Occupational Skills Programme:
Assessment Practitioner

Assessment skills in practice is the basis of many other qualifications and skills sets and is a skill that leads to employability. This skills programme will equip people to be able to supervise performance and provide feedback in a professional manner.

Assessment Practitioner status can lead to self-employment opportunities. Typical learners include post school learners and college graduates on NQF Level 4 or equivalent with work experience that enables them to observe learners in practice and make judgements on competence and quality in skills deliver. This skills programme is for people with an interest in using assessment tools to promote learning.
