and secured inside the vehicle while on campus.

Do not drive with your child on your lap or allow your child to stand or lean out of a passenger window or sunroof.

TODDLER FAMILIES

Enter campus from Troutdale Scenic Drive and immediately turn right, following the RED car line route around the parking lot, just as Primary families do.

Continue along the red route until you reach the Toddler parking areas outlined in BLUE. Park in any available blue area, then wait your child to the Toddler Entrance Gate (blue arrow).

If Toddler parking is full, park as close to the hillside as possible so Primary car line traffic can safely pass.

Do not park within 15 feet of either side of the fire hydrant.

If arriving before 8:30 AM and using one of the two Toddler spaces near the hillside, keep the dirt road behind the school completely open so teachers can access their back parking spaces.

BUS + LATE ARRIVALS

Morning Bus

Loads at 8:05 AM

Departs at 8:15 AM

Afternoon Bus

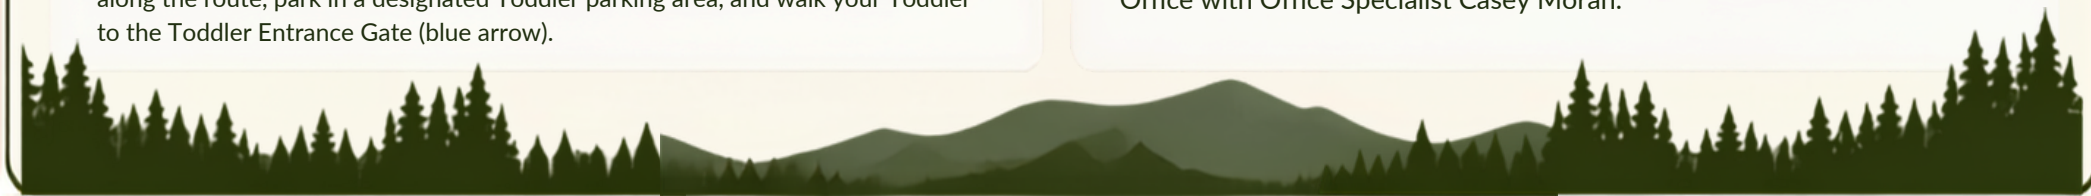

Returns to Troutdale between 3:30-3:45 PM

HAVE A PRIMARY + TODDLER CHILD?

Go through Primary car line first and drop off your Primary child. Then continue along the route, park in a designated Toddler parking area, and walk your Toddler to the Toddler Entrance Gate (blue arrow).

LATE ARRIVALS

Children arriving after morning car line must be signed in at the Troutdale Office with Office Specialist Casey Moran.
