

# DID YOU KNOW?

## CHOOSING THE WRONG BUSINESS STRUCTURE COULD COST YOU.

Sole proprietorship? Limited Liability Company? Partnership? Each has different implications for tax, liability, and control. The right structure could protect your personal assets—and the wrong one could expose them.

## BUSINESS LEGAL SERVICES

## KEEP IT LOCAL

Humboldt has a strong culture of **small independent businesses** with unique legal needs.

Our legal team has been practicing in Humboldt County for over 25 years and is experienced in the array of differing legal needs that **startups and established** local businesses face.

As a **small business ourselves**, we are personally aware of and uniquely qualified to help **identify risks, facilitate licensing and publications**, advise regarding corporate structures, form corporations and LLCs, prepare contracts, draft bylaws and operating agreements, issue stock, and a **wide variety** of other business matters.

## FORMATION

We have **extensive experience** helping entrepreneurs and business owners **form and structure** a wide range of local businesses, including **Limited Liability Companies (LLCs), Corporations, and Partnerships**.

Our legal team provides **start-to-finish guidance** throughout the business formation process, from selecting the appropriate entity type to filing the necessary documentation with the state.

## SUCCESSION

Beyond formation, we help our clients stay in compliance with ongoing legal requirements, including annual filings and corporate formalities.

In addition, our attorneys advise on long-term strategies including business succession planning, incorporating your wishes into well-crafted estate plans, to ensure smooth transitions and future stability.

Whether you're starting a new venture or restructuring an existing business, **we're here to provide strategic legal support every step of the way.**
