WATERFALL SCHOOL OF BUSINESS **TEFL CERTIFICATION PROGRAM**

The Waterfall School of Business offers internationally recognised TEFL (Teaching English as a Foreign Language) certification in partnership with the TEFL Institute. This programme is designed for individuals who want to expand their career opportunities, gain global credentials, and create additional income streams while advancing professionally.

ABOUT THE PROGRAM

The TEFL certification equips you with the skills and knowledge to teach English to non-native speakers locally, online, or abroad. The programme is aligned with international standards and offers flexible learning options suitable for working professionals.

WHY CHOOSE WATERFALL SCHOOL OF BUSINESS

Internationally Recognised Certification
Earn a TEFL qualification developed in partnership with a global provider, ensuring your certification is respected worldwide.

Flexible Learning Model
Study through a technology-enabled system that allows you to learn from anywhere while receiving structured academic support.

Career-Focused Education
Programmes are designed to help you stay competitive, relevant, and confident in a rapidly evolving global job market.

Trusted Academic Institution
Waterfall School of Business is part of a recognised education network and delivers accredited, high-quality vocational education.
