THE SEVEN GIFTS OF THE HOLY SPIRIT

WISDOM

UNDERSTANDING

COUNSEL

FORTITUDE

KNOWLEDGE

PIETY

FEAR OF GOD

THE SPIRIT OF WISDOM

- With the gift of the **Wisdom**, think deeply about a situation, conflict, or experience in your life by trying to see things the way God sees them. It could be in the past, present, or future. How does your reflection call you to act in the future?

UNDERSTANDING

Help us to love others as Jesus calls us to do

- Think about some people that have been or are in your life now. How can you use the gift of **Understanding** to help you be more compassionate and aware of those people God has put in your life.

Knowledge

Choosing the right path that will lead you to God

- Think about a situation that you have come across and jumped to a judgement before knowing all the facts. Now allow the gift of **Knowledge** to flow in and through you- how would you approach this situation or similar situations in the future?

COUNSEL

Right Judgment

- Think of a time when you had to decide between something right or wrong (e.g., gossiping, standing up for someone, or a belief when it's unpopular). How can you make sure to utilize the gift of **Counsel** to make the right decision.

Fortitude

Courage

- Take a moment and be honest in letting God know your fears in allowing the gift of **Courage** to empower you in situations that challenge you to stand up for your faith.

Piety

Reverence

- Think about someone in your life that has a deep sense of **Reverence (Piety)** for God, and leads a life of devotion. How can you become more like them? What can you change in your life to be more devoted to God?

Fear of the Lord

Wonder and Awe

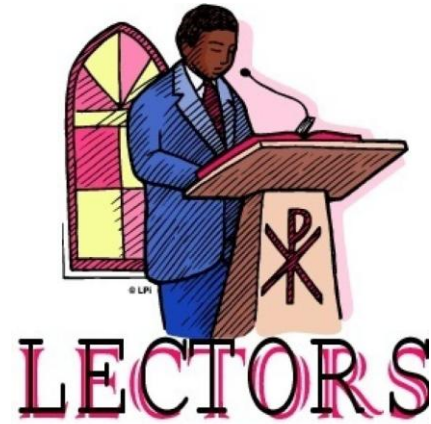

- Put in your own words what you will do to trust more in God and all God's wonderful gifts he gives to you each day so that you can live more consistently in the Awe and Wonder of God's goodness in your life.
