Prelude

Greetings and announcements:

Centering our Hearts for Worship/ Carry the Light of Christ into the Sanctuary

Call to Worship: Let us worship God who has done great things. Let us rejoice in our God, who has made a way through the deserts of this world. Let us worship God who has caused streams of mercy to flow in wasteland places. For we are the people God has formed through Christ; we can choose this day to worship Him and rejoice. I invite you this day to give unto God all that you are-let us worship in spirit and in truth with all our heart, mind, body and soul. Amen.
