Local Crematorium Prices: For Services Monday to Friday (not including public holidays)

Altrincham Crematorium (Dunham Massey, Altrincham)	£ 870 (30 minute slot) £ 980 (45 minute slot) (The longer services are only available at certain times of the day)
Walton Lea Crematorium (near Stockton Heath, Warrington)	£ 1,034 (allowing 25 minutes approximately for the service)

You may wish to have a Minister or Celebrant to lead the service for you at the Crematorium.
Prices for this do vary but are usually around £244 - £260. (please ask for details)

If you choose to have a service in Church, prior to (or after) the Crematorium or burial service, there may well be additional charges made by the Church and for an extended time. (please ask for details).

For a Burial:

The Churchyard or Cemetery will make charges for allowing a burial (and opening of the grave)
with a burial at a Cemetery, (unless you already have a right of burial (usually with a grave deed)),
they will require that the 'right of burial' be purchased at the same time as the funeral.
(please ask for details and we can explain the options and fees).
