WELCOME FROM MAPLE LEAF EDUCATIONAL SYSTEMS LEADERSHIP

DR. SHERMAN JEN

**CHINA MAPLE LEAF EDUCATIONAL SYSTEMS
FOUNDER, CHAIRMAN AND CEO**

Dr. Jen opened the first Maple Leaf International School in Dalian, China in 1995 with 14 students. He was the first to integrate a western and Chinese blended program in China's K-12 educational system. Maple Leaf Educational Systems has now expanded to more than 100 schools and 44,000 students in 30+ cities in China, along with schools in Canada, Singapore and Malaysia.

Dr. Jen's vision, diplomacy and unwavering dedication to blend the best of East and West in education has been foundational to Maple Leaf's remarkable success. Maple Leaf has provided a world of opportunity for its graduating students. More than 19,000 Maple Leaf grade 12 graduates have studied at over 700 universities in more than 30 countries and regions.

Dr. Jen has received numerous awards, including: Award for Contributions to China-Canada Education Cooperation granted by British Columbia Canada; Most Influential Figure of China's Private Education Award; Liaoning Friendship Award granted by Liaoning Provincial Government; Overseas Chinese Professionals' Outstanding Entrepreneurship Award granted by Overseas Chinese Affairs Office of the State Council of China; Outstanding Achievement Award granted by the government of British Columbia Canada; Governor General of Canada's Medallion; and the Chinese Government's Friendship Award, the highest award granted to a foreign expert in China.

JAMES BEEKE

EXECUTIVE DIRECTOR, GLOBAL SUPERINTENDENT OF SCHOOLS

James Beeke has more than 40 years of experience in education, serving as Teacher, Principal, Deputy and Director/Inspector of Independent Schools: Ministry of Education, British Columbia, Canada. During his role as the Director/Inspector of Independent Schools, he led the development of British Columbia's Offshore School Certification Program.

Mr. Beeke has worked with Maple Leaf Educational Systems in many capacities. He first worked in a government regulatory function, serving as Director of British Columbia's Offshore School Certification Program, and inspected and certified the first Maple Leaf School. Upon retirement from government, he lived and worked in China several years, serving as Maple Leaf's first Superintendent of Schools. Mr. Beeke currently is Maple Leaf's Superintendent of Global Education and is an Executive Director on Maple Leaf's Board of Directors.

Mr. Beeke has received several awards, including: Certificate of Recognition from British Columbia's Minister of Education; Maple Leaf Educational Systems Medal of Excellence and Honor; Certificate of Recognition from the Education Consul: Consulate General of the People's Republic of China in Vancouver, British Columbia; Certificate of Recognition from British Columbia: Ministry of Education and Certificate of Recognition from the People's Government of Liaoning Province, China.

Reputable and reliable educational brand listed on Hong Kong Stock Exchange (Code:1317)

MAPLE LEAF WORLD SCHOOLS CANADA - A UNIQUE UNIVERSITY SCHOOL MODEL

Maple Leaf Education North America currently operate two high schools on Canadian university campuses, namely Maple Leaf World School-TRU and Maple Leaf World School-KPU. We also acquired a beautiful 27-acre boarding school campus in Brockville, Ontario, Canada, known as 'Augusta Academy', which will open soon in the future.

The Maple Leaf University School Model offers the best of both worlds – a university preparatory high school located on a university campus. Students experience the support and community of small high school classes and a unique high school student identity, along with the independence and academic opportunities of learning at world-class university facilities. Our university campus locations provide a unique opportunity for students to successfully transition into university and prepare for life's next steps.

SCHOOL LOCATION - KAMLOOPS

MLWS-TRU is a BC senior high school located in the beautiful city of Kamloops British, Columbia. Overlooking the meeting of the North and South Thompson Rivers, Kamloops has a population of 100,000 and is known as the tournament capital of Canada, hosting a vast array of sporting and cultural events. The community and surrounding area have much to offer our students. They are all immersed in Canadian culture. Outdoor activities abound: skiing, fishing, hiking, running and biking are all central to the lifestyle in Kamloops.

One of the sunniest cities in BC, Kamloops is home to the province's largest municipal park, and there are over 100 freshwater lakes within one hour, making for lots to see and explore in the great outdoors. Winter sports are vibrant in Kamloops, with Sun Peaks ski resort, Canada's second largest ski destination, only a 45-minute drive from the city.

The community of Kamloops provides excellent opportunities for students to volunteer. MLWS-TRU students can volunteer for many things, including helping disabled students learn to ride horses, providing assistance at a seniors' centre, office work, special events, facility maintenance/yard work parties, and barn work.

Located downtown along the South Thompson River, Riverside Park is the top spot in the summer and shoulder seasons for beach access. The beach has a playground, waterpark, tennis and pickleball courts, lawn bowling, and marked swimming areas. In July and August it's the home of Music in the Park, featuring free live music every night.

PRINCIPAL'S WELCOME

I am pleased to have the opportunity to welcome you to Maple Leaf World School – TRU in Kamloops, British Columbia. Since its inaugural school year in 2016-17, MLWS - TRU has grown quickly into a program our students, their parents and our staff are very proud of.

Maple Leaf World School – TRU offers the British Columbia Graduation Program to international and local students. Our excellent facilities and location help to ensure student success and student safety.

In our school community we strive for superior academic achievement, and we strive to develop social responsibility and positive values in our students. At Maple Leaf World School-TRU, we believe that the values of respect, responsibility, honesty and hard work are fundamental to a healthy school community.

I look forward to meeting and working with all parents and extend a warm invitation for parents to visit our school in Kamloops at any time.

- Blake Defieux, Principal

MLWS-TRU ESSENTIAL INFORMATION

ABOUT THOMPSON RIVERS UNIVERSITY

Thompson Rivers University (TRU) has been providing educational excellence in Canada for over 45 years. TRU is an ideal university location, situated on a 250-acre campus, with leading edge learning spaces. Located in the heart of Kamloops, TRU is within walking distance to the city's commercial and residential districts.

The university has over 14,000 students on campus with more than 3,000 international students from over 90 countries. TRU offers a diverse learning experience for all, making it a great campus for students to grow and develop their understanding of other cultures.

FACILITIES

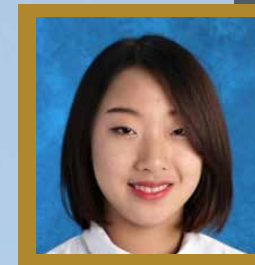

The Tournament Capital Centre (TCC), located right next our classrooms, is an outstanding world-class sports centre with an Olympic-size pool located in the aquatic centre, that was built for the Canada summer games in 1993, along with indoor NBA standard basketball courts, a six-lane running track, exercise training rooms and gymnastics facilities. Our students will never be short of things to do during the school day, after school or on weekends. Students also have use of TRU's two libraries on campus and some other campus facilities, such as the campus theatre.

HOUSING

MLWS-TRU offers excellent dormitory living for students in East Village. The dormitories are only steps away from the TRU campus, as well as from shopping and restaurants. The dormitories are spacious, with room for four students. Each student has a separate bedroom and there is a common area with a kitchen and a bathroom that the four students share. There is a second bathroom in the common area as well. Student dormitories are located on the first, second, third or fourth floor of the dorm buildings. MLWS-TRU staff and East Village management oversee the dormitories around the clock.

MEAL PLAN

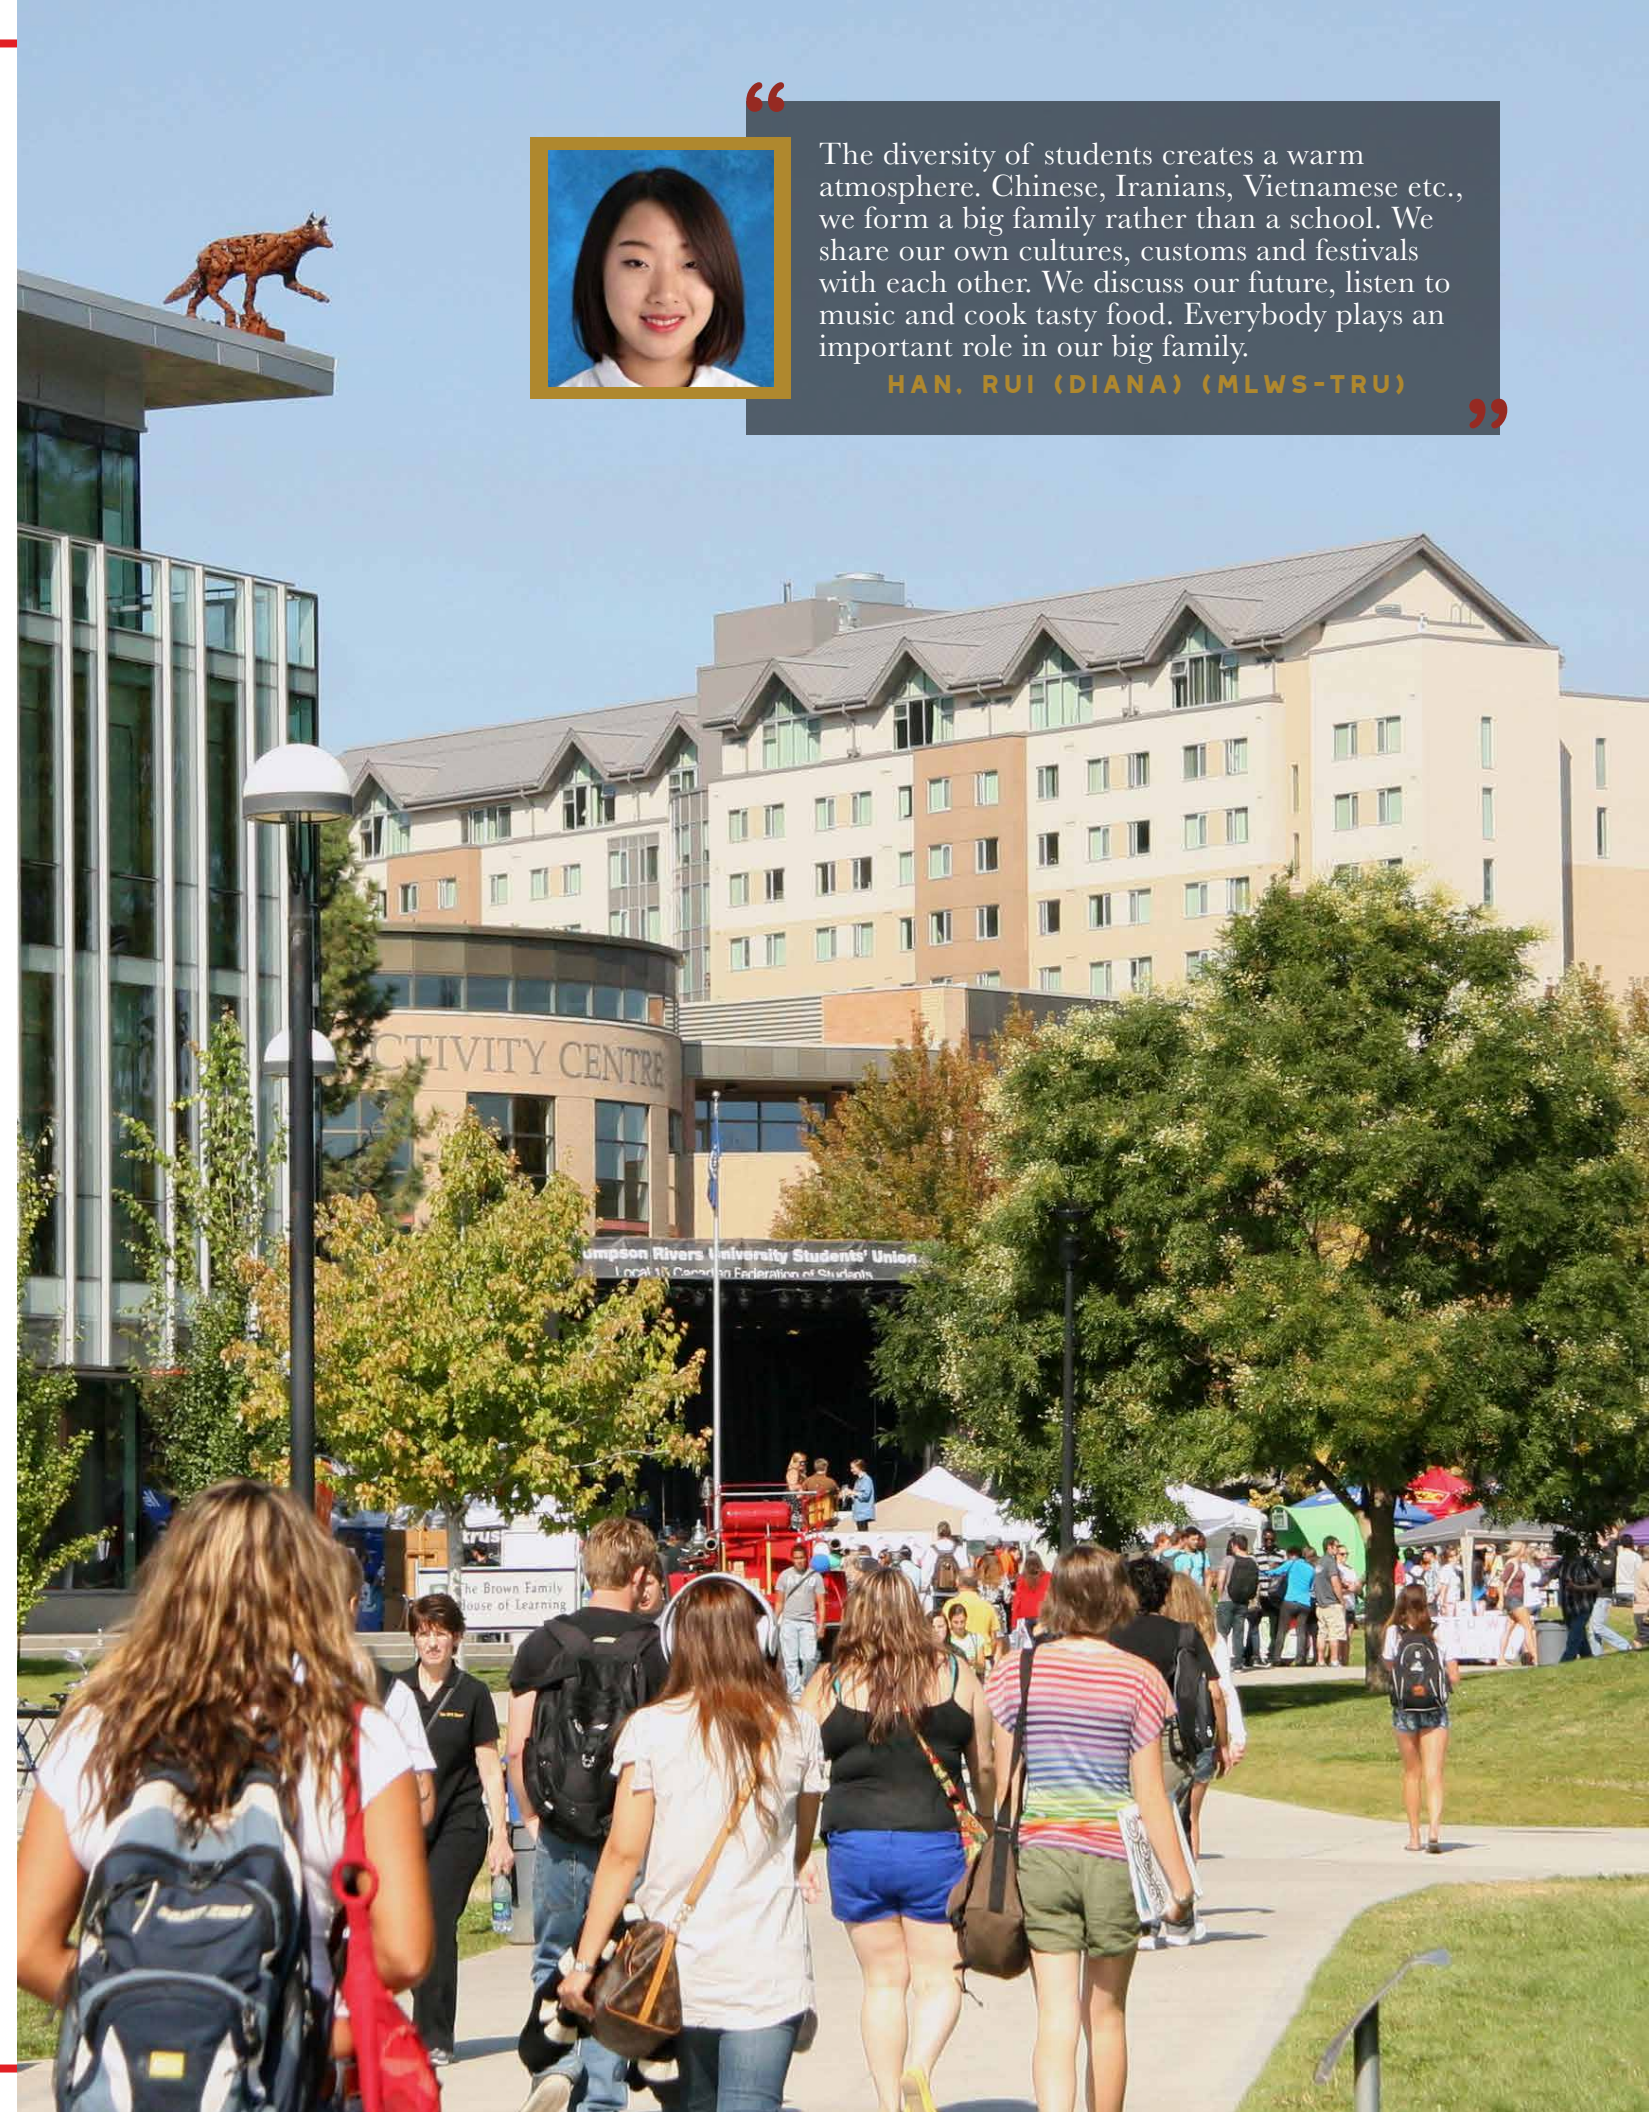

For all MLWS-TRU students, lunch and dinner (Monday to Friday) is provided at the school. These meals are catered locally and are planned to provide well-rounded and nutritious meals to the students. Special dietary requirements can be accommodated. TRU meal plan covers lunch and dinner five days per week, approximately 200 days over the school calendar year.

“The diversity of students creates a warm atmosphere. Chinese, Iranians, Vietnamese etc., we form a big family rather than a school. We share our own cultures, customs and festivals with each other. We discuss our future, listen to music and cook tasty food. Everybody plays an important role in our big family.”

HAN, RUI (DIANA) (MLWS-TRU)

”

MAPLE LEAF WORLD SCHOOL AT

PRINCIPAL'S WELCOME

Maple Leaf World School – KPU proudly welcomes your child to British Columbia, Canada. The school is situated within Kwantlen Polytechnic University's Richmond campus and is surrounded by a multitude of community centers, libraries, restaurants, and shopping malls. The cities of Richmond and Vancouver have many wonderful places to explore which our students take advantage of through our weekend activity program. The school's learning environment and facilities are outstanding and will provide for a safe and nurturing atmosphere for your child's learning. Student have access to state-of-the-art cafeteria, computer, gym, and science lab facilities within the university campus. For academically gifted students, our University Advance Start program allows students to enroll in 1st year university courses while completing their high school diploma. Our goal is to ensure that your child's transition to Canada is both smooth and successful. On behalf of our entire faculty, we warmly welcome your family to Maple Leaf World School - KPU.

- Brad Helgason, Principal

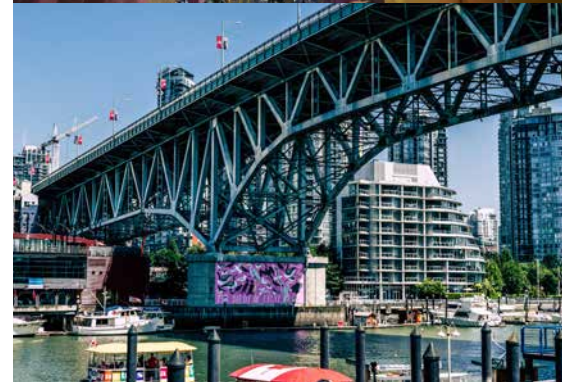

SCHOOL LOCATION - METRO VANCOUVER

Maple Leaf World School – KPU is situated within Kwantlen Polytechnic University's Richmond campus. The school is located in the heart of a diverse Vancouver-based suburb and is often ranked as one of the best locations in the world in which to live and study. Vancouver, a major city on Canada's west coast, is often referred to as Canada's gateway to the Pacific. It is among Canada's most ethnically diverse metropolitan areas, with a population of 2.5 million. It is well known as an urban centre surrounded by nature, making it a major tourism destination.

In addition to active film production studios, along with video game and tech companies, Vancouver is also a centre of higher education. It is home to 11 public post-secondary institutions including universities, technical institutions and colleges, and dozens of private specialty institutions. Vancouver's weather is mild year-round with clean fresh air. Summer temperatures average in the mid-20s°C with low humidity, while winter months, though rainy, seldom go below 0°C. Vancouver rarely sees snow, yet the nearby ski hills offer great winter sports opportunities.

Thirty minutes from downtown Vancouver will bring you to Grouse Mountain Resort to the north, or Cypress Mountain Resort to the northwest. Both of these locations are world-class ski resorts that where some of the 2010 Winter Olympics events were held. Vancouver is the perfect location for enjoying downtown life with nature on your doorstep.

MLWS - KPU ESSENTIAL INFORMATION

ABOUT KWANTLEN POLYTECHNIC UNIVERSITY

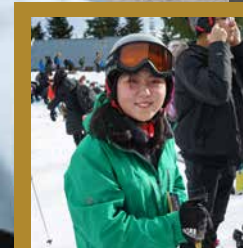

Kwantlen Polytechnic University (KPU) is a Canadian polytechnic university that integrates teaching, research and innovations in preparing students for fulfilling careers. Established in 1981, KPU offers degrees, diplomas and certificates in more than 120 programs. The Richmond campus is located in the heart of a vibrant and very ethnically diverse community on a 10-acre urban site. The campus features modern classrooms, state-of-the-art graphic design computer labs, interior design work studios, and fully equipped science labs. The campus also includes a cafeteria, student lounge areas, indoor and outdoor courtyard spaces, a library and a learning centre.

FACILITIES

Through its partnership with Kwantlen Polytechnic University, the school provides an optimal environment for learning and teaching. Our facilities share cafeteria, library, and science lab space with the university to offer a globally recognized curriculum that inspires students to outperform. The school's learning environment includes small classes and welcoming recreational spaces. Students receive access to an Olympic-designed sports facility which can be used both during and outside of school hours. The school enjoys a quiet location within the university where students are safe and supervised.

HOUSING

MLWS-KPU has partnered with First Choice International Placement, a company with over 20 years of experience providing international students with safe and supported homestay accommodations. Students live in a caring, family environment, developing relationships outside of the classroom. All homestay families are English speaking with homes located within 30 minutes of the school. Two students are paired with one homestay family, and each student has their own separate furnished room. Breakfast and dinner are provided by the family, and hot lunches are provided by the school.

Having a warm homestay family is very helpful for any international student. When I first came to Canada and was not familiar with the surroundings, my homestay family helped me quickly integrate into life here. After more than two years living side by side, my homestay family treat me like their own daughter.

ZHANG, RUIDIE (VICKY) (MLWS-KPU)

UNIVERSITY ADVANCED START

Maple Leaf Educational Systems has partnered with recognized public universities in Canada to offer quality high school programs located right on university campuses. In this essential component throughout our World Schools, students can accelerate their learning by **combining their high school studies with an advanced start at university**. By offering this unique model, students are able to learn and grow within a university setting while being supported by our team of caring high school principals, teachers and advisors.

APPLICATION & SCHOLARSHIP ASSISTANCE

At Maple Leaf World Schools, **trained school advisors guide our students step-by-step through the university admission, selection and scholarship application process**. For students who have chosen to study university courses as part of their Maple Leaf experience, official university transcripts are provided to document the courses taken. These university courses can be applied to qualifying universities and count toward their studies – thereby saving time and money for students and their families.

EARLY ACCESS - UNIVERSITY COURSES

Via Maple Leaf's University Advanced Start, **students are able to take authentic first-year university courses**. Our students have the opportunity to safely explore different areas of university study prior to deciding what to ultimately study and thereby better understand what academically motivates them. We believe that this model offers students the best opportunity to successful transition into university and adulthood.

UNIVERSITY FACILITIES & AMENITIES

Maple Leaf students have **access to state-of-the-art university facilities**. Maple Leaf students are provided a university student card that allows them to utilize facilities such as university libraries. Sports facilities, science laboratories, university restaurants and many other university amenities. In addition, Maple Leaf students are able to participate in select university events and activities throughout the academic year, thereby enriching their overall school experience.

OPPORTUNITY FOR DUAL ADMISSIONS

Our university partners in Canada are known for their undergraduate research and supportive learning environments. Dual admission (high school and university) is available to Grade 11 and 12 applicants. Through our dual admission process **students receive a full offer to a Maple Leaf World School as well as a simultaneous conditional offer to our university partner**.

GLOBAL LEADERS OF TOMORROW

We truly believe that today's youth is the promise for a better tomorrow. Through focusing on global leadership and the personal development of our students, we believe great things can happen. Maple Leaf World Schools is committed to creating strong, ethical and successful global leaders of tomorrow. Our Leadership focus is built on the development of eight leadership attributes of personal development:

INTEGRITY

Having integrity means being honest and having clear and established ethics. Leaders with integrity have a strong moral compass that guides them in their choices, decisions and relations with others.

RESPONSIBILITY

Being reliable, dependable or mindful are all different aspects of this important attribute. A responsible leader is someone who is mature and accountable for both their words and deeds.

COMPASSION

Compassion is related to many of life's other great virtues such as empathy and kindness. In life, having compassion includes being good-hearted and considerate in our daily interactions. Being compassionate includes loving yourself and forgiving of your shortcomings.

WISDOM

Wisdom is the careful application of knowledge, experience and good judgment. A wise leader strives for enlightenment and guidance in every aspect of both life and understand that their thoughts and actions may have long-lasting impact.

DILIGENCE

Being a great leader includes a lot of hard work and dedication. Success does not come easy, but it can be achieved through diligence, conscientious efforts and commitment. The best leaders in life lead through example and perseverance.

VISION

A visionary leader sees the potential in life where others do not. A great leader inspires and lifts up and includes others in their goals and plans. They paint the picture of what is possible. A visionary leader embodies insightfulness, creativity and innovation.

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

John Quincy Adams

MAPLE LEAF LIFE

The Maple Leaf University School model provides a chance for students to develop their leadership skills and discover their true potential. Maple Leaf Schools students can accelerate their learning within a university setting under the guidance of caring school principals, teachers and advisors.

STUDENT GOVERNANCE
Maple Leaf World Schools' Student Unions **provide our students with a supervised and guided experience in developing leadership and governing skills.**

FIELD TRIPS AND EXCURSIONS
We provide students with opportunities for diverse Canadian cultural and geographical experiences including hiking, boating and visiting Canadian First Nation communities.

HEALTHY LIVING
At all Maple Leaf World Schools students make everyday use of health facilities. Students can swim, relax in a hot tub, play basketball or badminton in the gym, or play soccer. **To promote developing healthy morals, Maple Leaf World Schools endeavor to promote the values of respect, responsibility, honesty, and diligence.**

AFTER SCHOOL CLUBS AND TUTORIALS
Each day after school Maple Leaf World Schools offer various tutorials and vibrant extra-curricular opportunities ranging from coding, to board games, wildlife viewing, basketball etc.

WEEKEND ACTIVITIES
Students can choose to participate in at least sixteen weekend field trips over the duration of the school year. School staff lead trips that have included: Ziplining, skiing/snowboarding, curling, community parades, volunteer opportunities etc.

SOCIAL WORK
Guided by school staff, our students volunteer in their respective communities. Reaching out into the larger community, students participate in mentorship programs for elementary students, provide service at homes for the elderly, and support local sporting events with their effort and labour.

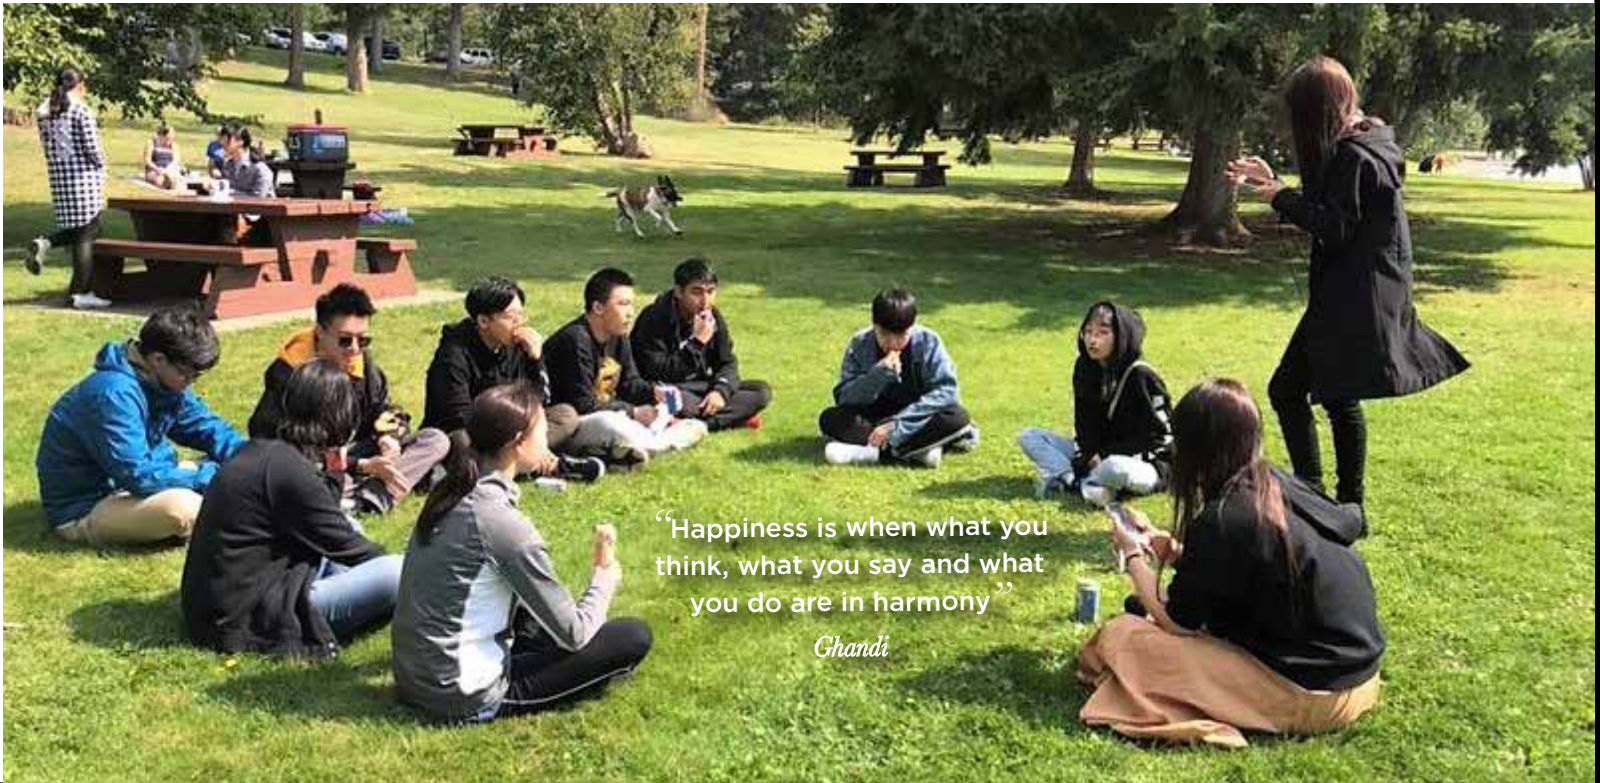

MAPLE LEAF COMPLETE CARE

Having a strong focus on university preparation and academic success are just part of the focus in our Maple Leaf World Schools. A strong and solid foundation of support both in and outside of the classroom is essential to our students' health, well-being and happiness. At Maple Leaf World Schools, we have developed an unparalleled system of care and support for our students. Maple Leaf focuses on 9 areas of complete care:

CAREFULLY MANAGED STUDENT DORMITORIES & HOMESTAYS	WELL-ROUNDED NUTRITION	ENHANCED MEDICAL COVERAGE
LIFE SKILLS	PHYSICAL HEALTH	A FOCUS ON MENTAL HEALTH AND WELL-BEING
24-HOUR CAMPUS SECURITY	ACCESSIBLE SCHOOL STAFF AND LEADERSHIP	SCHOOL CONNECTIVITY WITH STUDENTS' FAMILIES

MLWS-TRU is warm, friendly and full of positive energy. Senior students take the initiative to help freshmen, guide them in making learning plans and monitor implementation. Among the students, there is no grade difference. They learn to play and cook together like a big, warm family.
ZHANG LIMU'S MOTHER (MLWS-TRU)

“Happiness is when what you think, what you say and what you do are in harmony”
Ghandi
