

FACULTY OF INFORMATION COMMUNICATIONS AND TECHNOLOGY

BRIDGING CERTIFICATE TO N1 ENGINEERING
STUDIES SHORT LEARNING PROGRAMME

It is important to share that historic NATED qualifications are being phased out and the last dates of examinations for N4 Engineering Studies have been published. If you are wanting to go on this learning journey, please enquire with our student advisors to ensure that you can be enrolled in time. If you would like to consider an alternative, you may choose from:

- Waterfall School of Business Skills Certificate: Computer Information Systems
- Occupational Certificate: Supply Chain Practitioner

PLEASE NOTE: No new enrolments can be accepted for this course due to N1 Engineering Studies being phased out by DHET.

Bridging Certificate to Engineering Studies at Waterfall School of Business:

- Gain entry to National Certificate: Engineering Studies courses after completion
- Ideal for those interested in pursuing Engineering Studies at Waterfall School of Business
- Perfect for individuals lacking Grade 10 with Maths, Science, and Drawings

Studying this course may be a good option if:

- You would like to further your career in the ICT industry, with a focus on information systems.
- You have just completed Matric, and you are considering a career in the telecommunications, IT, or electronic industries, or in any other industries where information systems are a key component of daily tasks.
