"As the parents of the bride, my husband and I wanted our daughter's wedding to be an event we were proud to host - and Bella Sera not only delivered, but went above and beyond! The staff was very kind and accommodating - we had lots of questions leading up to the event and Andrea always responded timely; her calm demeanor and can-do attitude were a breath of fresh air."

-Terri G. (Mother of the Bride)

"Bella Sera is one of the most beautiful venues but it is also one of the most professional and extremely easy to work with. My husband and I went with their all inclusive package that included SO much, lifting an immense amount of weight and stress off our shoulders. If you're considering booking Bella Sera for your wedding, let this review be your sign to do so; you will NOT have any regrets. ♥."

# IMPORTANT INFORMATION

## **BOOKING REQUIREMENTS**

Event spending minimum requirements vary depending on the wedding package, day of the week, and time of year. Please contact our Wedding Consultant for detailed information and payment schedules based on your wedding date.

## **22% PRODUCTION CHARGE - WHAT'S THAT?**

A 22% production charge is added to the subtotal listed on your final invoice. Overage on the spending minimum, 22% production charge, and 6% sales tax is finalized and paid 14 days prior to your wedding date. This covers administrative aspects of booking an event such as telephone conversations, email correspondence, assistance and consultations, set-up and clean-up costs, labor costs, minor wear and tear to the facility, and other non-itemized costs associated with running an event. You will find that this is standard across the industry, especially with "inclusive venues" such as hotels or country clubs.

## **ON-SITE CEREMONIES**

Host your on-site ceremony in front of our Grand Fireplace or in the Gardens at Bella Sera! If mother-nature isn't cooperating on your wedding day and you have planned an outdoor event, we will decide by gam on the wedding day if festivities need to be moved indoors. (Don't worry, both the fireplace and garden create a beautiful backdrop for your memories!) The on-site ceremony fee includes the set-up of chairs and decor, an event coordinator-lead ceremony rehearsal the day prior, and event coordinator assistance on your wedding day. A rehearsal time will be confirmed and scheduled about two months prior to your wedding date. If there is an event scheduled on the day of your rehearsal, please note that we may have to rehearse in the afternoon to avoid overlap.

## **ANNUAL MENU TASTING**

This is an event that you will certainly not want to miss! With booking a date, you will receive two complimentary tasting invitations to our annual tasting event often hosted in March! Additional guests may attend for a fee. Not only does our talented Chef and his culinary team prepare most of our menu for you to taste, but our preferred vendors will also be in attendance to chat with you and showcase what they can offer to enhance your special day (DJ, Photographer, Wedding Cake Samples & more!) \*Please note that this menu tasting is for our evening wedding package menu and we do not offer a tasting for the brunch items.
