## LICON Held in Orlando, Florida

About eight or nine months ago it became apparent that Mexico City, for whatever reason, could not accommodate the 10,000 to 15,000 people who would be coming from all over the world for the Lions International Convention. LCI turned to MD 35 for help. In the words of Jerry Reed in *East Bound and Down*, "we're gonna do what they say can't be done," and offered the chance to host the 107<sup>th</sup> Lions Club International Convention [LICON]. Under the capable direction of PID Dr Robert Littlefield and his team of devoted and hardworking volunteers, after months of live meetings, zoom meetings, tests, emails and in general gab sessions, the impossible became POSSIBLE.

On July 10, contributors to the convention fund were given the opportunity to join the host committee at Kennedy Space Center for a sumptuous dinner under a real Saturn booster rocker. The leadership of LCI was there for this premiere event which was emceed by PID Robert Littlefield. The atmosphere was breathtaking, the food delicious, and

the entertainment wonderful. Each participant left with an original ornament commemorating the occasion and a "Thank You Lions" rocket shaped ink pen.. The decorations were largely the product of Lion Bobbie Cheh and her committee.

On Monday morning, July 14, at 8:00 A.M. the opening Parade of Nations began the 107<sup>th</sup> Lions International Convention. The weather was perfect if not a little warm and those present enjoyed a spectacular event with Lions from across the globe, banners, bands, floats. Many thanks to PCC Lion Greg Evans and his excellent team for acquiring the bands, viewing stands, judges, water, and convenience stops.

During the remainder of the day the exhibit hall was open and within the hall were areas where mini sessions were conducted: Lions Portal, Mission to Grow, Legacy Society, just to name a few. The evening closed with spectacular International show, celebrating the music and dance of Latin culture.

The greatest show of the Lion year started on Tuesday, July 15! Host Cyril Lim returned to the stage in Orlando to kick off the Opening Plenary with exciting entertainment, a special tribute to Helen Keller, and International Presidential address. Candidates for Third International Vice President also spoke. The session concluded with the flag ceremony which featured the member nations. Throughout the day sessions focused on such topics as Lions Quest, Mission 1.5, mastering the art of storytelling, leadership development, mental health and wellness, peace poster, service projects, and LCIF Grants.

Wednesday, July 16, the second Plenary Session presented Olympian Michael Phelps as the keynote speaker, interviewed by award-winning journalist Diane Macedo. Also the important work and impact that LCIF has had was discussed. Finally, Jose Carvelho from Obras Sociais Imna Dulce was presented the Humanitarian Award. Sessions dedicated to leadership, membership and service were offered throughout the day.

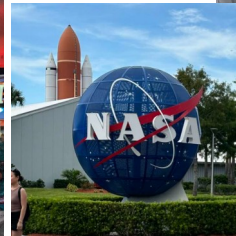

The final Plenary Session was Thursday, July 17. During this session the District Governors Elect were installed with great fanfare. Congratulations to our new MD 35 District Governors: District 35 L – Suzi Rodgers; District 35 I – Linda Gregory; District 35 O – Maggiy Williams; District 35 N – Elizabeth Fisher. The final event of the convention was the “meet and greet.”

**FUTURE CONVENTIONS:** 2026 Hong Kong, 2027 Washington D.C., 2028 Singapore, 2029 Minneapolis, 2030 San Antonio, 2031 Finland.

## Lead to Serve, Serve to Lead with International President A.P. Singh

### Dear Lion,

As we begin our new Lion year, now is the time to think about your goals and how to achieve them. The key is leadership and service. That's why our message this year is "Lead to serve, serve to lead" — because serving and leading are inseparable, and each drives the other.

When we act as servant leaders, we act with purpose. As the largest service organization in the world, Lions are already leaders in service, yet we have so much more to do. We need to grow our clubs so we can serve more people, have more impact and create a better world for us all.

So, let's get this year started off right by working together to make this a year of strong leadership, compassionate service, exceptional growth and enormous success.

Together we serve,

A.P. Singh

# SCREENING SAVES LIVES

Another life was saved by the Lions International's free vision and glucose screening in Daytona Beach.

Last month, at a regularly schedule free screening, a lady asked to have her eyes screened as she was seeing blurry. When her Blood Sugar was checked, it was 420, a very dangerous, life threatening level. THAT was the cause of her blurry vision.

She was advised to immediately go to the local emergency room where she was admitted to the hospital. Her blood sugar by that time had spiked to 517. A score over 500 is in danger of a diabetic coma.

She was hospitalized for 3 days to get her sugar level under control. Upon discharge, she was provided with a Glucometer, test strips, lancets, and a supply of the drug Metformin, the drug to help maintain a proper glucose level.

We were pleased that she came back to the same screening location for this month and told us the story. As she related, the doctors told her we saved her life by getting her to the hospital for treatment!

Lions International is most often know for the work with vision for the past 100 years. The Center for Disease Control statistics show that 50% of the adults (age 40+) that go blind are because of diabetes. Thus, Lions provide free Glucose screening and referral.

Regular screenings are held on the 1<sup>st</sup> Thursday of each month at the Ormond Beach Library, and the 2<sup>nd</sup> Saturday of each month at the Port Orange Library.

More information and location of local Lions International clubs may be found on the internet as "Find a Lions Club." Lions are in over 200 countries worldwide, with a membership of over 1.4 million.

## District Governor Maggiy Williams

The official training is complete but the journey is just begun. Look out everyone, Multiple District 35 is on the move. Thank you to our Group Leader PID Lion Robert Littlefield. Group 20 will serve a'plenty!

## CLUB NEWS—Port Orange and South Daytona Lions Club

Lions from Port Orange-Volusia and South Daytona successfully participated in the annual BIPOC Health Fair in Deland. Lions provided free Blood Sugar and Vision screening. Individuals with screening results outside the normal parameters were advised what they should do to alleviate the problem. Lions were ESPECIALLY pleased to hear from a Native American who, last year, had exceptionally high glucose readings. He followed the advice, changed his diet, and lowered his glucose readings to normal! Native Americans have the highest rate of diabetes of any ethnic group in the US, followed by African-Americans (National Institute of Health). Lions International is the world's largest Service Organization with 1.4 million members in over 200 countries. A local club may be found by checking the internet under "FIND A LIONS CLUB". BIPOC stands for Black, Indigenous, and People of Color. It is a national organization. This event was again held in Deland and focused on mental health.
