

CHECK LIST FOR CONSIGNORS

You expect to find only the best quality clothing at Athletic Attic, meaning I am quite selective about the items I take. Think of it this way... If *you* wouldn't be excited to buy an item you are considering bringing in for consignment, it likely won't be accepted. Before bringing me your items to consign, please inspect them and use this checklist:

- ✓ items are freshly laundered – they look and smell clean
- ✓ items are free of stains, holes, frayed seams, pilling
- ✓ items are free of pet and human hair
- ✓ items still have a lot of life left – elastic isn't worn out, zippers work, no missing buttons, drawstrings aren't knotted, etc.
- ✓ items are season appropriate – Winter items accepted Sep-Feb - Summer items accepted March-Aug (Workout gear such as leggings, tanks and running shorts, is accepted year-round)

Some of the brands I accept: Lululemon, Athleta, Patagonia, Stio, The North Face, Prana, Carve Designs, Kuhl, Sweaty Betty, Toad & Co., Title 9, Columbia, Pistil, Alo, Spiritual Gangster, Zyla, Sorel, Chaco, Birkenstock, Hoka One One, Dansko, Brooks, Asics, Saucony (*shoes must be in like-new condition)

Clothing brands I do not take: Nike, Adidas, Under Armor, Reebok, Calia, Fabletics, Gym Shark, Gap Fit, Old Navy, Champion, Marika.

This is not necessarily a complete list of all brands; however, it should serve as a good guide for you.

Oh, and PLEASE check your pockets for any personal belongings before leaving them with me. I will contact you by email or phone if I discover valuables left in pockets (money, jewelry, ID's, gloves, etc.)
