July 1, 2025

Dear SESO Families,

I hope this message finds you well and that your summer has been filled with rest, fun, and time with loved ones. As we look ahead to the start of the 2025–2026 school year, I'm excited to welcome both new and returning families to what promises to be another enriching year at SESO.

Over the past months, our team has been working thoughtfully to build on our strengths and further enhance the learning experience for all students. This year, we are excited to continue deepening our implementation of the Responsive Classroom Approach in grades K–6, fostering respectful, inclusive, and engaging learning environments that support both academic and social-emotional growth. We also enter the second year of our cell-phone free school policy, which has already made a positive impact on student focus and peer interaction, helping to cultivate a more mindful and connected school culture.

As always, learning at SESO extends far beyond the classroom, with athletics, field trips, performances, assemblies, and cherished community events all contributing to a vibrant and well-rounded school experience.

As we enter this new year, I remain grateful for your partnership and trust. I'm confident that 2025–2026 will be a year of meaningful learning, shared joy, and continued growth for our students and school community. If you have any questions or ideas to share, please don't hesitate to reach out.

Wishing you and your family a smooth and joyful start to the school year!

Warmly,  
Katrin Beinroth  
*School Director*
