WEEKLY ANNOUNCEMENTS

THE CHARGER

2024-25 SCHOOL YEAR

SCHOOL EVENTS AT A GLANCE

**FRIGHT
NIGHT!**

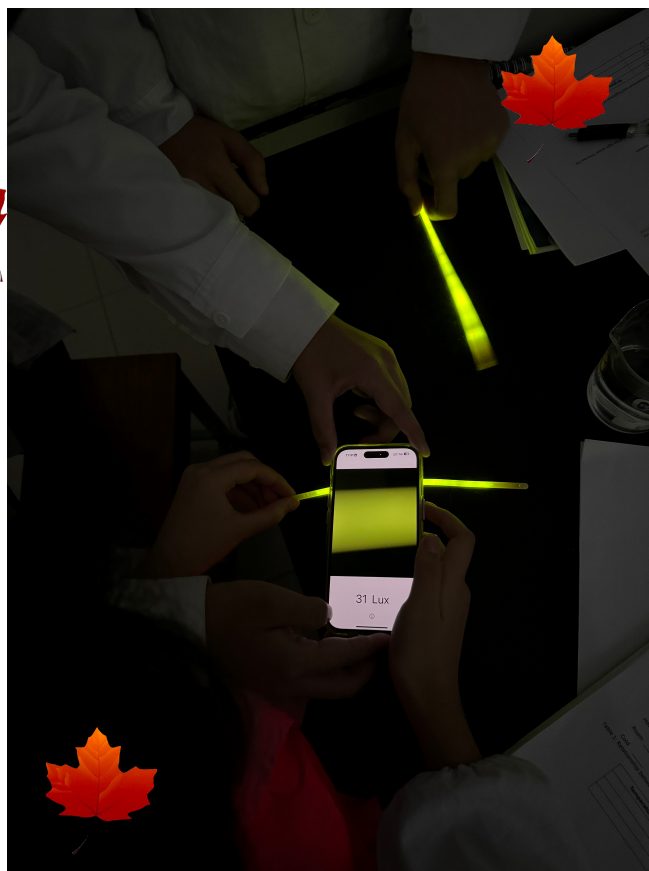

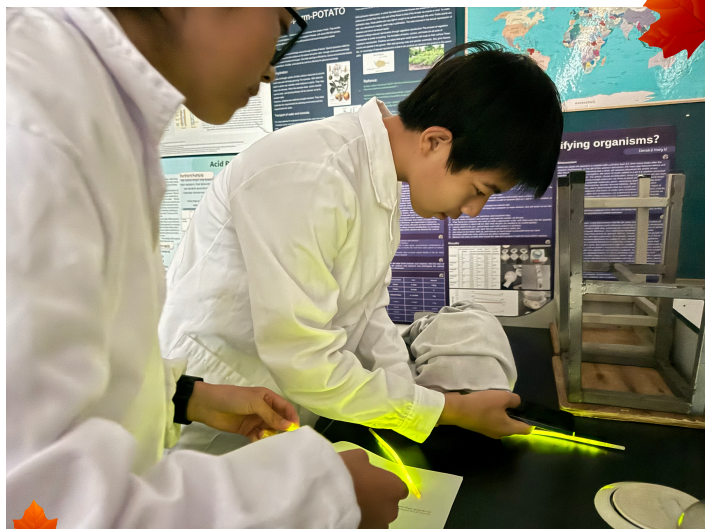

SCHOOL EVENTS AT A GLANCE

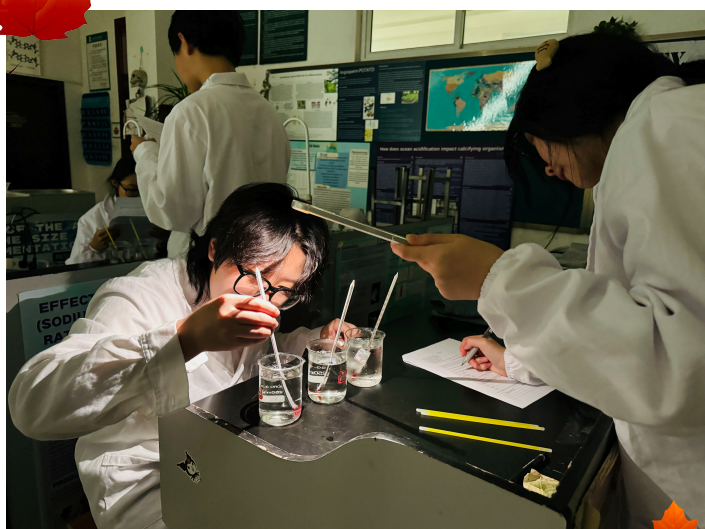

MLIS-Chongqing hosts their first MUN meeting of the year, after attending a conference in Chengdu the previous week. Job well done to the participants! We now look forward to the English language conferences coming up in the spring of 2025. KEEP CALM and MUN!

**KEEP
CALM
AND
MUN**

WORLD SCHOOL AT A GLANCE

Exploring spectral gases in Chemistry 11 and Newton's laws in Physics 11.

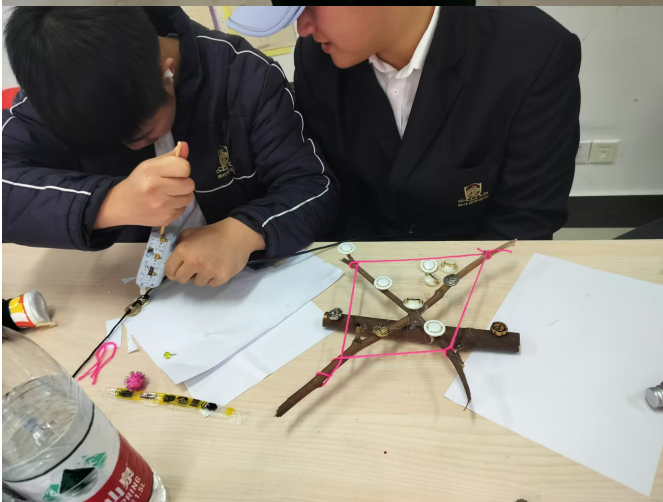

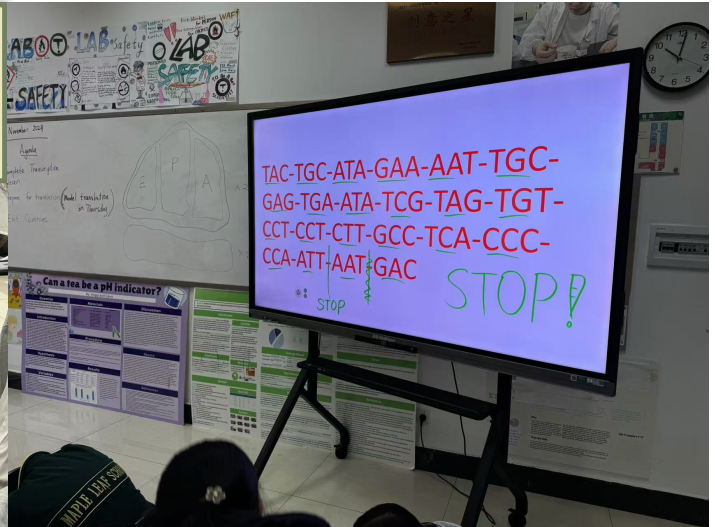

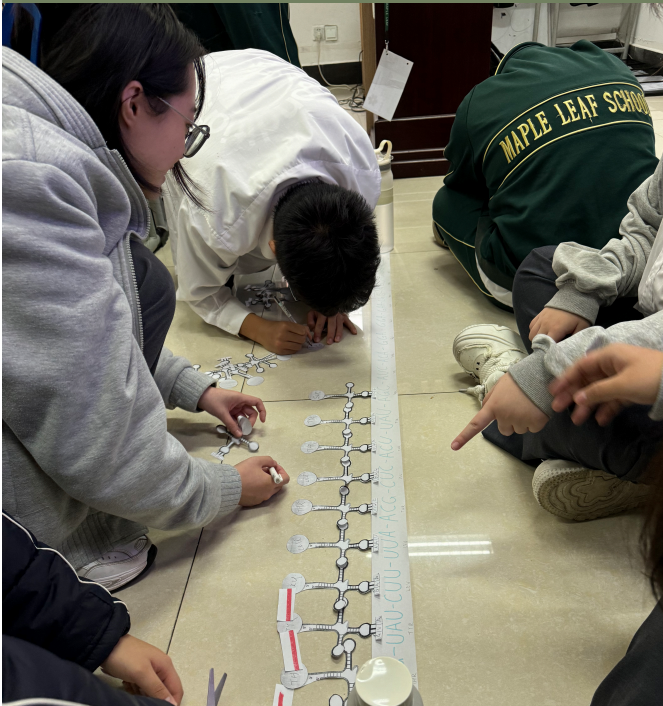

PROJECT WEEK PART 1

End of term projects are in full swing in a wide variety of classes including History 10, Digital Media 12 and Problem Solving 12.

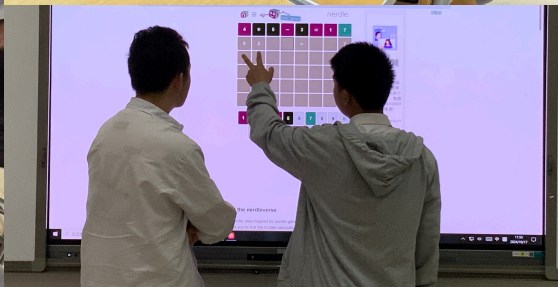

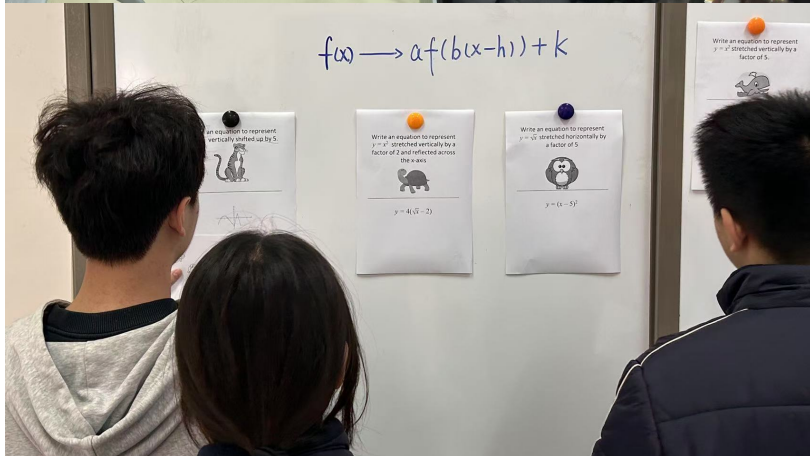

PROJECT WEEK PART 2

Modelling protein structures in Biology 12, using recycled materials to build art displays in Art 10 and inviting a local baker to show students some baking skills in Foods 11. Learning together and being creative is what the world school program is all about.
