## Third Advisory Hosted by Lake Sumter Lions

Saturday, January 24, was a beautiful day for District 35-O's 3rd Advisory Meeting hosted by the Lake Sumter Lions Club. PID Neil Spencer, Robert Littlefield, PCC C. David Lloyd, PCC Greg Evans, PDG's Vivian Henegar, Steven Van Varick, Ken Engstrom, Glenn Brown, and Harry Williams—were all in attendance. District Governor Maggiy Williams came prepared with membership kits and learning materials, blessing bags, items for gift baskets [which included Dr. Littlefield's book and other items for each zone to auction off for LCIF] as well as district directo-

ries and DG pins.

The meeting was called to order by LSLC President SVDG Sonia Saylor. Following the invocation, pledge, toast and song, Lion Sonia turned the meeting over to her Partner-in-Service who properly introduced her as the SVDG. Lion Sonia then introduced FVDG John Hanna who in

turn introduced DG Maggiy.

The DG's message included:

- Recognition of Lions in attendance;
- Acknowledgement that the year was half over and that Lions are working harder than ever and in more unique ways;
- Vision, glucose, hearing screenings;
- Focus on increased membership; and
- Remember that LCI will bill for dues ONLY through email to the club treas.

The minutes were approval as distributed. The treasurer presented his report which was filed for audit.

DG Maggiy asked GLT Vivian Henegar PDG to make presentation of Certified Guiding Lions: Jaci Newmark and Jackie Angelo. Lion Vivian also reminded Lions of the Potential Leadership Forum to be held at Lake Alfred Lions Club on February 7

and about the Regional Lions Leadership Institute [RLLI] which would be at Fruitland Park in March.

District Governor Maggiy Williams announced that the MD Peace Poster winner was on its way to Lion's headquarters. It was from Lakeland North Lakeland Lions Club. The winner received a check [accepted by Lion Joy Helmold]; third place winner was Crystal River Kings Bay, accepted by Lion Jackie DeGraff.

PDG Steven Van Varick congratulated clubs that have inducted new members since July 1, GST Lion Bobbie Cheh continued to encourage clubs to enter service reports in the Lions' Portal.

PCC Greg Evans spoke about Lions Saving Sight and the Super Bowl fund raising activity—buy a square for \$100. There will be a \$1000 winner each quarter. He also spoke as representative of the MD Retina Foundation.

PID Robert Littlefield said that OWS Lions Club is doing a fund raiser [Pickleball Tournament] to match requested grant funds for a Leo project which would provide 100 meals and hygiene kits every month.

Lion Denis Dulniak gave a report for the Youth Exchange Scholarship Trust Fund. The deadline for application will be February 6.

President of the Hearing Board, Harry Williams PDG, related that several non-profit organizations have worked together to screen and refer hearing patients. He asked Lion Adam Parrish to talk about the mobile unit at UCF. As District and MD Awards Chair, Lion Harry encouraged clubs to send the names of Governor Achievement Award, Anchor Award and Golden Chain Award recipients to him.

During lunch zones were encouraged to create a basket from items brought by clubs, for raffle at the next meeting, the proceeds to go to LCIF.

In the absence of Tail Twister Kim Rossman, PCC Greg Evans collected funds for disaster relief by auctioning off a lion puppet [whom he named "Maggiy"], a Lion's mask, a silver medallion, and a "mystery" bag [ i.e. a peanut butter and jelly sandwich] which went for \$60. The goal established by FVDG John Hanna was \$2500. OBG helped to top out the goal with a check for \$200.00.

District Governor Maggiy presented her zone chairs and GAT Team with an International Presidents pin in appreciation for their dedicated work.

PDG Glenn Brown spoke for LCIF and encouraged clubs to generously support the foundation.

PID Neil Spencer asked for funds to replace a much used KidSight camera.

Lion Jaci Newmark spoke for New Voices.

DG Maggiy in her closing remarks thanked the Lake Sumter Lions Club for

hosting the meeting. The next Advisory Meeting will be hosted by OBG on April 11, the place to be announced. Finally, PDG Vivian Henegar delivered the benediction.

Peace Poster winner presented checks. OBG President presents \$1000 check to PDG Harry Williams for Hearing Board.

## GLOBAL SERVICE TEAM SCRATCH OFF RAFFLE

We're at the halfway mark of our Lions Year and I wanted to give you an update on our 50 scratch off lottery ticket raffle to the Club reporting the most activities. So far, we have a three-way tie for first place. Lions Clubs of Eastport, High Point, and Inverness are tied with 50 **reported** activities to LCI. Good Job Lions!

That's not to say that other Clubs are not close – Fruitland Park, Lake Sumter, Lake Alfred, Ormond Beach, Ormond By The Sea, Oviedo Winter-Springs, Palm Coast, Satellite Beach and South Daytona Clubs are not far behind.

The winner will be the Club with the most **reported (not drafts)** to LCI. So there's still time for your Club to catch up. Remember to record your service activities and meetings.

As of this writing, we are in third place in the Multiple District with 60% of our Clubs reporting. I have sent an email to some Clubs regarding their service activity reporting. Thanks to the three that have responded. I know our District can do better. Secretaries, Presidents and/or Administrators, if you need help with reporting, please contact me at [ormondbob@aol.com](mailto:ormondbob@aol.com).

### ZONE NEWS - Zone 6/7

Tuesday, January 27—What an awesome Zone 6 & 7 meeting night by Zone Chairs Abby Baker and Marcia Hilliard! Great speaker from Care Cupboard Food Pantry, at least eight Clubs in attendance, one Governor's Achievement Award [Ormond By The Sea Lions Club President Aleta Dick presents Lion Jennifer Helmer with her Governor's Achievement Award], two new Lions installed by PDG Michael Ryan, donations for the food bank and lots of Club information. That's got to be some kind of record to top! Thanks to everyone for attending.

# CONGRATULATIONS!

## CLUB NEWS - South Daytona Lions Club

South Daytona Lions Club members helped prepare food for the homeless and also residents of Hope Place. Our club meets again next Wednesday at 7am at Hannah's Family Diner on Reed Canal Road. We are an active team helping those in need. Join us. WE SERVE!

Lion President of South Daytona Lions Club, Carene Darcy, said that Lion Harold Lucas is "an amazing man, generous to the fault. Always gives back to the community and a terrific Lion. Thank you Harold." On November 18, 1985, Harold V Lucas Jr. was invited by Florida Governor Bob Graham to be a part of the first statewide planning session of the Dr. Martin Luther King, Jr. Holiday Celebration. While President Reagan signed the bill making MLK Day a federal holiday in 1983, the first official federal observance of the holiday took place in January 1986.

Lion Harold was a member of The City of Daytona Beach first Martin Luther King Jr. Day Holiday Committee. Last week he was honored by the MLK Day Committee as a Legacy Leader! Also, last night he was recognized at the Our Youth Matter Gala 2026 as the Lifetime Neighborhood Role Model of the Year by the Mr. & Ms. Mentoring Program. At 93 years old, Mr. Lucas continues to serve through The Harold V Lucas, Jr. Foundation, Inc.

Members of the South Daytona Lions and Port Orange - Volusia Lions teamed up to provide FREE Blood Sugar screening at the annual MLK Health Fair. Of the 21 people screened, 6 had sugar readings outside of the American Diabetes Association's guidelines and were offered counseling on what steps to take to reduce their blood sugar levels.

CDC statistic shows 50% of adults going blind are because of Diabetes. This is why Lions Clubs all over the world (over 200 countries!) are encouraging Diabetes Awareness.

Family history of diabetes is only one cause of diabetes. Overweight and lack of physical activities are also leading causes (ADA, CDC). Contact your local Lions Club for dates and locations of the next and nearest FREE screenings! (Google "Find a Lions Club").

## **CLUB NEWS - Lady Lake Orange Blossom Gardens Lions Club**

### **Orange Blossom Gardens Lions Club Surpasses \$100,000 in Community Giving Since July 1, 2025 but Much More Still to Be Done**

Lady Lake, FL — The Orange Blossom Gardens Lions Club (OBG Lions Club) today announced it has distributed more than \$100,000 in charitable funding since July 1, 2025, marking a significant milestone in the club's mission to serve individuals and families in need throughout Lady Lake, the surrounding communities, the region, and the nation.

These funds were generated through two primary community-supported efforts: Friday Night Bingo, held every Friday evening at North Lake Presbyterian Church, located at 975 Rolling Acres Road; and fundraising activities at the Bob Johnson Legacy Driving Range, 230 Rolling Acres Road, operated in partnership with American Legion Post 347. Proceeds from both initiatives are reinvested directly into charitable programs and emergency assistance efforts that align with the Lions' core service pillars.

Impact highlights from the year-to-date include: Over \$10,000 in relief assistance for individuals and families impacted by severe weather events in North Carolina and Texas, helping communities begin the recovery process after significant loss. Hunger relief and food security support, including funding for the purchase of new refrigerators for the Community of Gratitude Food Pantry, which currently provides food assistance to nearly 1,000 families each month, and providing Beyond the Walls food pantry with 150 hams for their annual holiday dinner program.

Education and workforce development, with more than \$45,000 in scholarships awarded to local students pursuing four-year college degrees and technical training programs, including hands-on workforce pathways such as the Marion County Fire Rescue training program.

National health initiatives, with financial support provided to the Parkinson's Foundation and the Alzheimer's Association, advancing research, advocacy, and patient support. Vision care initiatives, including assistance for eyeglasses and vision services, and supporting Beauty of Sight research programs, reflecting the Lions' long-standing commitment to preventing avoidable vision loss.

Youth and community enrichment, such as pajama and book drives for children (please use the youth soccer instead and supporting Special Olympics), support for the Leesburg

High School Choir, helping students raise funds to perform at Carnegie Hall, and support of community events in Lady Lake and Belleview.

"Crossing the \$100,000 mark since July is an important milestone, but what matters most is what those dollars represent," said Robert Vass, Treasurer of the Orange Blossom Gardens Lions Club. "Every contribution comes from community members attending bingo, supporting the driving range, or volunteering their time, and every dollar goes back out to meet real, immediate needs. We've seen firsthand how hunger, vision loss, and unexpected emergencies affect our neighbors, and we take our responsibility to steward these funds very seriously."

Vass added that the growing scale of need reinforces the importance of sustained local fundraising. "This is a moment to recognize what's been accomplished, but it's also a reminder that demand continues to increase. Our work doesn't slow down once a goal is reached—it accelerates."

"I am incredibly proud of our Lions, our volunteers, and our supporters," said Barbara Crewell, President of the Orange Blossom Gardens Lions Club. "This achievement reflects countless hours of service and a shared belief that local action truly changes lives. We've been able to respond to disasters, invest in education, fight hunger, and support vision care, but there is still so much more to be done. Our motto is "Where there is a need, there is a Lion". While we are here in Lady Lake, we gladly share our good fortune to help those in need, wherever they may be. I am pleased to say we are only halfway through the year and will continue to fund as many initiatives as possible."

The ongoing need - Hunger and food insecurity: Millions of Americans experience food insecurity each year, with seniors, families on fixed incomes, and children among the most affected. Local food pantries are experiencing sustained demand, making infrastructure investments crucial to maintaining a steady supply of food.

Vision loss: Vision impairment impacts millions nationwide and can significantly limit independence, employment opportunities, and academic success. Access to basic eye care and corrective lenses remains one of the most effective ways to improve quality of life.

Education and training: Students pursuing higher education or technical certification often face financial barriers that delay or derail their goals. Scholarships and workforce training support play a vital role in building a stronger, more resilient local economy.

The Orange Blossom Gardens Lions Club is a proud member of Lions Clubs International, the world's largest service organization, with a global mission centered on vision, hunger, health, youth, and disaster relief.

## CLUB NEWS - Lady Lake Orange Blossom Gardens Lions Club

Orange Blossom Gardens (OBG) Lions Club has named John Holmes as a recipient of the Melvin Jones Fellowship Award, the highest form of recognition presented by Lions Clubs International Foundation (LCIF), honoring individuals whose dedication, service, and leadership exemplify the core values of Lions Clubs International (LCI): humanitarian service, community impact, and personal integrity.

"John represents everything this award stands for," said Barbara Crewell, President of the Orange Blossom Gardens Lions Club. "He is not a Lion by membership, but he lives the values of Lionism every day through his service, his humility, and his willingness to step in wherever he is needed. The Melvin Jones Fellowship is about impact, compassion, and leadership, and John has consistently demonstrated all three. Our club is proud to recognize him for the difference he makes in our community."

*Congratulations*

The Orange Blossom Gardens Lions Club (OBG Lions) proudly recognizes Theresa Kress, a resident of the Village of Sunset Pointe, for her outstanding dedication to service, philanthropy, and community engagement throughout The Villages and surrounding areas. "In everything she does, Theresa leads with heart, consistency, and purpose," said Barbara Crewell, President of the Orange Blossom Gardens Lions Club. "Her ability to bring people together through music, games, and service has made a real and lasting impact on families in need and on our Lions Club mission." Theresa Kress's dedication exemplifies the Lions Club motto, *We Serve*, and highlights the powerful difference one individual can make through sustained service and community connection.

## CLUB NEWS - Mount Dora Lions Club

AN EDITORIAL *from* President Glenn Brown

Election of our Mount Dora Lions' Club Board of Directors is coming up in 2 months. Our Lions' Club needs more of you to help direct our Lions' Club service work. Our current officers have done wonderful work. Some of them for many years. But, every organization benefits from new blood with new ideas and new energy.

Consider being one of our Mt Dora Lions who will be giving some of that new energy and ideas to our very important service work. Service to our friends, to our neighbors and to other people in need. To help prevent blindness and to enable better vision. To help others have more complete and richer lives.

I have copied the description of officer's responsibilities put out by LCI. The responsibilities are mostly pretty simple and easy to do. Please see that list in the following section (Section A – Board Officer Job Descriptions).

LCI's description is very good, but a little bit incomplete. How does a Club Officer know the details of what to do and how to do it? Please see the final section (Section B – Learning the What and the How).

### SECTION A. BOARD OFFICER JOB DESCRIPTIONS

**President** – He/she is the chief executive officer of the club and presides at all regular meetings and special meetings of the board of directors of the club and appoints the standing and special committees of the club while cooperating with chairpersons to ensure regular functioning and reporting of such committees. The president also coordinates with the Zone Chair, District Leadership and other clubs.

**Vice-Presidents (1<sup>st</sup> and 2<sup>nd</sup>)** – If the President is unable to perform the duties of his/her office for any reason, the vice-president next in rank shall occupy his/her position and perform his/her duties with the same authority as the president.

**Administrative Secretary – (aka Office Secretary)** – File monthly and annual reports on the LCI website and/or the Portal, be the contact person for the club, order supplies, keep member records up-to-date including on the LCI website) and coordinate with the Zone Chair and other Clubs.

**Recording Secretary** – Take minutes, prepare meeting agendas, keep the calendar, read the announcements at the end of meetings, write letters (such as Thank-You letters) and receive correspondence. (NOTE: In most clubs, these two sets of secretary duties are done by a single person.)

**Treasurer** – He/she shall

Receive all monies from the secretary and deposit them in a bank.

Pay the club's obligations authorized by the board of directors. All checks and vouchers shall be signed by the treasurer.

Have custody of and maintain general records of club receipts and disbursements.

Prepare and submit monthly and semiannual financial reports to the international office of the association and the board of directors of the club.

Give bond for the faithful discharge of his/her office in the sum and with surety as determined by the board of directors.

Send out dues invoices, collect membership dues, take care of dues and member packets for new members, give receipts (for dues, etc.), make out donation checks.

**Lion Tamer** – The lion tamer is responsible for the property and paraphernalia of the club (including flags, banners, gong, gavel, song books, etc.). He/she puts each item in its proper place before every meeting and returns the items to their storage area after each meeting.

**Tail Twister** – He/she provides harmony, good fellowship, and enthusiasm in the meetings through appropriate stunts, games and the judicious imposition of fines on club members.

**1 Year Director** – He/she serves on the board of directors to assist with decision making by discussing and voting on initiatives for the club.

## SECTION B. LEARNING THE WHAT AND THE HOW

First, there is extensive training classes available for new and experienced officers. This training is given throughout every year at district and multiple district meetings and on the Lions website.

Second, each officer is part of a group of officers with wide and deep experiences. Officers do not work in isolation. Assistance and mentoring are constantly available.

Third, you might not have had the exact same responsibilities in the past, but you have done a lot of similar things many times. You have done a lot of things a lot more complicated and difficult to do than being a Lions Board Member. You are not starting from scratch. Have confidence in your ability to adapt and extend your countless similar past experiences and in your ability to learn from your fellow board members and from the training opportunities offered by LCI.

## CLUB NEWS - High Point Lions Club

On January 11, Lion Arthur Keegan was presented with a Melvin Jones Fellowship. "This was a total surprise to receive this recognition. To say that I am humbled is an understatement. I want to sincerely thank the High Point Lions Club, for voting for me for the highest form of recognition given to a member of the Lions Club."

## CLUB NEWS - South Daytona Lions Club

On Wednesday, January 21st, 2026, the South Daytona Lions Club welcomed Mamie Otis as the guest speaker from Food Brings Hope, which was founded in 2007 with the Vision that every child should be given a chance to reach their full potential. Pictured here are King Lion Carene Darcy and Mamie Otis. Our Club showed our support by donating food, can openers, and a check for \$300. Donations may be dropped off at Hannah's Family Diner, located at the corner of Reed Canal and Nova Road. For more information, Food Brings Hope is located at 207 White St, Daytona Beach, FL 32114 or 386-317-5767.

Here is a quick update on the support for South Daytona Elementary's Truancy Program. A few weeks ago President Carene Darcy dropped off a couple of \$10 movie gift certificates and noticed how much this program was helping the kids. "If you're able," said Lion Carene, "I'd love to keep this going through February vacation. A \$10 gift certificate to Dollar General, Walmart, Family Dollar, or anywhere similar would be wonderful." These \$10 donations have made a big difference in helping a child come to school more regularly. "Thank you so much for your kindness and support. It truly means a lot to the school and the kids."

# JOYS AND CONCERNS

The South Daytona Lions Club sadly reported that one of its long-time members, Lion Fred Voorde, recently passed away following a serious fall which left him paralyzed. He passed away several days later on January 17. He was a Lion for 31 years and a South Daytona Lion for 12 years. He will be missed by those who knew and loved him.

The winners of the Multiple District 35 Pin contest for both the MD-35 Convention in May and the Lions Club International Convention in July were from District 35-O: Lion Shara Brodsky from the Palm Coast Lions and Lion Thomas Senger from the Davenport Lions Club.

There were 11 entries for the MD-35 Convention Americana theme pin and 9 entries for the Multiple District 35/LCICON 2026 pin.

It was a blind selection as in that there were no names, districts, or clubs on the voting sheets...just the pin designs. They will both receive Governors Banquet dinner tickets for them and a guest.

Congratulations to you both!

Continued prayers to Lions Nancy Epps and Mary Yochum who are both recovering from falls
