

From the Nurse's Office

Reminders:

- It is mandatory to fill out your child's Physical Examination Form (by a doctor) and First Aid Waiver for the 2025-2026 Academic Year. (Both forms are enclosed in this Welcome Package). New students who just submitted these documents for admission do not have to submit new ones.
- Vaccines – According to PR Law 25 of September 23rd, 1983, no student may be allowed on school premises until he/she hands an up-to-date Vaccination Certificate approved by the PR Health Department (PVAC-3 Form):
 - If your child was vaccinated during the summer, please remember to bring the updated vaccination form.
- Oral Exam Certification (Enclosed) – As required by PR law, an oral examination certification from your child's dentist must be handed in to the school nurse for each even numbered grade student (Kinder, 2nd, 4th, 6th, 8th & 10th graders)
- Do not bring your child to school if he/she shows any of the following symptoms:

Fever	Cough	Sore throat
Nasal congestion	Body ache	Headache
Chills	Vomiting	Diarrhea

- If your child develops any of these symptoms at school, you will be contacted to pick up your child right away.
- Finally, remember that if your child is going to be absent due to illness or any other medical reason, you will need to excuse them via email. This email should be directed to their teachers and include our academic director, Mrs. Busquets (vbusquets@sesolion.com) our nurse, Mrs. Mendoza (dmendoza@sesolion.com).
