

## In Case of Emergency

### **First:**

Be sure to check your e-mail periodically. The school will be sending information on classes cancellations and any other important information in case of an emergency. **Please remember to keep your email address updated on Gradelink.**

*Remember that the first line of official school communications will always take place via email*

### **Second:**

Check out our Facebook a/o Instagram pages where we are constantly publishing information and announcements.

Find us: @SouthwesternEducationalSociety (SESO)

### **Third:**

The school will mostly abide by the decisions made by the government for our area's Department of Education regarding the closing and reopening of schools.

### **Fourth:**

If you cannot access your e-mail. Please tune into:
