

FACULTY OF LAW

Occupational Certificate:
Security First Line Manager

A Security First Line Manager leads and coordinates security team member activities in accordance with legal requirements and regulations to ensure legal compliance of individuals working within the security environment. The performance of supervisory functions further ensures safety and security compliance at the site or client specifics.

A qualified learner will be able to:

- Perform asset protection functions.
- Supervise the work unit to achieve work unit objectives.
- Conduct security risk assessments.
- Lead, organise and control security team members to achieve maximum operational performance.
- Support, coach and motivate security team members to improve performance.
- Coordinate and maintain security processes to ensure compliance.
- Implement and enforce regulations and standards in accordance with industry practices.

Course code:

OCC7001-01

Accreditation status:

- Fully accredited by the Quality Council for Trades and Occupations (QCTO)
- SAQA ID: 118687
- NQF Level 4
