## *A Message from Your GLT PDG Vivian Henegar*

Everyone in District 35 O is aware of the need and desire for new Lion members and clubs. Many are working diligently on getting new members and forming new clubs and are to be congratulated on their hard work, enthusiasm, and success.

Lions may or may not have considered the fact that many of the leaders now serving are getting older and yes, that includes me, so the need for younger leaders also exists. This district is blessed with many young and talented individuals who can fill this role. As the MD GLT, and a concerned Lion, I am asking those who are ambivalent about stepping into a leadership role, to think about attending the February 7, 2026 Potential Leaders Seminar and then make the decision to attend. You will gain an excellent overview of what goes into being a Lions leader.

At this time, and subject to change if needed, the seminar will be held in the MD Office Conference Room, 331 W. Central Avenue, Suite 246, Winter Haven.

A flyer is being posted to give more information.

Once again, please consider stepping forward to lead.

Vivian Henegar, PDG

GLT

### **LIONS HUNGER INITIATIVE**

It's a privilege to come before you today as we come together for a cause that truly defines who we are as a community — our **Hunger Initiative**.

Hunger is not just a distant problem affecting faraway places. It exists right here, in our neighborhoods, sometimes even on our very streets. Families struggle to put food on the table. Children go to school without breakfast. Seniors skip meals to pay their bills. These are not statistics — these are our neighbors, our friends, our fellow human beings.

The truth is simple: *no one should have to face hunger in a world that has enough for everyone.*

That's why our community has decided to take action. Through this Hunger Initiative, we aim to:

- **Collect and distribute food** to families in need.
- **Partner with local farmers, stores, and restaurants** to reduce food waste.
- **Raise awareness** about food insecurity and nutrition.

**Build volunteer networks** so everyone can lend a helping hand.

But this initiative is about more than food. It's about compassion, connection, and care.

When we feed a person, we also feed hope. We remind one another that our community is strong — not because of wealth or numbers, but because of our unity and kindness.

Every contribution matters — whether it's a bag of rice, an hour of your time, or simply spreading the word. Together, we can create a ripple of change that ensures no one in our community goes hungry again.

Let's make this initiative not just a project, but a promise — a promise that hunger will have no place here.

# *Millard Conklin Crusader Award*

Thank you for your continued dedication to the spirit of Lionism. As we celebrate another remarkable year of service across our clubs, it's time once again to recognize one of the highest honors within our district — the **Millard Conklin Crusader Award**.

This prestigious award is given to a grassroots Lion who embodies the very heart of our motto, "*We Serve*." It honors a Lion whose passion, integrity, and selfless dedication have made a lasting impact on their club, their community, and the lives of those they touch.

The *Millard Crusader Award* is not about holding titles or seeking recognition — it's about consistent, quiet leadership. It's for the Lion who steps up when help is needed, inspires others to serve, and carries forward the values that make our District 35 family so strong.

I encourage every club in our district to take a moment and reflect on those Lions who go above and beyond — the ones who show up early, stay late, and give from the heart. **Nominate them** for this meaningful award. And if you've been dedicating yourself to service in ways that uplift others, don't hesitate to **apply yourself** — this award honors your courage and commitment.

Nomination forms are available through the MD District 35 website and can also be requested from your Zone Chair or Cabinet Secretary. All applications must be in the MD 35 office by **JANUARY 31, 2026**.

Let's take this opportunity to celebrate the Lions who keep our mission alive — those true crusaders of service who remind us of what it means to serve with pride, purpose, and compassion.

Together, let's continue to make District 35 a shining example of Lionism at its best.

**Thank you, Lions, and keep serving with heart.**

## **ZONE NEWS - Zone 1 Homosassa Lions Club**

On November 6, District Governor Maggiy Williams and CIS PDG Harry Williams traveled to Homosassa for the Zone 1 Meeting. President Lion Beverly Yost welcomed them to the club and called the meeting to order. Following normal protocol [invocation, pledge, toast, song], Lion Beverly introduced that head table. Also present at the meeting were FVDG John Hanna and PDG GLT Vivian Henegar.

After dinner, the meeting was turned over to Region 1 Chair Lion Jackie Angulo who introduced Zone 1 Chair Lion Linda Copestick. The special guest speakers for the evening were Karen and Eljan Hartzig with Citrus United Basket (CUB). This organization does amazing work towards feeding the community.

Club reports followed. Lion Beverly Yost reported for Homosassa Lions Clubs which has a number of ongoing projects: stuffing stockings for Day Care, Senior Bingo, donating readers to the detention center, Bunco party, Craft Show in March and 9 new members to be inducted on December 4; Crystal River Kings Bay Lions are meeting at Jesse's Place, ringing the bell for the Salvation Army, packing food bags, and doing screening at the VA; Crystal River Lions are without a building but still plan to ring the bell for the SA; Inglis Yankeetown Lions are still working from their club house which was severely damaged by the hurricane but work with the Achieve Program, distribute snow cones at the schools K-8, sponsored a haunted house at Halloween, and attended an arts and crafts festival. Beverly Hills Lions did not attend but are still having bingo.

District Governor Maggiy spoke about membership and the upcoming advisory; FVDG John Hanna is collecting for disaster relief; and PDG GLT Vivian Henegar thanked everyone who attended classes during the October conference. She reminded everyone about screening training on November 21 at Inglis-Yankeetown beginning at 10:00 A.M. as November is Diabetes Awareness Month and the Regional Lions Leadership Institute on March 19-22 which will cost \$200. Those Lions from 35 O may claim a rebate of \$75 after completion of the course. There is a planned Potential Leadership Institute at the MP office in February.

It was a great meeting. Thanks to all who attended. The next zone meeting will be in combination with Zone 2 and will be hosted by the High Point Lions Club on February 12, 2026.

## ZONE NEWS - Zone 3 Meeting Eastport Lions Club

November 17' thirty-seven members of the Lions Clubs of MD35-O, Zone 3 gathered for a night of learning, sharing, camaraderie, and good food. We were honored to have FVDG John Hanna and his Partner in Service Bunny as well as SVDG Sonia Saylor and her partner Todd. This was the first time the Eastport Lions Club had the opportunity to host a zone meeting and boy did they excel. The meeting was attended by members of Eastport, Lake Sumter, Fruitland Park, and Lady Lake Orange Blossom Gardens Lions Clubs. The focus of this zone meeting was on leadership; however our District guest also talked with us about Disaster Preparedness (the key focus of FVDG John Hanna) and Membership and the exceptional work our zone has accomplished (championed by SVDG Sonia Saylor). The focus of the meeting was on leadership and how each member of every club is a leader in one form or another. Zone 3 Chair Bruce Scheel talked briefly about leadership, it's meaning, it's traits, and then asked questions that demonstrated how each member present was able to identify as a leader of some measure. After Bruce finished his discussion, he addressed the handouts and directed the group to participate in a leadership activity that practiced one of the key traits of a leader, communications. Each member was to partner with another member and describe the picture on a card to the partner member, without directly telling them what the picture was, and have them draw/color that picture. After 5 minutes the picture was reviewed to see how well they were able to communicate the picture. The partners then switched roles and completed the activity again with a different card. After the second round Bruce then wrapped up the activity by recommending that activity and other handout (A Leadership Style Self Quiz) be taken back to each of their clubs as a club activity. A proposal for a zone project was handed out for clubs to review with their individual membership and report back to Bruce. Clubs reported on activities and fundraisers they were working on. During our meeting we were able to pass the hat and collect \$66.00 to be added to the District Disaster/Emergency Preparedness fund. The meeting was adjourned, and members were left to absorb the information provided to them, develop ways to share with individual club members, and continue the great community work that Lions pride themselves on accomplishing.

[Zone 3 Chair, Lion Bruce Scheel]

Purpose is our  
strength.  
Unity is our Power.  
Humanity is our  
purpose.

We Serve because we are proud to be members of this  
brilliant organisation that is Lions International.

## CLUB NEWS - Lady Lake Orange Blossom Gardens Lions Club

**Lady Lake, FL** — The Orange Blossom Gardens (OBG) Lions Club has presented a \$5,000 donation to The Villages Lady Lake Elementary School to support the lease of essential copiers used daily by teachers. The check presentation took place this week, with Lion Joe Sepia of the Village of Silver Lake representing the OBG Lions.

This contribution ensures that educators have reliable access to the printing and copying equipment necessary for lesson planning, classroom materials, parent communication, and resource preparation. Copiers are among the most heavily used support tools in schools, yet they often fall outside standard operating budgets—making community support like this especially meaningful.

"Teachers deserve every resource we can provide," said OBG Lions Club President Barbara Crewell. "By supporting the school's copier lease, we are helping make sure educators have what they need to do their jobs effectively every single day. When our teachers have the tools they need, our students thrive, and that strengthens the community."

The Villages Lady Lake Elementary School expressed its gratitude to the OBG Lions for stepping forward to assist with an operational cost that directly affects classrooms across grade levels. With this support, the school can continue providing the essential equipment teachers rely on to create worksheets, assessments, take-home materials, enrichment activities, and more.

On Monday evening, November 10, District Governor Maggiy and CIS PDG Harry found themselves on the way to Fruitland Park Lions Club for an official Governor's visit. One of the reasons for this visit was to check out the room for the upcoming advisory meeting which would be held there at the end of the week.

Following a short board meeting President David called the meeting to order. After the invocation and pledge to the flag, Lion David introduced his visitors. Since dinner was about ten minutes out, PDG Harry regaled everyone with a series of jokes. "I rent him out for special occasions," said DG Maggiy.

## THE LIGHTER SIDE

I ordered 2000  
pounds of Chinese  
soup.  
It was wonton.

I tried to start a  
professional hide-and-  
seek league...  
but good players are  
hard to find.

My son went bald but  
still carries a comb.  
He just can't part  
with it.

Why do eggs come in  
flimsy Styrofoam car-  
tons and batteries  
come in a carton only a  
chainsaw can open?

I gave my son an  
apple. He said he  
likes pears.  
So I gave him  
another apple.

Would you call  
a cow's knees  
a burger joint?

My friend learned to  
play the piano by ear.  
Now she used her  
hands.

If wisdom come with age  
then wrinkle must  
be wisecracks.

If you get locked out,  
talk to the lock calmly.  
Communication  
is the key.

Some people  
are wise.  
Some people are  
otherwise.

My neighbor said try  
manure on my  
strawberries. I'm  
going back to  
whipped cream.

Where did the  
Terminator find toilet  
paper?  
Aisle B, back.

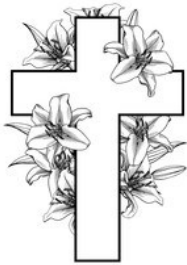

Sign language...  
It's very  
handy.

If cars have to be  
roadworthy,  
shouldn't roads  
have to be  
carworthy?

I used to be am  
Accountant.  
I stopped when I  
started hearing  
invoices.
