N6 Engineering Studies: Civil Engineering

It is important to share that historic NATED qualifications are being phased out and the last dates of examinsations for N6 Engineering Studies (Civil Engineering) have been published. If you are wanting to go on this learning journey, please enquire with our student advisors to ensure that you can be enrolled in time. If you would like to consider an alternative, you may choose from:

- Waterfall School of Business Skills Certificate: Computer Information Systems
- Occupational Certificate: Supply Chain Practitioner

Gain theoretical knowledge for a National Diploma in Civil Engineering through the National Certificate: N6 Civil Engineering course. This Nated N4-N6 Engineering qualification equips you with the theoretical foundation, while the practical component encompasses about 24 months of industry-specific work experience, enhancing your expertise in the field.
