Dear community,

On behalf of the Board of Directors, I warmly welcome you to the 2025–2026 academic year. We are excited to see our campus come alive once again with the energy and enthusiasm of our students and families.

This year, the Board remains committed to supporting the school's continuous development and long-term growth. We will continue working on ongoing projects while also embracing new initiatives that will allow SESO to maintain a competitive academic offering aligned with the demands of our times. We are proud to continue strengthening our athletic department, making improvements to our physical facilities, and enhancing the benefits and support available to our dedicated faculty.

The Board also operates through several committees, including Audit, Educational Programs, Finance, Fundraising, Health and Safety, Human Resources, Sports, Buildings and Grounds, and Strategic Planning. We encourage parents interested in participating to contact us at sesobod@sesolion.com.

We are grateful to see returning families and to welcome new ones joining our community. Your support and involvement are vital to our success, and we look forward to another inspiring and productive school year.

Warm regards,
