OPENING OUR HEARTS AND MINDS
TO A DEEPER CONVERSION

Do You Believe?

SCRIPTURE
SAYS
SO

If You Truly Believe

- The Eucharist brings Order, Sanity, and Peace in our lives.

So, we can love: our spouse, family, friends, neighbors.

We become the Light of the World

- If you believe: Jesus becomes the center of your life and you become free.

JOURNALING

Jesus is truly present to me, what is one thing I can surrender to him?

How can I help others experience the True Love and Presence of Jesus in their own lives?

How can I be more Jesus- focused and less self-consumed, as the Real Presence encourages?
