Greetings and announcements:

Centering our Hearts for Worship/ Carry the Light of Christ into the Sanctuary

Call to Worship: The nation under God depends on each generation accepting the call to serve both God and country. Everywhere we look, we are reminded of the commitment our veterans made in presenting their bodies as a living sacrifice. So today we honor them as we shout thank you. Thank you that we are free to come and worship the one who presented his body as the ultimate living sacrifice for all. Come let us worship. Amen.
